stereotypes Looking at both European and American travelers accounts of the West from de Tocqueville's Democracy in America to William Least Heat Moon's Blue Highways David Wrobel offers a counter narrative to the nation's romantic entanglement with its western past and suggests the importance of some long overlooked authors lively and perceptive witnesses to our history who deserve new attention Prior to the professionalization of academic disciplines the reading public gained much of its knowledge about the world from travel writing Travel writers found a wide and respectful audience for their reports on history geography and the natural world in addition to reporting on aboriginal cultures before the advent of anthropology as a discipline Although in recent decades western historians have paid little attention to travel writing Wrobel demonstrates that this genre in fact offers an important and rich understanding of the American West one that extends and complicates a simple reading of the West that promotes the notions of Manifest Destiny or American exceptionalism Wrobel finds counterpoints to the mythic West of the nineteenth century in such varied accounts as George Catlin's Adventures of the Ojibbeway and Ioway Indians in England France and Belgium 1852 Richard Francis Burton's The City of the Saints 1861 and Mark Twain's Following the Equator 1897 reminders of the messy and contradictory world that people navigated in the past much as they do in the present His book is a testament to the instructive ways in which the best travel writers have represented the West

Keating, 2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path provided for us by God Such a sojourn will surely be marked by joy suffering uncertainty and above all adventure Accordingly The Adventure of Discipleship presents the Gospel through the lens of great adventure stories from J R R Tolkien's The Lord of the Rings and C S Lewis's Chronicles of Narnia to popular adventure movies comic book superheroes and TV series While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship they provide us with genuine insight into life with Christ Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us Along the way of discipleship we come to understand the cost of following Jesus the importance of hope in light of setbacks and the gift of true friendship in this great adventure
