Population Wars Greg Graffin, 2024-05-01 The evolution lecturer and front man for the punk band Bad Religion discusses how the mainstream view of evolutionary theory has led us astray Population Wars is a paradigm shifting look at why humans behave the way they do and the ancient history that explains that behavior In this eye opening book Greg Graffin points to where the mainstream view of evolutionary theory has led us astray Through tales of mass extinctions developing immune systems human warfare the American industrial heartland and our degrading modern environment Graffin demonstrates how that misunderstanding has allowed humans to justify war even when other solutions may be available Along the way he reveals a paradox When we challenge conventional definitions of war we are left with a new problem how to define ourselves Thomas D. Turner, 2011-05 Duncan an archeologist finds a satellite city of Atlantis inside a mountain After his team excavates the site the archeologist becomes ill and he goes into a coma While unconscious Duncan experiences the last days of the Atlantian Empire In Duncan s adventures he sees the political struggles which lead to the

demise of Atlantis The Atlantians have to fight for their race as their competing empires have different religions politics and greed Honor duty friendship and religion are the only things that can keep them from being completely wiped off the face of the Earth Day gun the Atlantian emperor s son sees what his friends and family will do to for their empire Daygun has to make hard decisions for his homeland When Duncan comes back from his adventures he looks at the world differently In his mind it is not his discovery of the lost city but what he sees in the similarities of today s world Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress.
