Peace Not War: Traditions of Restorative Justice in Imperial Ethiopia, 1769 - 1960 Charles Schaefer, 2025-05-27 Examines one of the few documented early examples of restorative justice from Africa or Latin America With a writing system Ethiopian emperors as well as pretenders to the throne chronicled their exploits including peace building feats and this book showcases and analyses historically verified instances from as early as 1769 where restorative

justice modalities were used to resolve conflict and bring peace to the country Peace not War traces Ethiopia's evolving understanding of restorative justice from the forgive and forget approach which characterized the Zemene Mesafint Era of the Princes where perpetrators were exonerated allowing them to recoup and build their armies to fight another day to conditional forgiveness recorded by the imperial court and dependent on atonement Ethiopia's long history of experimentation with different forms of restorative justice demonstrates ingenuity flexibility and adaptability but as the twentieth century progressed workable indigenous forms of restorative justice were sidelined by Western codified law that emphasized retribution

Language Policy in Ethiopia Mekonnen Alemu Gebre Yohannes, 2021-02-18 This book examines the interplay and tensions between hegemonic and counter hegemonic language policy and processes in Tigray a regional state of Ethiopia in the period of pre and post 1991 Viewing language use and language policy as dynamic social and ideological processes the book presents Ethiopia as an example of language policy creation and implementation over time in a highly volatile political context The case of Ethiopia is unique in that different language policies and practices were put in place as the country's leaders changed through political takeovers Declared language policies were not always implemented and those implemented were often protested The book starts with an overview and review of language policy and planning followed by a chapter on the history of such planning in Ethiopia It then presents the methodology used for the study and examines the appropriation of hegemonic LPP patterns of resistance schools and public sites as centers of resistance and the emergence and development of specific patterns of language use in different regions of the country The book ends with recommendations for future research and draws the overall conclusion that since LPP is a dynamic and multilayered contextual process official or de facto language policy is often undermined by overt or covert unofficial language policies ideologies mechanisms and agents that result in different patterns of language use

Alliance of the Colored Peoples Joseph Calvitt Clarke, 2011 A detailed examination of Ethiopian Japanese relations from their beginnings in the interwar period through the Italo Ethiopian War of 1935-6 drawing on Japanese Russian Italian French and English sources With the Japanese posing as the leader of the world's colored peoples before World War II many Ethiopians turned to Japan for inspiration By offering them commercial opportunities by seeking their military support and by reaching out to popular Japanese opinion Ethiopians tried to soften the

stark reality of a stronger Italy encroaching on their country Europeans feared Japan's growing economic and political influence in the colonial world Jealously guarding its claimed rights in Ethiopia against all comers among Italy's reasons for going to war was the perceived need to blunt Japan's commercial and military advances into Northeast Africa Meanwhile throughout 1934 and the summer of 1935 Moscow worked hard and in ways contrary to its claimed ideological imperatives to make Collective Security work Ethiopia was a small price to pay Italy for cooperation against Nazi Germany in Austria and Imperial Japan in China Yellow Japanese and black Ethiopian collaboration before the war illuminates the pernicious and flexible use of race in international diplomacy In odious terms Italians used race to justify their actions as defending western and white civilization The Japanese used race to explain their tilt toward Ethiopia The Soviets used race to justify their support for Italy until late 1935 Ethiopia used race to attract help and colored peoples worldwide rallied to Ethiopia's call J Calvitt Clarke III is Professor Emeritus of History at Jacksonville University Florida

A Tributary Model of State Formation Berhanu Abegaz, 2018-06-09 A Tributary Model of State Formation Ethiopia 1600-2015 addresses the perplexing question of why a pedigreed Ethiopian state failed to transform itself into a nation state Using a comparative institutionalist framework this book explores why Ethiopia an Afroasian civilizational state has yet to build a modern political order comprising a sturdy state the rule of law and accountability to the ruled The book provides a theoretical framework that contrasts the European and the Afroasian modes of state formation and explores the three major variants of the Ethiopian state since 1600 Gondar Shewa and Revolutionary It does this by employing the conceptual entry point of tributarism and teases out the implications of this perspective for refashioning the embattled postcolonial African political institutions The primary contribution of the book is the novel framing of state formation through the lens of a landed Afroasiatic peasantry in giving rise to a fragile state whose redistributive preoccupation preempted the emergence of a productive economy to serve as a buoyant revenue base Unlike feudal Europe the dependence of the Afroasian state on arm's length overlordship rather than on tightly managed landlordship incentivized endemic extractive contests among elites with the capacity for violence for the non-fixed tribute from independent wealth producers Tributarism I argue here stymied the transition from a resilient statehood to a robust nation statehood that befits an open order society This book will be of interest to scholars in economics political science political economics and African Studies Berhanu Abegaz is Professor of Economics College of William Mary USA

Ethnic Diversity, National Unity Theodoros A. Teklu, 2021-01-29 Although asserting one s ethnic identity is not morally wrong the manner in which one ethnic group construes or relates to the ethnic other s can obliterate the bond of togetherness and create the insecurity of life Ethiopia which is home to anthropologically diverse ethno linguistic groups exhibits a proclivity to ethnic based hostilities and conflicts As a result of such hostilities Ethiopia had suffered recurrent small and large scale deaths and in the last half decade only millions have been internally displaced and live in dire conditions In dialogue with perspectives from a wide range of disciplines such as history law sociology philosophy theology and political thought this multi authored book aims at generating Christian moral resources for peaceful multiethnic togetherness This interdisciplinary engagement is meant to buttress the task of interpreting ethnic diversity and national unity within both contemporary and historical Ethiopia and articulating a Christian moral response to the crisis of togetherness ensuing from the malpractices of affirming ethnic identity and enacting national unity
