## **Popular Survey Of The Old Testament:**

*Popular Survey of the Old Testament*, A Dr. Norman Geisler, 2007-09-01 The world of the Old Testament can seem hard to understand especially for people living in times and places so far removed from the ancient Middle East It s not just that we wear different clothes and hold different jobs people in the West just don t have the same history the same culture or the same way of thinking as Old Testament characters like Abraham and David And this disconnect can make studying the Old Testament an arduous and confusing process A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events Illustrated throughout with color photos charts and maps and written in an easy informal style this survey is accessible and enjoyable to Christians of all backgrounds **A Popular**

**The Books of the Old Testament in Your Palm** Ayuba Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does

the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book **The Pentateuch** James E Smith,2006-08

**Where Sin Abounds** Robert R. Gonzales Jr.,2010-01-01 Nearly all scholars divide Genesis into primeval and patriarchal history though they debate the precise point of division One reason advanced to justify the division is a thematic shift In primeval history the narrator focuses on the origin and spread of sin as well as God s consequent curse and judgment on humanity In patriarchal history however the spread of sin theme falls off the radar of most scholars But these analyses of the primeval and patriarchal narratives are simplistic and inaccurate In fact the theme of human sin and the divine curse not only serve as the main themes of the Fall narrative but they also continue to function as major themes in both the primeval and patriarchal narratives that follow More particularly human sin appears to increase at both individual and societal levels Moreover just as the primordial sin threatened to derail the advance of God s kingdom and fulfillment of the creation mandate so the spread of human sin in postlapsarian history threatens to thwart God s redemptive plan which consists in the restoration of his original creational intentions for divine and human eschatological fullness This proves true even in the patriarchal narratives where the sins of God s chosen often threaten the very promise intended for their ultimate good These facts which the author attempts to demonstrate in the monograph not only have important ramifications for the unity of the

Genesis corpus but they also have important implications for the doctrines of sin justification and sanctification *Look Up!* Scott Mohr,2010-12-17 Would you like to grow your awareness of the vastness the majesty and the eternal qualities of our God Would you like that awareness to help you live the abundant life that Christ came to give Look Up will inspire you to see and worship the Savior from a fascinating Old Testament point of view resulting in a heavenward focus on Him for your daily life *Gospel Formed* J.A.
