Research Libraries, 1979 **The Insurance Year Book...**, 1916 The Spectator Insurance Year Book, 1915 *The Radical Middle Class* Robert D. Johnston, 2013-10-31 America has a long tradition of middle class radicalism albeit one that intellectual orthodoxy has tended to obscure The Radical Middle Class seeks to uncover the democratic populist and even anticapitalist legacy of the middle class By examining in particular the independent small business sector or petite bourgeoisie using Progressive Era Portland Oregon as a case study Robert Johnston shows that class still matters in America But it matters only if the politics and culture of the leading player in affairs of class the middle class is dramatically reconceived This book is a powerful combination of intellectual business labor medical and above all political history Its author also humanizes the middle class by describing the lives of four small business owners Harry Lane Will Daly William U Ren and Lora Little Lane was Portland s reform mayor before becoming one of only six senators to vote against U S entry into World War I Daly was Oregon s most prominent labor leader and a onetime Socialist U Ren was the national architect of the direct democracy movement Little was a leading antivaccinationist The Radical Middle Class further explores the Portland Ku Klux Klan and concludes with a national overview of the American middle class from the Progressive Era to the present With its engaging narrative conceptual richness and daring argumentation it will be welcomed by all who understand that reexamining the middle class can yield not only better scholarship but firmer grounds for democratic hope **Dictionary Catalog of the Art and Architecture Division** New York Public Library.
