Peasants, Populism and Postmodernism Dr Tom Brass,2013-02-01 Tracing the way in which the agrarian myth has

emerged and re emerged over the past century in ideology shared by populism postmodernism and the political right the argument in this book is that at the centre of this discourse about the cultural identity of otherness difference lies the concept of and innate peasant ness In a variety of contextually specific discursive forms the old populism of the 1890s and the nationalism and fascism in Europe America and Asia during the 1920s and 1930s were all informed by the agrarian myth The postmodern new populism and the new right both of which emerged after the 1960s and consolidated during the 1990s are also structured discursively by the agrarian myth and with it the ideological reaffirmation of peasant essentialism

**Culture, Politics and Television in Hong Kong** Eric Kit-wai Ma, 2005-07-28 Ma looks at the ways in which the identity of Hong Kong citizens has changed in the 1990s especially since the handover to China in 1997 This is the first analysis which focuses on the role in this process of popular media in general and television in particular The author specifically analyses at the relationship between television ideologies and cultural identities and explores the role of television in the process of identity formation and maintenance

*The Greenwood guide to American popular culture* M. Thomas Inge, Dennis Hall, 2002 The Inward Gaze Peter Middleton, 2024-11-01 First published in 1992 The Inward Gaze looks at men s fantasies and self images from a wide range of texts notably boy s superhero comics modernist literary classics and a Freudian case study to discuss the theories of subjectivity masculinity and emotion The author explores the split between the experience based claims of the men s movement and the discourse theories of postmodernism Does this division reveal a continuing refusal of masculine self awareness Why does postmodernist theory investigate desire and ignore emotion This is a ground breaking and controversial book which seeks to reformulate the way we think about men s subjectivity Its interdisciplinary approach weaves together material from many different sources and will be of vital interest to students of literature cultural studies gender studies and psychoanalysis
