Sailing All Seas In The Idle Hour:

Sailing All Seas in the Idle Hour Dwight Long, 1974 **Seven Seas on a Shoestring** Dwight Long, 1942 **Sailing All Seas in the Idle Hour ... With a Preface by Alan Villiers** Dwight LONG, 1950 **View from the Top of the Mast** Bungy Hedley, 2008-11

View From the Top of the Mast is a true story of the adventures of a young gal who broke the stereotyped mold of the all male world in the late 1940s and 50s by crewing on sailboats from California to Hawaii Tahiti and points beyond She bought her first sailboat by weaving coconut palm hats at luaus Lady Weldon Hedley aka Bungy as in bungee jumping was raised in California right by the sea where the sparkling blue Pacific was her private swimming pool With her famous beachcombing dad the family combed beaches from Mexico to Oregon Many celebrities visited their home which was constructed from driftwood She met Gary Cooper Jimmy Stewart waltzed with Rudy Vallee and was escorted to her senior prom by Raymond Burr She even played a joke on Humphrey Bogart View From the Top of the Mast is a humorous tale of Bungy's first twenty two years of over seven decades of a life filled with the joy of living Bungy says this book is dedicated to the reader who has a certain sense of adventure that is crying to get out Buy it You won't regret it In the Wake of Heroes Tom Cunliffe, 2015-09-10 Tom Cunliffe is one of the biggest names in the sailing world an internationally renowned journalist and speaker and the go to guru when the BBC wants a presenter for a new TV series about maritime interests For the last ten years he has edited the Great Seamanship column of Yachting World magazine Each column features an extract from a classic yachting book that covers an aspect of great seamanship Tom introduces each extract by giving insightful background on the writer their book and what makes their experience so worth reading about and learning from This book comprises Tom's 40 favourite extracts and covers the entire scope of yachting concerns from small boat handling to yacht racing to long distance cruising and exploring Introduced in Tom's quintessential lively engaging fashion and illustrated with photos both from the original books and Tom's own archives this beautifully packaged book contains a wealth of yachting wisdom and is a collection to be treasured **Sailing Alone** Richard J. King, 2024-05-21 2024 National Outdoor Book Award Silver Medal Winner A masterfully curated collection You don't have to be a sailor to be blown away by this fascinating bighearted book Nathaniel Philbrick author of In the Heart of the Sea Travels with George and Second Wind A story as vast and exhilarating as the open ocean itself SAILING ALONE chronicles the daring disastrous and often absurd history of those who chose to sail across the ocean in very small boats alone Sailing by yourself out of sight of land can be invigorating and terrifying compelling and tedious and sometimes all of the above in one morning But it is also a wide expanse of time in which to think Sailing Alone tells the story of some of the remarkable people who over the last four centuries have spent weeks and months moving slowly over the world's largest laboratory a capricious and startling place in which to observe oneself the weather the stars and countless sea creatures from the tiniest to the most massive and threatening Richard J King profiles characters famous diverse international and obscure from Joshua Slocum of 1898 to modern teenagers daring to take the challenge They

see strange hallucinations lie to us and themselves on their travel logs encounter sharks befriend birds and experience ESP all part of the unnerving reality of extended isolation And some disappear altogether Sailing Alone also recounts the author's own nearly catastrophic solo crossing of the Atlantic and the mystery of his inexplicable survival one sunny afternoon An enormously engaging new book for skippers and armchair voyagers alike **The Hitchhiker's Guide to the Oceans** Alison Muir Bennett, 2013-08-22 What better way of travelling the world than by crewing on a yacht The Hitchhiker's Guide to the Oceans is ideal for crew pre planning and for skippers seeking crew It is packed with practical information from how to find a crew position what to expect from different kinds of skipper how to be in the right place at the right time where the yachts gather and when to rally locations how to maximise your chances of being taken on as crew what will be expected of you as crew and job opportunities along the way Unique yacht migration maps show where the seasonal bottlenecks occur and help pinpoint the best places and times of year to gain a crew place This sixth edition with fully updated information and website addresses as well as a new colour section will be welcomed by all aspiring yacht crew and also as a skipper's reference Packed with all the information you'd need to find a crewing position an invaluable guide to crewing anywhere in the world Yachting Monthly Valuable for the first timer and useful for skippers and their potential crew Classic Boat *Sailing and Social Class* Alan O'Connor, 2024-04-23 This book explores the sociology of sailing and yachting Drawing on original research and employing a theoretical framework based on the work of Pierre Bourdieu the book argues that sailing is still an upper middle class activity that has much to tell us about the wider sociology of leisure and sport The book examines the historical foundations of blue water sailing as established by naval and colonial shipping to trace the roots of contemporary sailing and yachting culture It also examines archives of sailing narratives and cruising guides as well as the children's books of Arthur Ransome arguing that this archival material offers a social rather than a psychological interpretation of the bodily investment in sailing The book uses Bourdieu's concepts of *illusio* an investment of time emotion and body into a worthwhile activity and *habitus* or lifeworld alongside contemporary data sets to examine the yacht club as a social institution including why many boats never go out on the water the relationship between yacht clubs and the state and social issues as manifested in yacht clubs such as sexism racism and homophobia Offering a vigorous sociological critique of yachting and sailing this book is fascinating reading for anybody with an interest in the sociology of leisure and sport subcultures social theory or social issues in wider society **Leeteg** CJ Cook, 2021-06-15 Labeled e Leeteg the Legende by James Michener and Often Called the e American Gauguine Edgar Leeteg was the father of black velvet art and the genesis of a genre continuing today with the tiki and Polynesian pop art movement nearly 70 years later Describing himself as a e fornicating gin soaked dope head e Leeteg took on the elite of the art establishment of Honolulu Academy of Arts in 1938 and shamed them in the press Always the shrewd promoter and a creative genius Edgar Leeteg possessed many titles astounding fans and antagonizing critics His insatiable lust for life led the author James Michener to label him e Leeteg the Legende in his book *Rascals in Paradise* 1957

This is a biography of the artist Leeteg who left California in 1933 bound for the South Pacific His home in Tahiti allowed him to paint nudes drink and party with sensual vahines from the beaches to the bars of Tahiti He was a wealthy artist and legend in his lifetime a goal few can achieve e Cook s work is entertaining and knowledgeable The breadth of its featured cast quotes and remembrances make this biography lively Tahiti its people roistering ex pats and luminous landscapes vibrate like personal memories Leeteg s landscapes appear alongside Paul Gauguin s questions the fine and arbitrary line that separates e populare art from work acclaimed e great e Foreword Reviews *The English Catalogue of Books Published from January, 1835, to January, 1863*, 1864 *On Sailing the Sea* Hilaire Belloc, 1951 **Augustus** John Buchan, 2020-09-17 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork
