Enric Rosello,2018-04-24 Restoring a fibreglass yacht is not something for the faint hearted even if you don t intend to do all the work yourself you still need to understand the processes to be gone through But the satisfaction of the job well done not to mention the possible cost savings on buying a new yacht are immense Nevertheless it is not something that should be undertaken lightly and without careful consideration That is where this book comes in as Enric Rosell takes you through his restoration of a 30 year old 40 foot yacht Broken down into 46 chapters Enric details the stages of his restoration in chronological order For each he starts with an overview of the task and the thinking behind the approach he took Just these introductory pieces alone are ideal for someone contemplating a restoration of all or part of a boat to read before making the final decision as to whether to go ahead For those who decide to take on the challenge each overview is followed by an in depth step by step account of what they did accompanied by numerous informative photo sequences with over 800 colour photos in total The material in this book would be invaluable both to boat owners who are considering a complete overhaul and to those who have one or two smaller jobs to do All possible subjects are covered including dealing with osmosis the interiors deck rigging electrics and electronics plumbing engine galley heads and much more The author is very honest about the amount of work and commitment required and also offers advice about when to call in the professionals and when to

consider doing the work yourself Anyone contemplating a complete or partial restoration is advised to read this book beforehand so you know what is ahead and to follow its guidance if you decide to proceed **Diesels Afloat** Callum Smedley, Pat Manley, 2022-03-01 Diesel engines are installed in just about every yacht and in most large motorboats and while professional help is often at hand sometimes it is not Indeed engine failure is one of the most frequent causes of RNLI launches This book explains how to prevent problems troubleshoot and make repairs using safe techniques It could also help you save money on expensive bills for yard work you could do yourself Diesels Afloat covers everything from how the diesel engine works to engine electrics from fault finding to out of season layup With this guide and your engine's manual you can get the best performance from your boat's engine and be confident in dealing with any problem The book covers the syllabus of the RYA Diesel Engine and MCA Approved Engine AEC 1 courses This edition has been thoroughly modernised and updated by former course lecturer and currently chief engineer on merchant ships Callum Smedley *Cruising World*, 1984-01 **Skipper's Mast and Rigging Guide** Rene Westerhuis, 2013-05-10 The Skipper's Mast and Rigging Guide is a new title in our popular series of cockpit guides that are designed for easy reference on board in all weather conditions Of all the elements that are hard to set up on a sailboat gauging how mast running rigging and standing rigging should work in combination with each other is perhaps the trickiest of arts some might call it a black art And of course it is essential to get it right in order to stabilise the mast reduce undue stress and consequently ensure the safety of everyone on board This handy cockpit guide will simplify and explain to the reader exactly how to set up their mast rigging and running rigging for whatever size of yacht and with whatever rig combination It will take the reader through the basics of setting up and adjusting their rig step by step with helpful diagrams and detailed colour photographs throughout With this book in one hand and a spanner in the other skippers will be able to make their own adjustments without having to call in expensive riggers

Temple to the Wind Christopher L. Pastore, 2023-12-21 In 1903 racing for the America's Cup was no longer a gentleman's game it had become a race entangled with political tension and awesome dangerous stakes In this pivotal year the two great rivals Britain and America raced head to head with Britain determined to win with their privately funded Shamrock III and America's bravado backed up by Reliance Reliance was a yacht like no other a work of beauty carrying more sail than any single masted boat before Some believed that the boat towering 190 feet above the water was simply too dangerous but the race called for such staggering risk Pastore brings life to this strikingly astounding vessel from conception to construction to the hair raising trials at sea It is simply one of the most exciting sea tales ever told **My Life in a Blue Suit** Jim Saltonstall, 2022-03-03 At five out of the last six Olympic Games team GBR has been the top nation in sailing a result of strong leadership from the Royal Yachting Association and very talented sailors and coaches But Barry Pickthall formerly the Yachting Correspondent of The Times observes If one man deserves recognition for Britain's remarkable success within the sailing Olympic arena it is Jim Saltonstall the coach who has cajoled encouraged and inspired so many youngsters towards

world stardom over the past 3 decades This is the story of Jim Saltonstall and his contribution to the success of British sailing It starts in his home county of Yorkshire and the seaside town of Bridlington where he learnt to sail It goes through his experiences in the Royal Navy which he joined aged 15 with tours all around the world but particularly sailing with the Royal Navy team and becoming the Royal Navy Sailing Coach This led to his appointment as the first RYA National Yacht Racing Coach the development of the GBR Race Training Scheme and in due course great success at youth world and Olympic levels The 31 Olympic medals won by the 19 sailors who give glowing praise to Jim in the Foreword confirms his contribution to this success Jim retired from his Team GBR role in 2000 after the Sydney Olympics but it is a testimony to him that two of the gold medallists from Tokyo 2020 which took place in 2021 in elite sports a lifetime since Jim retired credit him in their success saying he was a huge inspiration and they couldn't help be motivated by him On top of twice winning the Yachting Journalists Association Yachtsman of the Year Award 1984 and 1995 Jim was awarded the Lifetime Achievement Award at the 2022 British Yachting Awards The story is told as modestly as a Yorkshireman can and is interspaced with tales of cars car journeys and one or two parties Jim also takes time out of the story to give his thoughts on all aspects of youth training competing internationally and coaching Anyone involved in race training will benefit from the wisdom he provides in these pieces

Thank you very much for reading **Sail Rig Tuning**.
