*The Portrait of the Lover* Maurizio Bettini, 2023-12-22 There are a surprising number of stories from antiquity about people who fall in love with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on this literary theme Maurizio Bettini moves into a wide ranging consideration of the relationship between self and image the nature of love in the ancient world the role of representation in culture and

more Drawing on historical events and cultural practices as well as literary works The Portrait of the Lover is a lucid excursion into the anthropology of the image The majority of the stories and poems Bettini examines come from Greek and Roman classical antiquity but he reaches as far as Petrarch Da Ponte and Poe The stories themselves ranging from the impassioned to the bizarre and from the sublime to the hilarious serve as touchstones for Bettini s evocative explorations of the role of representation in literature and in culture Although he begins with a consideration of lovers portraits Bettini soon broadens his concerns to include the role of shadows dreams commemorative statues statues brought to life and vengeful statues in short an entire range of images that take on a life of their own The chapters shift skillfully from one theme to another touching on the nature of desire loss memory and death Bettini brings to the discussion of these tales not only a broad learning about cultures but also a delighted sense of wonder and admiration for the evocative power and endless variety of the stories themselves There are a surprising number of stories from antiquity about people who fall in love with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on Reading Dreams Derek S. Dodson,2009-06-25 Dodson reads the dreams in the Gospel of Matthew 1 18b 25 2 12 13 15 19 21 22 27 19 as the authorial audience This approach requires an understanding of the social and literary character of dreams in the Greco Roman world Dodson describes the social function of dreams noting that dreams constituted one form of divination in the ancient world and looks at the theories and classification of dreams that developed in the ancient world He then moves on to demonstrate the literary dimensions of dreams in Greco Roman literature This exploration of the literary representation of dreams is nuanced by considering the literary form of dreams dreams in the Greco Roman rhetorical tradition the inventiveness of literary dreams and the literary function of dreams The dreams in the Gospel of Matthew are then analyzed in this social and literary context It is demonstrated that Matthew s use of dreams as a literary convention corresponds to the script of dreams in other Greco Roman narratives This correspondence includes the form of the Matthean dreams dreams as a motif of the birth topos 1 18b 25 the association of dreams and prophecy 1 22 23 2 15 23 the use of the double dream report 2 12 and 2 13 15 and dreams as an ominous sign in relation to an individual s death 27 19 An appendix considers the Matthean transfiguration as a dream vision report Dreams And Premonitions Vikas Khatri,2006-07-05 Some dreams and premonitions are prophetic They came true in the life of many eminent world personalities like Julius Caesar Abraham Lincoln Adolf Hitler Mark Twain H G Wells and John Lennon foretelling death calamities and disasters with pin point accuracy Thus to discount them as being coincidental is not only preposterous but also defying divinity The present book turns the spotlight on a wide range of dreams and extra sensory perceptions covering wars crimes discoveries and murders Soulful Reflections: Poems for Spouse Hseham Amrahs,2025-02-04 Soulful Reflections Poems for Spouse celebrates love within marriage capturing its joys challenges and transformative power This heartfelt collection explores passion companionship and devotion through
