Portrait Of The Ozarks:

Portrait of the Ozarks David Fitzgerald, Clay Anderson, 1995 Fitzgerald's spectacular photographs reveal the remarkable beauty and rich history found in places such as Big Spring and the Pea Ridge Battlefield and celebrate the life and culture of this fascinating region

Up South in the Ozarks Brooks Blevins, 2023-02 Up South in the Ozarks Dispatches from the Margins is a collection of essays from Brooks Blevins that explore southern history and culture using the author's native Ozarks region as a focus From migrant cotton pickers and fireworks peddlers to country store proprietors and shape note gospel singers Blevins leaves few stones unturned in his insightful journeys through a landscape wedged betwixt and between the South and the Midwest and grasping for the West to boot

A History of the Ozarks, Volume 3 Brooks Blevins, 2021-12-14 Between the world wars America embraced an image of the Ozarks as a remote land of hills and hollers The popular imagination stereotyped Ozarkers as ridge runners hillbillies and pioneers a cast of colorful throwbacks hostile to change But the real Ozarks reflected a more complex reality Brooks Blevins tells the cultural history of the Ozarks as a regional variation of an American story As he shows the experiences of the Ozarkers have not diverged from the currents of mainstream life as sharply or consistently as the mythmakers would have it If much of the region seemed to trail behind by a generation the time lag was rooted more in poverty and geographic barriers than a conscious rejection of the modern world and its progressive spirit In fact the minority who clung to the old days seemed exotic largely because their anachronistic ways clashed against the backdrop of the evolving region around them Blevins explores how these people's disproportionate influence affected the creation of the idea of the Ozarks and reveals the truer idea that exists at the intersection of myth and reality The conclusion to the acclaimed trilogy The History of the Ozarks Volume 3 The Ozarkers offers an authoritative appraisal of the modern Ozarks and its people
