## **Mythologies Of The World The Illustrated Guide To Mythological Beliefs And Customs:**

*Mythologies of the World* Michael C. McKenzie, 2001 Looks at ancient myths and legends how they are interpreted today and what they mean now      **Mythologies of the World** Michael McKenzie, 2001 Mythologies of the World looks at ancient myths and legends how they are interpreted today and what they mean to us now It includes features on the origins beliefs customs and practices of the major centres of mythology Throughout recorded history ancient myths and legends have influenced art literature music and religion and are still part of our lives today      *The Shamanic Themes in Armenian Folktales* Michael Berman, 2009-03-26 In Marxist anthropological theory shamanism represented one of the early forms of religion that later gave rise to more sophisticated beliefs in the course of human advancement The premise of Marxism was that eventually at the highest levels of civilization the sacred and religion would eventually die out Znamenski 2007 p 322 Though history has of course since disproved this the theory clearly had a great bearing on what was written in the former Soviet Union about shamanism and also on people s attitudes in the former Soviet Republics towards such practices On the other hand it has been suggested that all intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous Znamenski 2007 p 28 Although this might apply to searching for the roots of Christianity in Armenia when it comes to searching for the roots of pagan practices interest on the part of the people of Armenia is generally speaking not so forthcoming This impasse coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s along with the recent surge of interest in the Armenian Orthodox church a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business However hopefully this study will at least in some small way help to set the process in motion      *The Shamanic Themes in Georgian Folktales* Elliot D. Cohen, 2009-03-26 In Marxist anthropological theory shamanism represented one of the early forms of religion that later gave rise to more sophisticated beliefs in the course of human advancement The premise of Marxism was that eventually at the highest levels of civilization the sacred and religion would eventually die out Znamenski 2007 p 322 Though history has of course since disproved this the theory clearly had a great bearing on what was written in the former Soviet Union about shamanism and also on people s attitudes in the former Soviet Republics towards such practices On the other hand it has been suggested that all intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous Znamenski 2007 p 28 Although this might apply to searching for the roots of Christianity in Georgia when it comes to searching for the roots of pagan practices interest on the part of the people of Georgia is generally speaking not so forthcoming This impasse coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s

along with the recent surge of interest in the Georgian Orthodox church a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business However hopefully this study will at least in some small way help to set the process in motion

**Religious Diversity and Children's Literature** Connie R. Green,Sandra Brenneman Oldendorf,2011-05-01 This book is an invaluable resource for enabling teachers religious educators and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others The traditions featured include indigenous beliefs throughout the world Native American spirituality Hinduism Buddhism Judaism Christianity Orthodoxy Catholicism and Protestantism Islam Sikhism and other beliefs such as Bah Unitarian Universalism Humanism and Atheism Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs misconceptions sacred texts and holy days or celebrations This summary of each tradition is followed by extensive annotated recommendations for children s and adolescent literature as well as suggested teaching strategies The recommended literature includes informational books traditional religious stories and fiction with religious themes Teachers religious educators and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live Know it All, Find it Fast for Youth Librarians and Teachers Christinea Donnelly,2012 A brand new version of the best selling enquiry desk reference text Know it All Find it Fast specifically designed for those working with children and young people in schools public libraries and at home Including an invaluable overview of the education system and the school curriculum as well as a comprehensive listing of useful resources by topic this A Z covers school subjects from science and maths to reading and literacy and more general themes such as children s health wellbeing and hobbies Each topic is broken down into useful sections that will help to guide your response Typical questions outline common queries such as Have you got any information about volcanoes Considerations provides useful hints and tips i e Geography now encompasses not only physical and human geography but also environmental geography social geography geology and geopolitics Where to look lists relevant printed digital and online resources with useful annotations explaining their scope and strengths Readership This is the must have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people as well as their parents and caregivers It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers
