Salazars Dictatorship And European Fascism Problems Of Interpretation

António Costa Pinto

Salazars Dictatorship And European Fascism Problems Of Interpretation:

Salazar's Dictatorship and European Fascism António Costa Pinto, 1995 A small country with a vast colonial empire Portugal was to experience the longest surviving right wing dictatorship in twentieth century Europe Costa Pinto identifies the links between Salazarism and European fascism He includes an analytical summary of the interpretations of Salazarism and its origins both in the context of the debate on European fascism and more generally in the context of authoritarian regimes of the twentieth century

The Oxford Handbook of European History, 1914-1945 Nicholas Doumanis, 2016-05-05 The period spanning the two World Wars was unquestionably the most catastrophic in Europe's history Despite such undeniably progressive developments as the radical expansion of women's suffrage and rising health standards the era was dominated by political violence and chronic instability Its symbols were Verdun Guernica and Auschwitz By the end of this dark period tens of millions of Europeans had been killed and more still had been displaced and permanently traumatized If the nineteenth century gave Europeans cause to regard the future with a sense of optimism the early twentieth century had them anticipating the destruction of civilization The fact that so many revolutions regime changes dictatorships mass killings and civil wars took place within such a compressed time frame suggests that Europe experienced a general crisis The Oxford Handbook of European History 1914-1945 reconsiders the most significant features of this calamitous age from a transnational perspective It demonstrates the degree to which national experiences were intertwined with those of other nations and how each crisis was implicated in wider regional continental and global developments Readers will find innovative and stimulating chapters on various political social and economic subjects by some of the leading scholars working on modern European history today

Reactionary Nationalists, Fascists and Dictatorships in the Twentieth Century Ismael Saz, Zira Box, Toni Morant, Julián Sanz, 2019-07-23 This book provides a comparative study of fascisms and reactionary nationalisms It presents these as transnational political cultures and examines the dictatorships and regimes in which these cultures played significant roles The book is organised into three main sections focusing on nationalists fascists and dictatorships in turn The chapters range across French Italian Spanish Portuguese and German experiences and include a broader overview of the political cultures in Central and Eastern Europe as well as Latin America The chapters consider the identities organizations and evolution of the various cultures and specific political movements alongside the intersections between these movements and how they adapted to changing contexts By doing so the book offers a global view of fascisms and reactionary nationalisms and promotes debate around these political cultures

Catholicism and Fascism in Europe 1918 - 1945 Jan Nelis, Anne Morelli, Danny Praet, 2015-05-01 Die im vorliegenden Band versammelten Aufsätze analysieren die vielfältige Art und Weise wie der Vatikan die nationalen Kirchen und einzelne Katholiken mit dem Aufstieg der extremen Rechten in Europa während der 1920er 1930er und frühen 1940er Jahre umgingen vom Ende des Ersten Weltkriegs der mit Recht als einer der wichtigsten Katalysatoren des europäischen Faschismus in der

Zwischenkriegszeit gilt bis zum Schluss und zu den unmittelbaren Nachwirkungen des Zweiten Weltkriegs während einige Aufsätze sich auf theoretische methodologische Probleme konzentrieren beschreiben sich die meisten Beiträge mit jeweils einem Land oder einer Region wo eine faschistische Bewegung oder ein solches Regime zwischen den Kriegen und während des Zweiten Weltkriegs erfolgreich war und wo es gleichzeitig eine signifikante katholische Präsenz in der Gesellschaft gab Fast ganz Europa wird behandelt ein beispielloses Unternehmen und eine große Zahl wichtiger Kontexte und Methoden wird untersucht So wirken die Beiträge mit an der allgemeinen Entwicklung eines interpretativen Cluster Modells das eine Reihe von Grundmustern der Forschung vereinigt und zukünftige Untersuchungen anregen wird The papers presented in this volume analyse the many ways in which the Vatican national Churches and individual Catholics dealt with the rise of the extreme right in Europe throughout the 1920s 1930s and early 1940s from the end of the First World War arguably one of the main catalysts of European interwar fascism to the conclusion and immediate aftermath of the Second World War While a number of papers focus primarily on theoretical methodological issues pertaining to the book's general theme the majority of papers focus on either a country or region where a fascist movement or regime flourished between the wars and during the Second World War and where there was a significant Catholic presence in society The various chapters cover almost the entire European continent an endeavour that is unprecedented and they explore a wide range of relevant contexts and methodologies thus further contributing to the general development of an interpretive cluster model that incorporates a series of investigative matrixes and that will hopefully inspire future research

