Environmental Effects of Sewage Sludge Disposal United States. Congress. House. Committee on Science and Technology. Subcommittee on Natural Resources, Agriculture Research, and Environment,1981 *Form and Flow* Kian Goh,2021-08-17 An examination of urban climate change response strategies and the resistance to them by grassroots activists and social movements Cities around the world are formulating plans to respond to climate change and adapt to its impact Often marginalized urban residents resist these plans offering counterplans to protest unjust and exclusionary actions In this book Kian Goh examines climate change response strategies in three cities New York Jakarta and Rotterdam and the mobilization of community groups to fight the perceived injustices and oversights of these plans Looking through the lenses of urban design and socioecological spatial politics Goh reveals how contested visions of the future city are produced and gain power Goh describes on the one hand a growing global network of urban environmental planning organizations intertwined with capitalist urban development and on the other social movements that themselves often harness the power of networks She explores such initiatives as Rebuild By Design in New York the Giant Sea Wall plan in Jakarta and Rotterdam Climate Proof and discovers competing narratives including community resiliency in Brooklyn and grassroots activism in the informal kampungs of Jakarta Drawing on participatory fieldwork and her own background in architecture and urban design

Goh offers both theoretical explanations and practical planning and design strategies She reframes the critical concerns of urban climate change responses presenting a sociospatial typology of urban adaptation and considering the notion of a just resilience Finally she proposes a theoretical framework for designing equitable and just urban climate futures **Naked City** Sharon Zukin,2009-12-18 As cities have gentrified educated urbanites have come to prize what they regard as authentic urban life aging buildings art galleries small boutiques upscale food markets neighborhood old timers funky ethnic restaurants and old family owned shops These signify a place s authenticity in contrast to the bland standardization of the suburbs and exurbs But as Sharon Zukin shows in *Naked City* the rapid and pervasive demand for authenticity evident in escalating real estate prices expensive stores and closely monitored urban streetscapes has helped drive out the very people who first lent a neighborhood its authentic aura immigrants the working class and artists Zukin traces this economic and social evolution in six archetypal New York areas Williamsburg Harlem the East Village Union Square Red Hook and the city s community gardens and travels to both the city s first IKEA store and the World Trade Center site She shows that for followers of Jane Jacobs this transformation is a perversion of what was supposed to happen Indeed *Naked City* is a sobering update of Jacobs legendary 1961 book *The Death and Life of Great American Cities* Like Jacobs Zukin looks at what gives neighborhoods a sense of place but argues that over time the emphasis on neighborhood distinctiveness has become a tool of economic elites to drive up real estate values and effectively force out the neighborhood characters that Jacobs so evocatively idealized **The Stranger You Know** Andrea Kane,2014-03-25 Casey Woods and the Forensic Instincts team investigate a serial killer targeting young redheaded victims each of whom has a unique connection to Casey **Brooklyn Noir 3** Tim McLoughlin,Thomas Adcock,2008-06-01 The first nonfiction volume in the superb series true crime stories from Bushwick to Borough Park to Brooklyn Heights The *Globe and Mail* Toronto The people who brought you the Brooklyn Noir crime fiction collections return with another talented literary lineup this time contributing chilling and sometimes heartbreaking stories of real life crimes in this densely populated and diverse borough of New York City Brand new nonfiction by Robert Leuci Dennis Hawkins Tim McLoughlin Thomas Adcock Errol Louis Denise Buffa Patricia Mulcahy C J Sullivan Reed Farrel Coleman Aileen Gallagher Christopher Musella Kim Sykes Robert Knightly Jess Korman Constance Casey and Rosemarie Yu **The Red and the Black** Robert Miklitsch,2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s Robert Miklitsch begs to differ Pursuing leads down the back streets and alleyways of cultural history *The Red and the Black* proposes that the received rise and fall narrative about the genre radically undervalues the formal and thematic complexity of 50s noir and the dynamic segue it effected between the spectacular expressionism of 40s noir and early modernist neo noir Mixing scholarship with a fan s devotion to the crooked roads of critique Miklitsch autopsies marquee films like *D O A* *Niagara* and *Kiss Me Deadly* plus a number of lesser known classics Throughout he addresses the social and technological factors that dealt deuce after deuce to the genre its celebrated style threatened by new media and technologies such as TV

and 3 D color and widescreen its born losers replaced like zombies by All American heroes the nation rocked by the red menace and nightmares of nuclear annihilation But against all odds the author argues inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly startlingly alive Cutting edge and entertaining The Red and the Black reconsiders a lost period in the history of American movies **Only the Dead Know**

Brooklyn Chris Vola,2025-10-16 A vampire who is confined to Brooklyn gives up his immortality to save the human love of his life and unknowingly wades into a much larger supernatural conspiracy Ryan Driggs has lived in Brooklyn for 128 years 96 of them as one of the last members of a tribe of blood eating immortals who have called the borough home since before colonial times Besides the occasional hard to control thirst his life in the twenty first century is uneventful until he meets Jennifer a human from Manhattan with whom he falls in love Unable to leave Brooklyn without reverting back to his original cancer stricken human state Ryan knows he must tell Jennifer who and what he really is But before he can find the words she is kidnapped by a tribe of Manhattan vampires and Ryan discovers that for a reason unknown to him he is a target too After contacting the oldest member of his tribe a former slave named Frank Lafayette and after an attempt on their lives that leaves two of Frank s employees dead Ryan realizes he s been thrust into a world that is more dangerous than anything he d imagined As he travels to Manhattan to rescue Jennifer forsaking his immortality he gets caught up in a roller coaster of violence lies manipulation and a power struggle that stretches back thousands of years Chris Vola s Only the Dead Know Brooklyn takes place in a world where conspiracies are more than just theories where Ryan must decide to fight or forsake both of the species he s called his own **Horror as Racism in H. P. Lovecraft** John L. Steadman,2024-01-11 Providing a new perspective on Lovecraft s life and work Horror as Racism in H P Lovecraft focuses on the overlap between the writer s personal beliefs and the racist images and narratives in his speculative fiction Building on recent debates about Lovecraft and drawing on the concept of white fragility John Steadman argues that the writer s fiction reflects his feelings of resentment and anger towards non white persons and was used to advocate for his racist xenophobic political beliefs that western civilization was in decline and slavery was justifiable among superior civilizations In making these claims Lovecraft s tales pit humans against extra terrestrial aliens developing a terrifying futuristic vision of the Earth as a plantation planet The familiar image of Lovecraft as a reclusive creative genius and mentor to young writer friends is dismantled through close readings of his fiction and nonfiction including correspondence essays and poetry and examination of his early biography This image is replaced by that of a cruel callous and at times psychotic man a violently vitriolic racist and white supremacist who hated most of the non white races While some will dismiss the author outright and others will read his fiction but ignore the racism Horror as Racism in H P Lovecraft takes a middle ground acknowledging Lovecraft s personal history and heinous intentions it helps readers navigate the author s disturbing biography while also getting a better sense of the stories which remain significant within American science fiction
