Radical Theatrics Craig J. Peariso, 2014-12-01 From burning draft cards to staging nude protests much left wing political activism in 1960s America was distinguished by deliberate outrageousness This theatrical activism aimed at the mass media and practiced by Abbie Hoffman and the Yippies the Black Panthers and the Gay Activists Alliance among others is often dismissed as naive and out of touch or criticized for tactics condemned as silly and off putting to the general public In *Radical Theatrics* however Craig Peariso argues that these over the top antics were far more than just the spontaneous actions of a self indulgent radical impulse Instead he shows they were well considered aesthetic and political responses to a jaded cultural climate in which an unreflective tolerance masked an unwillingness to engage with challenging ideas Through innovative analysis that links political protest to the art of contemporaries such as Andy Warhol Peariso reveals how the put on the signature activist performance of the radical left ended up becoming a valuable American political practice one that continues to influence contemporary radical movements such as Occupy Wall Street

Materializing Queer Desire Elisa Glick, 2010-03-30 How did the queer subject come to occupy such a central and in many respects contradictory place in the modern world of the early twentieth century What role has capitalism played in the development of modern gay and lesbian identities *Materializing Queer Desire* focuses on the figure of the dandy to explore how and why gay and lesbian subjects became heroes of modern life Elisa Glick argues that the gay subject emerged out of the specifically modern capitalist contradiction between the public world of production and industry and the private world of consumption and pleasure Boldly bringing modernism into dialogue with Marxist and queer theory Glick offers an innovative materialist account of modern queer consciousness that challenges tendencies to oppose private eroticism and the systems of value that govern public interests In the process she illuminates the connections between aesthetic sexual and social formations in modern life between modernity's disruptive queer desires and their unfolding in an increasingly rationalized society
