entertaining travel narratives of all time Setting off alone from Boston aboard the thirty six foot wooden sloop Spray in April 1895 Captain Slocum went on to join the ranks of the world s great circumnavigators Magellan Drake and Cook But by circling the globe without crew or consorts Slocum would outdo them all his three year solo voyage of more than 46 000 miles remains unmatched in maritime history for its courage skill and determination Sailing Alone around the World recounts Slocum s wonderful adventures hair raising encounters with pirates off Gibraltar and savage Indians in Tierra del Fuego raging tempests and treacherous coral reefs flying fish for breakfast in the Pacific and a hilarious visit with fellow explorer Henry Stanley in South Africa A century later Slocum s incomparable book endures as one of the greatest narratives of adventure ever written Sailing Alone Around the World J. Slocum,1962 Sailing Alone Around the World Slocum Joshua,2014-05-19 As the first person to ever complete a single handed circumnavigation of the globe Joshua Slocum recounts his pioneering feat in Sailing Alone Around the World 1899 an engaging memoir of his adventures aboard the sloop Spray An immediate success the book has inspired countless later travelers Slocum a master of understating his achievements rebuilt the derelict sloop Spray between 1893 and 1894 and set off on his voyage in April 24 1895 His voyage generated much publicity at the time and he was awaited by eager supporters at many of his ports of call **Sailing Alone Around the World** Captain Joshua Slocum,2015-07-30 Sailing Alone Around the World by Captain Joshua Slocum Illustrated by Thomas Fogarty and George Varian Joshua Slocum February 20 1844 on or shortly after November 14 1909 was the first man to sail single handedly around the world He was a Nova Scotian born naturalised American seaman and adventurer and a noted writer In 1900 he wrote a book about his journey Sailing Alone Around the World which became an international best seller He disappeared in November 1909 while aboard his boat the Spray In the fair land of Nova Scotia a maritime province there is a ridge called North Mountain overlooking the Bay of Fundy on one side and the fertile Annapolis valley on the other On the northern slope of the range grows the hardy spruce tree well adapted for ship timbers of which many vessels of all classes have been built The people of this coast hardy robust and strong are disposed to compete in the world s commerce and it is nothing against the master mariner if the birthplace mentioned on his certificate be Nova Scotia I was born in a cold spot on coldest North Mountain on a cold February 20 though I am a citizen of the United States a naturalized Yankee if it may be said that Nova Scotians are not Yankees in the truest sense of the word On both sides my family were sailors and if any Slocum should be found not seafaring he will show at least an inclination to whittle models of boats and contemplate voyages My father was the sort of man who if wrecked on a desolate island would find his way home if he had a jack knife and could find a tree He was a good judge of a boat but the old clay farm which some calamity made his was an anchor to him He was not afraid of a capful of wind and he never took a back seat at a camp meeting or a good old fashioned revival As for myself the wonderful sea charmed me from the first At the age of eight I had already been afloat along with other boys on the bay with chances greatly in favor of being drowned When a lad I filled the important post of cook on a fishing schooner

but I was not long in the galley for the crew mutinied at the appearance of my first duff and chucked me out before I had a chance to shine as a culinary artist The next step toward the goal of happiness found me before the mast in a full rigged ship bound on a foreign voyage Thus I came over the bows and not in through the cabin windows to the command of a ship

Sailing Alone Around the World Joshua Slocum, Challenged by an expert who said it couldn't be done Joshua Slocum an indomitable New England sea captain set out in April of 1895 to prove that a man could sail alone around the world 46 000 miles and a little over 3 years later the proof was complete Captain Slocum had performed the epic first single handedly in a trusty 34 foot sloop called the Spray This is Slocum's own account of his remarkable adventures during the historic voyage Slocum writes in a fast paced exhilarating style His almost matter of fact descriptions of hazardous episodes and his colorful often witty observations make this book perhaps the most delightful and absorbing adventure tale in history Across the Atlantic he sailed but chased by Moorish pirates off Gibraltar he decided to circle Cape Horn instead and go around the world the other way He tells of perils on stormy seas and of numerous harrowing events his escape from a fleet of hostile canoes an encounter with Black Pedro the worst murderer in Tierra del Fuego foiling a nocturnal attack by savages by strewn carpet tacks on the Spray's deck submerged by a great wave off the Patagonian coast the rain of blood in Australia dodging coral reefs in the South Seas In Samoa he was visited by Mrs Robert Louis Stevenson in South Africa he talked congenially with Stanley of Stanley and Livingstone fame and met Oom Paul Kruger President of the Transvaal republic Kruger was incensed when one of his officials described Slocum's voyage as around the world since his religious beliefs convinced him that the world was flat
