Hutchinson,1992 Hutchinson focuses initially on movement as concept and metaphor affirming its centrality in the conceptualization of all discursive activities He draws on an array of authors including Heraclitus Plato Longinus Rabelais Nietzsche Saussure Frances Yates Kristeva Meschonnic and Deleuze to demonstrate the motion of discourse and of those engaged in it He then turns to Cervantes novels to show how metaphors of movement and travel appearing on nearly every page dominate the conceptualization of the soul the self desire love and life processes Viewing travel as a composite of concurrent modes of experience with differing content and rhythms Hutchinson considers the concept of errancy the nature of place and the traveler s shifting relations with it and the values that travel may have as a motion displacement encounter and goal Of key importance are the means of improvisation developed en route His re examination of Bakhtin s chronotope in light of Cervante s novels reveals the dynamic character of time spaces in which travelers move He shows moreover that unlike typical Renaissance utopias the many worlds of Cervantes novels have the principles of becoming and dissolution inscribed in them Reflecting on the narrative of journeys both as memory and invention Hutchinson concludes with an examination of the relations between travel experience and travel narrative and a discussion of the whereabouts of writers

and readers in Cervantes novels The narration of journeys he argues necessitates and encourages improvisatory writing

A Companion to Latin Studies, 1910 **Liberalism, Constitutional Nationalism, and Minorities** Constantin Iordachi, 2019-06-17 Winner of the 2019 CEU Award for Outstanding Research This book documents the making of Romanian citizenship from 1750 to 1918 as a series of acts of national self determination by the Romanians as well as the emancipation of subordinated gender social and ethno religious groups It focuses on the progression of a sum of transnational questions that were at the heart of North Atlantic European and local politics during the long nineteenth century concerning the status of peasants women Greeks Jews Roma Armenians Muslims and Dobrudjans The analysis emphasizes the fusion between nationalism and liberalism and the emancipatory impact national liberalism had on the transition from the Old Regime to the modern order of the nation state While emphasizing liberalism s many achievements the study critically scrutinizes the liberal doctrine of legal political capacity and the dark side of nationalism marked by tendencies toward exclusion It highlights the challenges nascent liberal democracies face in the process of consolidation and the enduring appeal of illiberalism in periods of upheaval represented mainly by nativism The book s innovative interdisciplinary approach to citizenship in the Ottoman and post Ottoman Balkans and the richness of the sources employed appeal to a diverse readership **A Companion to Latin Studies** John Edwin Sandys, 1921 **The Carnival Stage** José I. Suárez, 1993 The

application of Bakhtin s critical theories to Gil Vicente has helped in understanding the genre and plot compositional traits and sources of Vicente s drama Until now these have been virtually ignored by Vicentine scholars most of whom have limited themselves to biographical historical approaches in an effort to explain the playlets as products of a particular epoch the Middle Ages and or the Renaissance and the corresponding literary modes The author concludes that it is not the subjective memory of the playwrights but the objective memory of the genre in which they compose their plays that preserves its fundamental characteristics through the centuries characteristics that derive from the incursion of the popular element into the realm of literary creation Direct in its presentation this study presents a concise and scholarly synthesis of Peninsular drama from its origins and the impact that the popular element had on its formation and it will continue to be regarded as an original facet in the overall complexity of Vicentine studies **BOOK JACKET** **Florence and Northern Tuscany with**
