[Menu Analysis](#), 1996 **Food Operations Reference Manual** United States. Navy Department. Bureau of Supplies and Accounts, 1964 [Civil War Recipes](#) Lily May Spaulding, John Spaulding, 2014-04-23

Godey's *Lady's Book* perhaps the most popular magazine for women in nineteenth century America had a national circulation of 150,000 during the 1860s. The recipes spelled receipts; it published were often submitted by women from both the North and the South, and they reveal the wide variety of regional cooking that characterized American culture. There is a remarkable diversity in the recipes thanks to the largely rural readership of Godey's *Lady's Book* and to the immigrant influence on the country in the 1860s. Fish and game were readily available in rural America, and the number of seafood recipes testifies to the abundance of the coastal waters and rivers. The country cook was a frugal cook, particularly during wartime, so there are a great many recipes for leftovers and seasonal produce. In addition to a wide sampling of recipes that can be used today, *Civil War Recipes* includes information on Union and Confederate army rations, cooking on both homefronts, and substitutions used during the war by southern cooks.

The youngest of a large Norwegian immigrant family, Gudrun Thue Sandvold was known for her beaming blue eyes and a reserve that gave way to laughter whenever she got together with her sisters. She took immeasurable pride in her children and grandchildren kept an exquisite home and turned the most mundane occasion into a party. And to all who knew her, Gudrun's cooking was the stuff of legend. Part cookbook, part immigrant story, and part family memoir, *Gudrun's Kitchen* features hundreds of Gudrun Sandvold's recipes for comfort food from a time when families and friends gathered at the table and connected with one another every single day. But this book is much more than a guide to Norwegian culinary traditions; it is an important contribution to immigrant history and a vital documentation of our nation's multicultural heritage.
