Why Everything That Doesn't Matter, Matters So Much Andi Ashworth, Charlie Peacock, 2024-03-12 A hopeful and practical model for what it means to be a Christian and a culture maker in a world of hurt and wondrous possibility from multi Grammy winner Charlie Peacock and his wife and author Andi Ashworth Do you feel powerless and overwhelmed by the pain and suffering all around you Have you ever asked What can I do to mend the world my family or my own life And if I could why bother Does my own small part even matter If so here comes hope from two guides who are further down the road Charlie and Andi have written a collection of letters to Christians and spiritual seekers who think deeply and care acutely about the state of the world and their personal spheres of influence In *Why Everything That Doesn't Matter Matters So Much* beloved and trusted mentors Charlie and Andi offer you Thought provoking explorations into the many facets of Christian culture care and making from the kitchen to Carnegie Hall Practical guidance for how to care for and improve the quality of human life locally and globally no matter your vocation A theology of imagination and creativity that provides a framework for all of life A model for expressing love in marriage friendship citizenship and every kind of work even in the midst of cynicism fear exhaustion and oppression It might be said of Christians that our lives are either moving in the direction of the redemption Jesus has on offer or away from it Each of these letters is a gentle nudge in the direction of God's powerfully ordinary purpose for each of us no matter what the future holds to participate fully in the beautiful redemptive work of Christ
