Poppy Penhaligon's Progress:

Poppy Penhaligon's Progress. [read by Julia Franklyn]. Genevieve Lyons,1999 **Whitaker's Books in Print**,1998 Poppy Penhaligon's Progress Genevieve Lyons,1996 Poppy wakes up one morning worrying about her fast approaching 40th birthday but reminds herself she has a great career and a gorgeous husband But by lunchtime she is left with nothing and realises she must discover who she really is and what she wants **Daniella's Decision** Genevieve Lyons,2001 **Forthcoming Books** Rose Arny,1996-06 **National Service Life Stories** Peter Gurney,Matthew Grant,Joel Morley,2025-01-25 National service was a defining feature for a generation of young men in post war Britain Around 2 3 million of them were called up between the end of World War Two and 1963 when conscription ended However national service was forgotten almost before it had ended a process aided subsequently by professional historians who have been reluctant to assess its longer term influence on British social and political history Based on original oral interviews with well over one hundred men this book explores the ways in which compulsory military participation reverberated in the memories of interviewees long beyond the end of conscription and how these early military experiences shaped their later life stores Unlike existing accounts that tend to rely on memoirs written by officers or else oral interviews that concentrate narrowly on the details of military service this study focusses instead on men from working class backgrounds and it situates national service in the context of the life course and the wider transformations that have occurred in British society since conscription ended In so doing the work shines new light on important areas of current scholarly interest and historiographical concern including the changing meaning and experience of class masculinity and citizenship as well as the complexities of popular memory Books in Print ,1974 *The Economist* ,1982 **The Compu-mark Directory of U.S. Trademarks** ,1991
