## **Portraits Of An Artist A Casebook On James Joyce<sup>39s</sup> By Morris W E:**

Portraits of an Artist William E. Morris, 2003-01-01      Portraits of an Artist William E. Morris, Clifford A. Nault, 1962 The following collection makes no attempt to exhaust the possibly inexhaustible variety of Joyce's novel. Indeed, a casebook many times the length of this one, which included selections from the entire bibliography, could scarcely do that. On the other hand, the collection does provide expert guidance into portions of the Joycean labyrinth and any number of threads the reader can follow to take him where they will. Rather than an end in itself, the text is intended as no more than a starting point or shifting the metaphor as a skeletal frame upon which the attentive reader can and should construct his own interpretations.
