Empire of Hell Hilary M. Carey, 2019-03-14 Challenges preconceptions of convict transportation from Britain and Ireland penal colonies and religion *The Lost Boys of Mr Dickens* Steve Harris, 2019-08-01 As engrossing as a novel this story of the death of childhood in the cradle of the world's mightiest empire and the atmospheric tale of crime and punishment leading to a sensational murder trial is from another time but implicitly raises questions which remain with us today Steve Harris book humanises a most bizarre social experiment and brings out its grotesqueness in dramatic form The tale is so comprehensively and authentically written that it is a service to Australian and British readers Tom Keneally winner of the Booker Prize and Miles Franklin Award

A Shot of History: Convict Hell David W. Cameron, 2022-07-08 The year 2022 marks the 200th anniversary of the establishment of the penal settlement at Macquarie Harbour This convict penal settlement located on the isolated primeval rugged west coast of Van Diemen's Land Tasmania quickly gained a reputation as an Earthy Hell Colonial historian John West succinctly recorded in 1852 The name Macquarie Harbour is associated exclusively with remembrance of inexpressible depravity degradation and woe Sacred to the genius of torture Nature concurred with the objects of its separation from the rest of the world to exhibit some notion of a perfect misery There man lost the aspect and the heart of man This region is lashed with tempests the sky is cloudy and the

rain falls more frequently than elsewhere In its chill and humid climate animal life is preserved with difficulty half the goats died in one season and sheep perished vegetation except in its coarsest and most massive forms is situated and precarious The passage to this dreary dwelling place was tedious and often dangerous The prisoners confined in a narrow space were tossed for weeks on an agitated sea As they approached they beheld a narrow opening choked with a bar of sand and crossed with peril This they called Hell s Gate not less appropriate to the place than to the character and torment of the inhabitants beyond they saw impenetrable forests skirted with an impervious thicket and beyond still enormous mountains covered with snow which rose to the clouds like walls of adamant every object wore the air of rigour ferocity and sadness This was just the beginning for those sentenced to Macquarie Harbour the barbaric treatment from officials and fellow convicts alike resulted in Macquarie Harbour representing a true convict hell hole not only resulting in murder but in cannibalism by several men in their attempts to escape

Dark Tourism and Crime Derek Dalton, 2014-11-20 Dark tourism has become widespread and diverse It has passed into popular culture vernacular deployed in guide books as a short hand descriptor for sites that are associated with death suffering and trauma However whilst books have been devoted to dark tourism as a general topic no single text has sought to explore dark tourism in spaces where crime mass murder genocide State sanctioned torture and violence has occurred as an organising theme Dark Tourism and Crime explores the socio cultural contours of this unique type of tourism and explains why spaces places where crime has occurred fascinate and attract tourists The book is marked by an ethics of respect for the suffering a place has experienced and an imperative to learn something tangible about the history and legacy of that suffering Based on empirical ethnographic research it takes the reader from the remnants of Auschwitz concentration camp to the tranquil Australian island of Tasmania to explore precisely what things a dark tourist might encounter
