Prophet, Elizabeth Clare Prophet, 1988 *Year of Prophecy* Elizabeth Clare Prophet, Summit University Press, 1989 Saint Germain's Prophecy for the New Millennium Elizabeth Clare Prophet, 2009-10-29 Nostradamus Edgar Cayce Mother Mary and Saint Germain reveal that the period we are entering is unique both in its opportunity for spiritual and technological progress and in its potential for war turmoil and even cataclysm They also reveal that prophecy is not set in stone This timely work shows us how to make our future a brighter day First it explores the most compelling prophecies for our time including new interpretations of the celebrated quatrains of Nostradamus Then it introduces us to a high frequency spiritual energy that can bring balance harmony and positive change into our lives The dramatic insights and spiritual techniques revealed in this book will help you shape the future you want

Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations Elizabeth Clare Prophet, 1988-03 **Popular Arthurian Traditions** Sally K. Slocum, 1992 Scholars of popular culture turn their attention to various expressions of the Arthurian legend most from the 20th century with a more balanced consideration of women writers characters and critics than has traditionally been the case Among the topics are the image of Morgan Le Fay postmodern Arthur Mark Twain Joseph Campbell and several recent movies No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR **The Theory of Livevolution** Robert Roselli, 2008-11 There is a drive for a New World Order afoot and it is not an accident The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus day are tying up some loose ends 2008 The introduction lays the groundwork for the rest of the book Section 1 posted on my website THEorYofLIVEvolution com for length purposes establishes the unique reality of Biblical Christianity This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions If you think this scenario is outlandish the free U S non coincidentally meets every one of the criteria for atheistic Communism listed in Marx's Communist Manifesto As Section 3 discusses what They have planned for you on Mother Earth if you are worthy of evolution at least is the Nazis on steroids My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering I say this only to establish myself as a logically and scientifically grounded thinker I desire no fame or profit for this endeavor Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site Let this book be the introduction into the way the world really works and detox much of the Orwellian re education we've all been fed by the establishment owned education system and mainstream news After you're done reading this introduction to the way the world really works please spend some time on my website and related links to keep abreast of our steadily unraveling descent Into the Mouth of Madness

Messages from Heaven Patricia Kirmond, 2020-02-10 What is heaven really like A recently departed soul speaks from heaven about his experiences on the other side The unseen author of this book tells us of life s true purpose and urges us to make the most of our sojourn on earth He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see If we act now we can still turn things around but we need help from heaven I have witnessed so many beautiful and amazing events on this side However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference I feel an urgency to help people recognize the signs of the times This story of a soul s life after death will change the way you look at life and death

The Great White Brotherhood in the Culture History and Religion of America Elizabeth Clare Prophet, 1976 This insightful book reveals the little known role of the masters of wisdom who work together with their students to fulfill the cosmic destiny of the millions of souls evolving on the planet earth

Beyond Religion and the Secular Wayne Hudson, 2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bah s a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter day Saints Most of these movements have counterintuitive features that have led Western scholars making Enlightenment assumptions to dismiss them as irrational and or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal
