JACOBITE CLANS

MURRAY G. H. PITTOCK

Myth Of The Jacobite Clans

Christian Koller, Fabian Brandle

Myth Of The Jacobite Clans:

Myth of the Jacobite Clans Murray Pittock,2019-08-07 The second edition of this revolutionary book argues that British history has long sought to caricature Jacobitism rather than to understand it and that the Jacobite Risings drew on extensive Lowland support and had a national quality within Scotland

The Myth of the Jacobite Clans Murray Pittock,2009

The Jacobite Movement in Scotland and in Exile, 1746-1759 D. Zimmermann,2003-10-14 The argument presented in this book arose from an extension to the question whether the suppression of the Jacobite Rising of 1745-46 as represented by a long standing historiographical consensus spelled the end of Jacobite hopes and British fears of another restoration attempt The principal conclusion of this book is that the Jacobite Movement persisted as a viable threat to the British state and was perceived as such by its opponents to 1759

The Punishment Monopoly Pem Davidson Buck,2019-11-22 Examines the roots of white supremacy and mass incarceration from the vantage point of history Why asks Pem Davidson Buck is punishment so central to the functioning of the United States a country proclaiming liberty and justice for all The Punishment Monopoly challenges our everyday understanding of American history focusing on the constructions of race class and gender upon which the United States was built and which still support racial capitalism and the carceral state After all Buck writes a state has to punish bottom line that is what a state and the force it controls is for Using stories of her European ancestors who arrived in colonial Virginia in the seventeenth and eighteenth centuries and following their descendants into the early nineteenth century Buck shows how struggles over the right to punish backed by the growing power of the state governed by a white elite made possible the dispossession of Africans Native Americans and poor whites Those struggles led to the creation of the low wage working classes that capitalism requires locked in by a metastasizing white supremacy that Buck s ancestors with many others defined as white helped establish and manipulate Examining those foundational struggles illuminates some of the most contentious issues of the twenty first century the exploitation and detention of immigrants mass incarceration as a central institution Islamophobia white privilege judicial and extra judicial killings of people of color and some poor whites The Punishment Monopoly makes it clear that none of these injustices was accidental or inevitable that shifting our state sanctioned understandings of history is a step toward liberating us from its control of the present

The Gunns; History, Myths and Genealogy Alastair Gunn,2020-02-15 Here is a radical academically based text which demolishes the myths currently masquerading as Gunn history Gunns are best thought of as the original non related inhabitants of northern mainland Scotland They do not have an Orkney Islands origin Gunns should not be viewed as a clan as they had no founding ancestor There was never an historic Clan Gunn Chief The first Gunn known to history was Coroner Gunn of Caithness who died around 1450 His eldest son started the MacHamish Gunns of Killernan line many descendants from that line exist all around the world Major detail on this MacHamish line is included This book is an important addition to Scottish Highland history

The Jacobites Daniel Szechi,2019-04-05 The product of

forty years of research by one of the foremost historians of Jacobitism this book is a comprehensive revision of Professor Szechi's popular 1994 survey of the Jacobite movement in the British Isles and Europe Like the first edition it is undergraduate friendly providing an enhanced chronology a convenient introduction to the historiography and a narrative of the history of Jacobitism alongside topics specifically designed to engage student interest This includes Jacobitism as a uniting force among the pirates of the Caribbean and as a key element in sustaining Irish peasant resistance to English colonial rule As the only comprehensive introduction to the field the book will be essential reading for all those interested in early modern British and European politics *Culloden* Murray Pittock, 2016 The story of Culloden one of the most important battles in Scottish history how it was fought how it has been remembered and what it has come to mean

Jacobitism Murray Pittock, 1998-09-21 The last genuine rebellion on British soil the Jacobite rising of 1745 forms one of the greatest what ifs of British history If Bonnie Prince Charlie's troops had defeated the forces of George II it is fair to say that the entire subsequent course of the country's history would have been dizzyingly changed Jacobitism is a comprehensive study of the Stuart dynasty's attempts to regain the thrones of England Scotland and Ireland in the eighteenth century It provides not only a history of the Jacobite cause and the Risings but also studies of Jacobite culture the financing of Jacobitism the Jacobite diaspora and Jacobitism and nationalism as well as a critical review of the major changes in Jacobite scholarship this century *The British Army in Scotland and North America, 1745-1775* Nicola Martin, 2025-07-11 This book examines militarisation in Scotland and North America from the Jacobite Uprising of 1745 1746 to the outbreak of the American Revolutionary War in 1775 Employing a transatlantic case study approach it investigates the overarching cultural frameworks individual circumstances and local conditions guiding the actions and understandings of British army officers as they waged war pacified hostile peoples and attempted to assimilate other population groups within the British Empire The process of militarisation fundamentally altered how officers viewed imperial populations and implemented empire on geographical fringes leading to the development of a military imperial mentality where the direct and indirect experiences of the army in Scotland were transferred and adapted to the challenges the army faced in North America Centring the British army in the imperial crisis this book widens our understanding of eighteenth century British imperialism and demonstrates the material role military commanders as important agents of empire played in the coming of the American Revolution

