s concepts of *illusio* an investment of time emotion and body into a worthwhile activity and *habitus* or lifeworld alongside contemporary data sets to examine the yacht club as a social institution including why many boats never go out on the water the relationship between yacht clubs and the state and social issues as manifested in yacht clubs such as sexism racism and homophobia Offering a vigorous sociological critique of yachting and sailing this book is fascinating reading for anybody with an interest in the sociology of leisure and sport subcultures social theory or social issues in wider society Cruising World,1977-01 **Yachting**,1974-10 Cruising World,1983-01 **racing** racing,1976 **Where to Find What** James M.
