A History of the Popes John W. O'Malley, SJ,2009-11-16 A History of the Popes tells the story of the oldest living institution in the Western world the papacy From its origins in Saint Peter Jesus chief disciple through Pope Benedict XVI today the popes have been key players in virtually all of the great dramas of the western world in the last two thousand years Acclaimed church historian John W O Malley s engaging narrative examines the 265 individuals who have claimed to be Peter s successors Rather than describe each pope one by one the book focuses on the popes that shaped pivotal moments in both church and world history The author does not shy away from controversies in the church and includes legends like Pope Joan and a comprehensive list of popes and antipopes to help readers get a full picture of the papacy This simultaneously reverent yet critical book will appeal to readers interested in both religion and history as it chronicles the saints and sinners who have led the Roman Catholic Church over the past 2000 years The author draws from his popular audio CD lecture series on the topic 2 000 Years of Papal History available through Now You Know Media www nowyouknowmedia com

Lives of the Popes Michael J. Walsh,1998 A invaluable source of reference magnificently illustrated Lives of the Popes provides chronologically listed biographies of each of these men giving the facts of each pontiff s life and the deeds and misdeeds of his pontificate The book reveals the conflicts and the controversies that have rent the Church in that time as well as the figures who have played key roles in shaping the papacy as we know it today Taken together these biographies eruditely chart the history of two millennia and bear testament to the growth of Catholicism across the globe However more than anything else the book is witness to the extreme durability of an institution what is amongst the oldest in the world From front cover flap

101 Surprising Facts About St. Peter's and the Vatican Fr. Jeffrey Kirby,2015 What do you really know about Vatican City The Vatican comprising the Apostolic Palace St Peter s Basilica and various other buildings serves as the headquarters of the Catholic Church It has done so for nearly two millennium ever since the first Pope St Peter made it his home Thousands of Catholics flock to the Vatican and its iconic basilica each year Even if you haven t visited you ve likely watched with bated breath for smoke to rise from behind the cupola during the election of a new pope or have laid eyes on the new pontiff when he emerged from the balcony for the first time But what do you really know about this great basilica and the city that houses it Here Father Jeffrey Kirby takes you on a whirlwind tour of this little country yes Vatican City is its own country Fact 2 and uncovers the secrets and surprising facts about the city and its famous church

The Papacy from Saint Peter to the Present Don R. Caffery,2013-12-09 Who was the first pope Who is the

pope today What does he do And why do we need one anyway The answers to these questions and more can be found in this beautifully illustrated book for children Our Holy Father the Pope takes us back to the time of Jesus so that we can learn about the origins and role of the Papacy The storybook format begins with the Gospels Jesus calling Simon Jesus renaming him Peter meaning rock and giving him the keys to the kingdom and so on It follows Peter as Jesus suffers dies and rises from the dead for all mankind The descent of the Holy Spirit the birth of the Church and the death of Peter himself for the sake of Jesus also are described The Church carries on with a new leader to replace Peter as she has down through the centuries to our own day As children will learn from this book although the Church has adapted to the times the tasks of our modern popes are not that different from those of Peter The book includes brief biographies of some famous popes a list of all the popes from Peter to the present and a bibliography Includes beautiful and inspiring illustrations by renowned French illustrator Emmanuel Beaudesson

Thomas William Allies,1852 **LIFE POPE FRANCIS** The Editors of LIFE,2013-04-16 Pope Francis heralds a new era for the Catholic Church and all of the pomp and circumstance and hope is captured in this commemorative LIFE volume that features all of the best photography from coronation day in Rome In addition LIFE s editors present a visual and anecdotal history of the Vatican and of the papacy itself a narrative with triumphs and tragedies saints and scoundrels The same team that created the bestselling Pope John Paul II a Tribute and the recent Jesus Who Do You Say that I Am has now brings forth this lavishly illustrated and right up to date volume on Francis the Church in our day and the Church down the centuries beginning with St Peter This is the complete story in words and pictures The Man who Never Died Gerald T.

Brennan,2005 Most kids think of popes as old men who live quiet lives in the Vatican In fact danger surrounds every pope From John Paul II who was shot all the way back to the first pope the men God places in charge of His Church have been hated and attacked for their goodness and for the good the Church does The Man Who Never Died recounts the adventures of the apostle Peter the first pope and explains how Peter in giving his name and responsibilities to all the popes who follow him became the man who never died fulfilling the promise that Jesus made to him Thou art Peter and upon this rock I will build my Church the Church that remains standing today and will last until the end of time St. Peter ,1923 A

St. Peter François De Ligny,Frank Rega,2015-09-09 Here is an opportunity to review your scriptural knowledge of the first pope and to take a journey through the early history of the Church Learn the real reason for St Peter's coming to Rome and why he might have later been exiled from the city Learn why the Babylon the saint mentions in his First Epistle refers to Rome Learn who was the first writer who dared to deny that St Peter was ever at that city The author painstakingly proves through ancient histories and the Church Fathers of the early centuries that St Peter's residence in the Eternal City cannot be refuted Doubts about his presence there first arose in the 14th century and in spite of the proofs contained in Fr De Ligny's thoroughly researched work controversy about St Peter's residence in Rome persists to this day in some quarters **The Papacy: Or the Eighteenth Centenary of St. Peter's Martyrdom at Rome, Etc** John Stewart McCorry,1867