Mediating Cultural Memory in Britain and Ireland Leith Davis, 2022-03-17 Mediating Cultural Memory is the first book to analyze the relationship between cultural memory national identity and the changing media ecology in early eighteenth century Britain Leith Davis focuses on five pivotal episodes in the histories of England Scotland and Ireland the 1688 Glorious Revolution the War of the Two Kings in Ireland 1688 91 the Scottish colonial enterprise in Darien 1695 1700 the 1715 Jacobite Rising and the 1745 Jacobite Rising She explores the initial inscription of these episodes in forms such as ballads official documents manuscript newsletters correspondence newspapers and popular histories and examines how

counter memories of these events continued to circulate in later mediations Bringing together Memory Studies Book History and British Studies Mediating Cultural Memory offers a new interpretation of the early eighteenth century as a crucial stage in the development of cultural memory and illuminates the processes of remembrance and forgetting that have shaped the nation of Britain

Explorations in the Digital History of Ideas Peter de Bolla, 2023-11-23 What would the history of ideas look like if we were able to read the entire archive of printed material of a historical period Would our great men usually story of how ideas are formed and change over time begin to look very different This book explores these questions through case studies on ideas such as liberty republicanism or government using digital humanities approaches to large scale text data sets It sets out the methodologies and tools created by the Cambridge Concept Lab as exemplifications of how new digital methods can open up the history of ideas to heretofore unseen avenues of enquiry and evidence By applying text mining techniques to intellectual history or the history of concepts this book explains how computational approaches to text mining can substantially increase the power of our understanding of ideas in history

[The Battles of Bonnie Prince Charlie](#) Arran Johnston, 2025-08-05 Prince Charles Edward Stuart 1720 1788 was the grandson of Britain's last Stuart king and the last of his line to fight for their right to the throne Born in Rome and raised at his father's cultured and cosmopolitan court in exile the young prince grew up beneath a heavy weight of expectation and yearned for the chance to prove his worth In 1745 just as it seemed his best opportunity had already passed Charles threw caution to the wind and embarked on a secret and seemingly desperate expedition to Scotland What followed is one of the most remarkable famous and often misrepresented episodes of Scottish history the 45 This is the story of the last Jacobite rising and the charismatic but controversial prince who led it presenting a human portrait of the Stuart prince through the words of those who served alongside him The picture revealed is one of a humane and capable young man taking on a mission far greater than his experience had prepared him for pushed to the limits of his abilities at a cost from which he never recovered Following Charles Edward Stuart over the battlefields of Prestonpans Falkirk and Culloden this book reveals the prince's strengths and flaws as a commander and the difficult relationships he had with the very people on whom his fortunes and reputation would depend It is the story of how the prince faced conflicts both on and off the battlefield weathered challenges posed by friends as well as foes and left a legacy which remains hotly contested to this day

Goal! Christian Koller, Fabian Brandle, 2015-06-26 Goal covers the history of the beautiful game from its origins in English public schools in the early 19th century to its current role as a crucial element of a globalized entertainment industry The authors explain how football transformed from a sport at elite boarding schools in England to become a pastime popular with the working classes enabling factories such as the Thames Iron Works and the Woolwich Arsenal to give birth to the teams that would become the Premier League mainstays known as West Ham United and Arsenal They also explore how the age of amateur soccer ended and with the advent of professionalism how football became a sport dominated by big clubs with big money and with an international audience

[The History of Great](#)

Britain Anne B. Rodrick, 2018-11-26 This addition to The Greenwood Histories of the Modern Nations provides an updated clear and concise history of Great Britain that will be of value to undergraduates and to a general readership This updated and expanded volume serves as an introduction to the history of Great Britain from prehistory to the present Guiding the reader through complex developments in politics economics culture and empire this book helps readers to understand how the four kingdoms of England Wales Scotland and Ireland have come together and split apart over centuries of change Chronologically arranged chapters will help readers to better understand British history as it includes pre Roman Britain Britain s Tudors the Reformation and World Wars I and II in addition to current events such as Brexit and others for which Theresa May has been prime minister A timeline a glossary and an appendix of significant individuals in the history of Great Britain help to round out the text The strong narrative line allows readers to understand the ways in which Great Britain has both responded to and guided global changes in economics and class gender and race and the politics of expansionism and nativism

Celtic Identity and the British Image Murray Pittock, 1999 Celtic Identity and the British Image explores the idea of the Celt and definition of the so called Celtic Fringe over the last 300 years It is the only in depth study of the literary and cultural representation of Ireland Scotland and Wales over this period and is based on an extremely wide ranging grasp of issues of national identity and state formation The idea of the Celt and Celticism is once again highly fashionable

The Jacobite Rebellion Gregory Fremont-Barnes, 2022-09-15 Fully illustrated with colour maps and images this is an accessible introduction to one of history s most heavily romanticized and mythologized campaigns Dr Gregory Fremont Barnes presents a detailed overview of the Forty five Rebellion dispelling the myths that have grown up around battles like Culloden and the figures of the Highlanders Led by the charismatic Bonnie Prince Charlie and fought in the main by clansmen loyal to the Stuarts the revolt initially saw government forces outmanoeuvred and outfought before the Prince s march on London halted at Derby But the following spring pursued back into the Highlands by the Duke of Cumberland the Prince s army made its doomed last stand on the moor of Culloden Fremont Barnes examines this key turning point in British history analysing the dynastic struggle of two royal houses the Rebellion s manoeuvres and battles and the tragic aftermath for the Highlands Updated and revised for the new edition with full colour maps and 30 new images this is an accessible introduction to the famous campaign which saw the Stuart dynasty s final attempt to regain the British throne and the end of the Highland clans way of life

The King Over the Water Desmond Seward, 2021-04-28 An engaging look at the violent struggle of the surprisingly diverse Jacobites Swift and cinematic with neatly sketched character portraits Financial Times This is the first modern history for general readers of the entire Jacobite movement in Scotland England and Ireland from the Glorious Revolution of 1688 that drove James II into exile to the death of his grandson Cardinal Henry Duke of York in 1807 The Battle of Culloden and Bonnie Prince Charlie s flight through the heather are well known but not the other risings and plots that involved half of Europe and even revolutionary America Based on the latest research The King over the Water weaves

together all the strands of this gripping saga into a vivid sweeping narrative full of insight analysis and anecdote Few causes have aroused a more gallant response from the peoples of these islands than the Honest Cause writes Desmond Seward whether they were fighting for it at Killiecrankie Prestonpans or Culloden at the Boyne Aughrim or Fontenoy or dying for it on the scaffold Highly readable with brilliantly rendered characters and thrilling tales of deceit and espionage Military History Monthly A bracingly revisionist history Telegraph Seward s detailed descriptions of the Princes Princesses Kings and Queens create a sense of theatre and allow the reader to fully immerse themselves into the dramatic events of the period an engaging and easy read Scottish Field A rollickingly splendidly chronological history Herald Seward s clear sighted examination of the Jacobite movement shows how close it came to succeeding Scotsman This lively book is a welcome addition BBC History

Scots and the Union Christopher A Whatley, 2014-04-14 Public opinion in Scotland in 1707 was sharply divided between advocates of Union opponents and a large body of don t knows In 1706-7 it was party and dynastic advantage that was the main reason for opposition to the proposed union at elite level Whatever the reasons now for maintaining the Union they are in some important respects different from those which took Scotland into the Union such as French aggression securing the Revolution of 1688-89 and the defence of Protestantism This new edition assesses the impact of the Union on Scottish society including the bitter struggle with the Jacobites for acceptance of the union in the two decades that followed its inauguration The book offers a radical new interpretation of the causes of union Now as in 1706-7 some kind of harmonious relationship with England has to be settled upon There exists on both sides of the border mutual antipathy but also powerful bonds of language kin and economics In the case of Scotland there is a strong sense of being different from England a separate nation But arguably this was even more powerful in the mid 19th century when demand grew not for independence but Home Rule As in 1707 economic considerations are central even if the nature of these now are different the Union was forged in an era of muscular mercantilism Perceptions of economic gain and loss affected behaviour in 1706-7 and continue to affect attitudes to the Union today This new edition lends historical weight to the present day arguments for and against Union

From Gaelic to Romantic, 2023-12-21 The appearance of James Macpherson s Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson s versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson s texts and to examine

their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson s achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson s work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender

Scotland and the Wider World Neil McIntyre, Alison Cathcart, 2022 Provides for a historical perspective of Scotland s interaction with the world beyond its borders As one of the most prolific historians of his generation Allan I Macinnes Emeritus Professor of History at the University of Strathclyde has been foremost in promoting an international rather than insular approach to the study of Scotland In a distinguished career he has written extensively on the Scottish Highlands the British revolutions the formation of the United Kingdom the Jacobite movement and Scottish involvement in the British Empire The chapters collected here reflect the extent of these interests and a commitment to understanding Scotland or indeed other territorial units in an international or global context Covering a period from the sixteenth to the nineteenth century essays examine the complex interaction of the peoples of the British and Irish isles they consider Scottish participation in Britannic and European conflict and they explore Scottish involvement in business networks political unions and maritime empires From intellectual and cultural exchange to political and military upheaval Scotland and the Wider World will be key reading for anyone interested in the antecedents to Scotland s current international standing

Myth Of The Jacobite Clans Introduction

In today's digital age, the availability of Myth Of The Jacobite Clans books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Myth Of The Jacobite Clans books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Myth Of The Jacobite Clans books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Myth Of The Jacobite Clans versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Myth Of The Jacobite Clans books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Myth Of The Jacobite Clans books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Myth Of The Jacobite Clans books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Myth Of The Jacobite Clans books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Myth Of The Jacobite Clans books and manuals for download and embark on your journey of knowledge?

FAQs About Myth Of The Jacobite Clans Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
