singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide

The Critics and Hemingway, 1924-2014 Laurence W. Mazzeno, 2015 Traces Hemingway's critical fortunes over the ninety years of his prominence telling us something about what we value in literature and why scholarly reputations rise and fall Hemingway burst on the literary scene in the 1920s with spare penetrating short stories and brilliant novels Soon he was held as a standard for modern writers Meanwhile he used his celebrity to create a persona like the stoic macho heroes of his fiction After a decline during the 1930s and 1940s he came roaring back with *The Old Man and the Sea* in 1952 Two years later he received the Nobel Prize While his popularity waxed and waned during his lifetime Hemingway's reputation among scholars remained strong as long as traditional scholarship dominated New approaches beginning in the 1960s brought a sea change however finding grave fault with his work and making him a figure ripe for vilification Yet during this time scholarship on him continued to appear His works still sell well and several are staples on high school and college syllabi A new scholarly edition of his letters is drawing prominent attention and there is a resurgence in scholarly attention to and approbation for his work Tracing Hemingway's critical fortunes tells us something about what we value in literature and why reputations rise and fall as scholars find new ways to examine and interpret creative work Laurence W Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson Updike and Matthew Arnold for Camden House's Literary Criticism in Perspective series

Ernest Hemingway Keith Ferrell, 2014-03-24 Ernest Hemingway was one of the most controversial and admired writers of his time This biography covers his life from his childhood in Oak Park Illinois to his suicide in 1961 It offers a sympathetic portrait of a brilliant artist and a complex individual a private man who led a very public life Hemingway's formal education ended after high school when the ambitious young writer went off to work for The Kansas City Star Eager to see the war he volunteered for ambulance corps duty in Italy during World War I Some of his most exciting and productive years were spent in postwar Paris living among a group of writers and artists from around the world

In the 1930s Hemingway became as famous for his personality as for his writing and he spent more of his time hunting and fishing competitively. But when war broke out in his beloved Spain he went to serve as a correspondent on the loyalist side. In 1940 his novel *For Whom the Bell Tolls* based on his wartime experiences was published to critical acclaim and financial success. World War II found Hemingway working as a correspondent once again and prone to fighting and drinking. Despite this decline he wrote *The Old Man and the Sea* which celebrated the courage of an aged Cuban fisherman and went on to win the Nobel Prize for literature in 1954. Keith Ferrell conveys the scope of Hemingway's achievement as a writer and gives a vivid portrait of one of America's finest authors. *The Letters of Gertrude Stein and Carl Van Vechten, 1913-1946* Gertrude Stein, Carl Van Vechten, 2013. This monumental collection of correspondence between Gertrude Stein and critic, novelist, and photographer Carl Van Vechten provides crucial insight into Stein's life, art, and artistic milieu, as well as Van Vechten's support of major cultural projects such as the Harlem Renaissance. From their first meeting in 1913, Stein and Van Vechten formed a unique and powerful relationship, and Van Vechten worked vigorously to publish and promote Stein's work. Existing biographies of Stein, including her own autobiographical writings, omit a great deal about her experiences and thoughts. They lack the ordinary detail of what Stein called daily, everyday living: the immediate concerns, objects, people, and places that were the grist for her writing. These letters not only vividly represent those details but also showcase Stein and Van Vechten's private selves as writers. Edward Burns's extensive annotations include detailed cross-referencing of source materials.

Ernest Hemingway Audre Hanneman, 2015-12-08. This bibliography of Hemingway's writings and related materials includes for the first time all of his books, pamphlets, stories, articles, newspaper contributions, juvenilia, library holdings, of his letters, and manuscripts, items written about Hemingway between 1918 and 1965, and short excerpts from reviews of each of Hemingway's novels. It is the first bibliography of Hemingway published since 1931 and includes much material never before assembled: thirty-eight contributions to his high school newspaper *Trapeze*; twenty-eight Spanish Civil War dispatches and first editions published in some thirty foreign languages; first editions of books and pamphlets, both American and English, with bibliographic descriptions are given. Originally published in 1967, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
