The Mythology of the Mermaid and Her Kin Marc Potts, 2001-02-01 **Bits of Spirit & Parts of Soul" ...Reclaiming the Archetypes of Creation Within.** Nevine Z Rottinger, 2014-12-01 Within every human as within the whole of creation there exist major fundamental directive and working energetic programmes Some call these massive force fields of influence the Archetypes whilst others call them Morphological Fields Ancient cultures recognised them as their Gods the Mind of God These fundamental energy fields are perhaps best understood as the bits of Prime Creator Great Spirit the parts of soul within humans plants animals the elements throughout creation As you read Book 1 and Book 2 describing the Major Archetypes of Creation you will gain a profound understanding of yourself the force field which permeates the very Stuff of Creation The content within these 2 books is divided into four stand alone parts which allow you the reader the freedom to explore any single group of archetypes in any order you wish Included are sections for those who wish to use the Vibrational Essences Elixirs which are designed to activate enhance these same Archetypal Energies within you should you wish it The material is channeled may at times break grammatical rules Just read as is you will understand the reason

Fantastic Creatures in Mythology and Folklore Juliette Wood, 2018-08-23 Drawing on historical sources myth and folklore Fantastic Creatures in Mythology and Folklore explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies **Mysterious Creatures** George M. Eberhart, 2002-12-17 A comprehensive guide to cryptozoology the quest to identify animals that have not been officially catalogued by science and to place these unknown animals into their proper zoological categories In this fascinating two volume encyclopedia author George M Eberhart provides a comprehensive catalog of nearly 1 000 cryptids unknown animals usually reported through eyewitness accounts and not yet described by science Cryptids are the stuff of folklore hoaxes and genuine scientific breakthroughs There are 400 now classified cryptids once considered either extinct or pure fantasy The cryptozoologist's job is to strip away the myth misidentification and mystery and separate fact from fiction Mysterious Creatures covers everything from dinosaurs and the emala ntouka an elephant killing dinosaur like animal of central Africa to searches for the Loch Ness monster Bigfoot and other cryptozoological hoaxes Entries about specific animals include the derivation or meaning of each cryptid's name its scientific name variant names a physical description behavior description of

tracks habitat significant sightings present status and possible explanations Illustrations and photographs accompany many entries The book also includes resources and references for further information **Storytelling** Josepha

Sherman,2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions Storytelling An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions

Merpeople A Human History Vaughn Scribner traces the long history of mermaids and mermen taking in a wide variety of sources and using 117 striking images From film to philosophy church halls to coffee houses ancient myth to modern science Scribner shows that mermaids and tritons are and always have been everywhere Faeriecraft Neil Geddes-Ward,2005 The faerie seeker is invited to follow the sparkling pathway to Elf Land through the pages of Faeriecraft The aim of this book is to reverse a trend that the magical and spiritual pathway of Faeriecraft has traditionally been kept a mysterious and elusive secret The authors passionately believe that the faeries are for everyone who seeks them This inspirational version of Faeriecraft is shaped from the authors own experiences and concepts which have been impressed upon her by the faeries themselves Faeriecraft takes the fey seeker on a step by step guide on how to practice this craft which is the creative melding of the faerie faith and natural witchcraft Once faerie seekers have followed the exercises and insights throughout this book they can emerge inspired to work with the faeries and have the knowledge and confidence to call themselves a faerie priest or priestess Dictionary of Nature Myths Tamra Andrews,2000 Comprehensive and cross referenced this informative volume is a rich introduction to the world of nature as experienced by ancient peoples around the globe 51 halftones **Connecting World Geography to World History Through Storytelling, Eco-feminism, and Mindfulness** Amber J. Godwin,2024-10-23 By approaching geography and history through an integrated eco feminist and psychogeography lens Connecting World Geography to World History Through Storytelling Eco feminism and Mindfulness reaches toward a fresh exploration of the land and water while offering suggestions for content based social emotional learning activities that include ethnogeography exercises and mindfulness activities *Folktales and Fairy Tales* Anne E. Duggan Ph.D.,Donald Haase Ph.D.,Helen J. Callow,2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource **Mermaids**

and the Production of Knowledge in Early Modern England Tara E. Pedersen, 2016-04-22 We no longer ascribe the term mermaid to those we deem sexually or economically threatening we do not ubiquitously use the mermaid's image in political propaganda or feature her within our houses of worship perhaps most notably we do not entertain the possibility of the mermaid's existence This author Tara Pedersen argues makes it difficult for contemporary scholars to consider the mermaid as a figure who wields much social significance During the early modern period however this was not the case and Pedersen illustrates the complicated category distinctions that the mermaid inhabits and challenges in 16th and 17th century England Addressing epistemological questions about embodiment and perception this study furthers research about early modern theatrical culture by focusing on under theorized and seldom acknowledged representations of mermaids in English locations and texts While individuals in early modern England were under pressure to conform to seemingly monolithic ideals about the natural order there were also significant challenges to this order Pedersen uses the figure of the mermaid to rethink some of these challenges for the mermaid often appears in surprising places she is situated at the nexus of historically specific debates about gender sexuality religion the marketplace the new science and the culture of curiosity and travel Although these topics of inquiry are not new Pedersen argues that the mermaid provides a new lens through which to look at these subjects and also helps scholars think about the present moment methodologies of reading and many category distinctions that are important to contemporary scholarly debates *Deep Blue* Sylvie Shaw, Andrew Francis, 2014-12-05

Nature religions look to rivers lakes and oceans for inspiration and spiritual transformation *Deep Blue* brings together the work of influential scholars in the field of nature religion ranging across anthropology mythology sociology and psychology The essays examine the interrelationship between spiritual practice critical thinking and environmental concern Tracing the ancient history of humanity's close relationship with both salt and fresh water the book calls for a sustainable relationship with water in contemporary western culture *Deep Blue* will be of interest to students of paganism and religion environmental researchers and activists and all those involved in the intersection between religion and ecology *A Jungian Study of Shakespeare* M. Fike, 2009-02-02

Employing the analytical psychology of Carl Jung Matthew A Fike provides a fresh understanding of individuation in Shakespeare This study of the visionary mode Jung's term for literature that comes through the artist from the collective unconscious combines a strong grounding in Jungian terminology and theory with myth criticism biblical literary criticism and postcolonial theory Fike draws extensively on the rich discussions in the *Collected Works of C G Jung* to illuminate selected plays such as *A Midsummer Night's Dream* *The Merchant of Venice* *The Henriad* *Othello* and *Hamlet* in new and surprising ways Fike's clear and thorough approach to Shakespeare offers exciting original scholarship that will appeal to students and scholars alike **Music of the Sirens** Linda Austern, Inna Naroditskaya, 2006-07-21

Whether referred to as mermaid usalka mami wata or by some other name and whether considered an imaginary being or merely a person with extraordinary abilities the siren is the remarkable creature that has inspired music and its

representations from ancient Greece to present day Africa and Latin America This book co edited by a historical musicologist and an ethnomusicologist brings together leading scholars and some talented newcomers in classics music media studies literature and cultural studies to consider the siren and her multifaceted relationships to music across human time and geography
