*The Market and the Oikos, Vol. II* Hans Derks,2022-03-21 Both Karl Marx and Max Weber inspired the writing of the two volumes of *The Market and the Oikos* Weber coined a market versus oikos contradiction in which oikos not only means house household or family but later also the state while Marx saw a town versus country antagonism Both scholars however explained insufficiently these most complicated concepts let alone some mutual relationships This second volume *The Market and the Oikos Vol II The Peasant and the Nomad in History* continues the analysis of their antagonisms in their mutual relationships by providing the main practical characteristics in different historical economic and sociological contexts based on the writing of Max Weber as explained in Vol I While the first volume tried to characterize the relationships from economic and historical points of view this second volume takes a historical sociological angle In both volumes Hans Derks argument proceeds from early world historical examples to the present context of contemporary China stressing the highly neglected role of nomads in history

Percival Constantine, 2019-07-03 End of the line or end of the world? My name's Luther Cross, and by now you know my story. Half human, half demon, and Chicago's sexiest paranormal investigator. Now I can add recently returned from the dead to my long list of accomplishments. Except my resurrection was just the beginning. See a year ago I uncovered a rogue angel's plot to launch the apocalypse ahead of schedule with the help of a supernatural child. And he's got everything he needs to start the fireworks. Now it's up to me to convince the leaders of Hell, who have never exactly liked me, to follow my lead and put a stop to this. Some say I can't avert Armageddon and save the kid, but I'm determined to try. The question remains: just what will I have to sacrifice to save the world? **Devil's Due** Percival Constantine, 2017-06-01 Half human, half demon, all attitude. Luther Cross here. Dangerously handsome, effortlessly stylish, half demon at your service. As I have inherited certain abilities with my odd genetics, I've put them to use as Chicago's foremost paranormal investigator. My current case? Well, I have to admit it feels a little personal. I'm helping a mysterious girl who's turned up on my doorstep, pregnant through mystic means. I can't help, but think of my own mother, and if I don't help her, she'll face the same fate. Turns out someone is trying to create an army of half demons. While it might be a pleasant change to hang out with my own kind, I know most half demons don't have my sense of morality. If I don't stop this evil plan, the armistice between Heaven and Hell will be broken, and all of the Earth will pay. It will be the beginning of the end. *Spear of Destiny* Percival Constantine, 2015-12-21 A Nazi death cult seeks the ultimate ancient weapon. The Spear of Destiny, believed to have pierced the body of Christ, is said to be an artifact of incredible power that will render the user unstoppable. And now the Thule Society, an occult order from the days of Nazi Germany, is after this weapon. Only Elisa Hill and her allies stand between this Nazi death cult and their genocidal plot. But when faced with ancient forbidden magicks, does even the famed myth hunter have a prayer of success? **Dragon Kings of the Orient** Percival Constantine, 2012-05-09 What happens when the gods fall?
