Howard Murphet, 1993-10-01 Wonderful introduction talks about having a relationship with such a person as Sai Baba using Sai forms and Sai teachings working with meditation Sai Baba and Christ Sai Baba and Islam Sai Baba and Buddhism and the divine mystery **The Life And Teachings Of Sai Baba Of Shirdi** Antonio

Rigopoulos, 1993-01-01 A vast and diversified religious movement originating from Sai Baba of Shirdi is often referred to as the Sai Baba movement Through the chronological presentation of Sai Baba s life light is shed on the various ways in which the important guru figures in this movement came to be linked to the saint of Shirdi **Sri Sathya Sai Baba** Bill

Aitken, 2006-07 Acclaimed travel writer and self described spiritual nomad Bill Aitken tells us why so many royalty wealthy industrialists influential politicians as well as the poor flock to Puttaparthi Sai Baba s message he reveals can be summed up in one word love It is as simple as it is profound not unlike how his devotees see the Sai himself the embodiment of deep spirituality wedded to simplicity elegance and grace Yet the Sai phenomenon is less about producing vibhuti from thin air and more about modern day miracles miracles like free schools and universities super speciality hospitals which provide free treatment to all and revolutionary projects like the one which has brought drinking water to a million villagers in drought prone Rayalseema Aitken s study is neither a hagiographic exercise in myth making nor a dry objective account of the Sai s life While never shy of expressing his deep love and reverence for Sai Baba he squarely confronts the controversies and criticisms which inevitably dog those who claim acquaintance with the holy **The Hagiographer and the Avatar** Antonio

Rigopoulos, 2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba

The guru's hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948. The two lived together at the guru's hermitage more or less continuously from 1954 up until Kasturi's death in 1987. Despite Kasturi's influential hagiography *Sathyam Sivam Sundaram*, little scholarly attention has been paid to the hagiographer himself and his importance to the movement. In detailing Kasturi's relationship to Sathya Sai Baba, Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself. Rather, his discourses with the holy man had a reciprocal and reinforcing influence, resulting in the construction of a unified canon. Furthermore, Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers. Drawing on years of research on the movement as well as interviews with Kasturi himself, this book deepens our understanding of this important pan-Indian figure and his charismatic religious movement.

**Dattātreya: The Immortal Guru, Yogin, and Avatāra** Antonio Rigopoulos, 1998-04-02 This book presents the multi-faceted Hindu deity Dattatreya from his Puranic emergence up to modern times. Dattatreya's Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava and Saiva motifs. Over the course of time, Dattatreya has come to embody the roles of the immortal guru, yogin, and avatara in a paradigmatic manner. From the sixteenth century, Dattatreya's glorious characterization emerged as the incarnation of the trimurti of Brahma, Visnu, and Siva. Although Maharashtra is the heartland of Dattatreya devotion, his presence is attested to throughout India and extends beyond the boundaries of Hinduism, being met with in Sufi circles and even in Buddhism and Jainism via Nathism. The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability. Devotion to Dattatreya cuts through all social and religious strata of Indian society. Among his adepts, we find yogis, Brahmins, faqirs, Devi worshippers, untouchables, thieves, and prostitutes. This book explores all primary religious dimensions: myth, doctrine, ritual, philosophy, mysticism, and iconography. The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality. Precisely this complexity of themes constitutes Dattatreya's uniqueness.

**Winged Faith** Tulasi Srinivas, 2010-06-10 The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices, Buddhist, Christian, and Zoroastrian influences, and New Age style rituals and beliefs. Shri Sathya Sai Baba, its charismatic and controversial leader, attracts several million adherents from various national, ethnic, and religious backgrounds. In a dynamic account of the Sathya Sai movement's explosive growth, *Winged Faith* argues for a rethinking of globalization and the politics of identity in a religiously plural world. This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation. It considers how acts of sacred spectating and illusion, moral stakeholding, and the problems of community are debated and experienced. A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being, circuits of sacred mobility, and the politics of affect, *Winged Faith* suggests new methods for discussing religion in a globalizing world and introduces readers to

an easily critiqued yet not fully understood community      **TRANSFORMING HUMANITY** Dinesh Chandra Bhargava, About the Book First I give you what you want so that gradually you will want what I have really come to give you Liberation itself The vast number of visitors from all over the world from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man Sri Sathya Sai Baba the Avatar of the present Age Royalty Heads of State Politicians Industrialists Judges Priests Doctors Army Generals Scientists Actors Cricketers Teachers Students General Public all congregate at this Abode of Supreme Peace His Ashram resembles a mini United Nations of spiritual seekers with groups of foreign devotees wearing different coloured scarves for country wise identification The book contains dramatic eye witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba s Ashram Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form The miracles of Krishna and Jesus must be taken on trust and faith those of Sri Sathya Sai Baba you can see for yourself The author describes the various ways how Sri Sathya Sai Baba is transforming humanity discusses the factors on which his devotees base their belief in him outlines his Mission and explains how he is achieving it The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now Sathya Sai Baba s Mission starts with nothing less than the transformation of humanity to reinstate the supremacy of the spirit over matter and offer liberation itself Sathya Sai Baba is short in stature has a huge halo of hair on his head wears an orange robe walks as though his feet are gliding on the floor displays a majestic grace works all day long but at the same time maintains an austere life style He is a fountain of knowledge although he has never read any books he speaks in the most profound way with remarkable clarity and spontaneity as he has no need to think he always gives discourses impromptu as he has no need of any notes or preparation he replies to searching questions by scientists theologians and other intellectuals with a ready and spontaneous answer on any subject This Avatar never engages in any spiritual practice does no Japa or reciting the holy name no Dhyana or meditating and no Yoga practising union with God He knows no worship or prayer for He is the Highest He only teaches you to worship and pray The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards The Avatar by contrast is already born fully divine and descends downwards His humanitarian projects are unique like his Schools and Universities that provide free education world class Super Specialty Hospitals in rural areas that provide free treatment to one and all and massive water systems that provide drinking water to millions of people in drought prone districts all established in record time Sathya Sai Baba s Global Education Programme based on human values aims to bring about worldwide social transformation reduce strife and turmoil and unite mankind to live as one family in peace and harmony The author describes the worldwide Sai Movement with special reference to Latin America where the Sai Spirit has spread like wild fire crossing the barriers of language religion and culture      **Inner Dialogue with Sai Baba** Geesje Lunshof, Even Though The Writer Addresses Sai Baba This Book Is
