Psychology Library Editions: Social Psychology Various,2021-07-09 Psychology Library Editions Social Psychology 30 volume set brings together an eclectic mix of titles from a wealth of authors with diverse backgrounds seeking to understand human behaviour and interaction from a socio psychological perspective The series of previously out of print titles originally

published between 1908 and 1993 includes those from some authors considered to be founders of social psychology and traces the development of the subject from its early foundations Understanding Sex and Relationship Education, Youth and Class S. Elley, 2013-10-04 This book sets out an original Youth Work based SRE programme and explores how a range of socioeconomic cultural and sexual norms values and attitudes differently shape decision making on sex intimacy and future plans across different contexts *Disciplinary and Dissent in Cultural Studies* Cary Nelson, Dilip Gaonkar, 2013-10-28 First published in 1996 As recently as the early 1990s people wondered what was the future of cultural studies in the United States and what effects its increasing internationalization might have What type of projects would cultural studies inspire people to undertake Would established disciplines welcome its presence and adapt their practices accordingly *Disciplinary and Dissent in Cultural Studies* answers such questions It is now clear that while striking and innovative work is underway in many different fields most disciplinary organizations and structures have been very resistant to cultural studies Meanwhile cultural studies has been subjected to repeated attacks by conservative journalists and commentators in the public sphere Cultural studies scholars have responded not only by mounting focused critiques of the politics of knowledge but also by embracing ambitious projects of social political and cultural commentary by transgressing all the official boundaries of knowledge in a broad quest for cultural understanding This book tracks these debates and maps future strategies for cultural studies in academia and public life The contributors to *Disciplinary and Dissent in Cultural Studies* include established scholars and new voices In a series of polemic and exploratory essays written especially for this book they track the struggle with cultural studies in disciplines like anthropology literature and history and between cultural studies and very different domains like Native American culture and the culture of science Contributors include Arjun Appadurai Michael Denning Lawrence Grossberg Cary Nelson Constance Penley Andrew Ross and Lynn Spigel **Readings in Sexualities from Africa** Rachel Spronk, Thomas Hendriks, 2020-02-04 Images and stories about African sexuality abound in today's globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide though the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and bio politics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective Condoms and Sexually Transmitted Diseases ... Especially AIDS. , 1990 The Family Guide to Sex and Relationships Richard Walker, 1996

Beginning with the question What is sex The Family Guide to Sex and Relationships covers the entire spectrum of human sexuality and relationships between the sexes Here are clear explanations of every sexual topic from gender identification to adolescent hormonal changes from the mechanics of sex to sexual dysfunction and STDs from menstruation to menopause female and male Ideal for parents wanting to talk to their children about sex or for anyone with any sex related questions this comprehensive reference takes the reader through the entire life cycle from birth to old age Many topics have special resonance for today including single parenting divorce the risks posed by HIV and AIDS contraception teenage pregnancy gay and lesbian parenting and sexual offenses such as harassment rape and child abuse More than 300 color photographs illustrations and diagrams complement the text throughout

Gay and Lesbian Activism in the Republic of Ireland, 1973-93 Patrick McDonagh,2021-10-07 This thematically arranged study traces the emergence of visible gay and lesbian communities across the Republic of Ireland and their impact on public perceptions of homosexuality Along the way it explores the critical and hidden activism of lesbian women the role of rural provincial activists the importance of

interactions with international gay and lesbian organisations and the extent to which HIV and AIDS impacted the gay rights campaign *Gay and Lesbian Activism in the Republic of Ireland 1973-93* focuses in particular on activists efforts to engage with the different religious organisations in Ireland the Trade Union movement Irish political parties and the media and how these efforts in turn shaped the strategies and activities of gay and lesbian organisations McDonagh argues that gay and lesbian activists mounted an effective campaign to improve both the legal and social climate for Ireland's gay and lesbian citizens In doing so gay and lesbian individuals were important agents of social and political change in the Republic of Ireland in the period from the 1970s to the early 1990s particularly in relation to Irish sexual mores The book also helps to contextualise the changes in perceptions of homosexuality that have taken place in recent years and encourages scholars of Irish history to further explore the contribution of Ireland's LGBTQ community in transforming Irish society in the 20th and 21st centuries