A Fascist Century R. Griffin, 2008-08-20

Ten essays on the nature of fascism by a leading scholar in the field focusing on how to understand and apply fascist ideology to various movements since the twentieth century Mussolini's prophesied fascist century Includes studies of fascism's attempted temporal revolution Nazism as extended case study and fascism's postwar evolution

Anti-Colonialism and the Crises of Interwar Fascism Michael Ortiz, 2023-01-12

What is fascism Is it an anomaly in the history of modern Europe Or its culmination In Anti Colonialism and the Crises of Interwar Fascism Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance Anti Colonialism adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the

Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe's great powers collectively negotiated the fate of smaller nations

World War II Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research

Twisted Paths Robert Gerwarth, 2007-08-09 An introduction to European history between 1914 and 1945 this text moves beyond the view that it can only be understood in terms of catastrophe arguing that political stability and regime collapse social progress and mass poverty the crisis of European civilization and remarkable cultural achievements existed alongside each other

Fascism through History Patrick G. Zander, 2020-10-19 While fascism perhaps reached its peak in the regimes of Hitler and Mussolini it continues to permeate governments today This reference work explores the history of fascism and how it has shaped daily life up to the present day Perhaps the most notable example of Fascism was Hitler's Nazi Germany Fascists aimed to control the media and other social institutions and Fascist views and agendas informed a wide range of daily life and popular culture But while Fascism flourished around the world in the decades before and after World War II it continues to shape politics and government today This reference explores the history of Fascism around the world and across time with special attention to how Fascism has been more than a political philosophy but has instead played a significant role in the lives of everyday people Volume one begins with a introduction that surveys the history of Fascism around the world and follows with a timeline citing key events related to Fascism Roughly 180 alphabetically arranged reference entries follow These entries discuss such topics as conditions for working people conditions for women Fascist institutions that regulated daily life attitudes toward race physical culture the arts and more

Primary source documents give readers first hand accounts of Fascist thought and practice A selected bibliography directs users to additional resources

The Oxford Handbook of Postwar European History Dan Stone,2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Contesting Democracy Jan-Werner Muller,2011-09-20 DIVThis book is the first major account of political thought in twentieth century Europe both West and East to appear since the end of the Cold War Skillfully blending intellectual political and cultural history Jan Werner M ller elucidates the ideas that shaped the period of ideological extremes before 1945 and the liberalization of West European politics after the Second World War He also offers vivid portraits of famous as well as unjustly forgotten political thinkers and the movements and institutions they inspired M ller pays particular attention to ideas advanced to justify fascism and how they relate to the special kind of liberal democracy that was created in postwar Western Europe He also explains the impact of the 1960s and neoliberalism ending with a critical assessment of today s self

consciously post ideological age div

The Handbook of Political Sociology Thomas Janoski,Robert R. Alford,Alexander M. Hicks,Mildred A. Schwartz,2005-05-23 This Handbook provides a complete survey of the vibrant field of political sociology Part I explores the theories of political sociology Part II focuses on the formation transitions and regime structure of the state Part III takes up various aspects of the state that respond to pressures from civil society

Rethinking Antifascism Hugo García,Mercedes Yusta,Xavier Tabet,Cristina Clímaco,2016-06-01 Bringing together leading scholars from a range of nations Rethinking Antifascism provides a fascinating exploration of one of the most vibrant sub disciplines within recent historiography Through case studies that exemplify the field s breadth and sophistication it examines antifascism in two

distinct realms after surveying the movement's remarkable diversity across nations and political cultures up to 1945 the volume assesses its postwar political and ideological salience from its incorporation into Soviet state doctrine to its radical questioning by historians and politicians Avoiding both heroic narratives and reflexive revisionism these contributions offer nuanced perspectives on a movement that helped to shape the postwar world **Rethinking the Nature of Fascism**

António Costa Pinto, 2010-11-17 Many of the foremost experts in the study of European fascism unite to provide a contemporary analysis of the theories and historiography of fascism Essays discuss the most recent debates on the subject and how changes in the social sciences over the past forty years have impacted on the study of fascism from various perspectives **Fascism: The nature of fascism** Roger Griffin, Matthew Feldman, 2004 The nature of fascism has been

hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism **An Authoritarian Third Way in the Era of Fascism** António

Costa Pinto, 2021-11-25 This book takes a transnational and comparative approach that analyses the process of diffusion of a third way in selected transitions to authoritarianism in Europe and Latin America When looking at the authoritarian wave of the 1930s it is not difficult to see how some regimes appeared to offer an authoritarian third way somewhere between democracy and fascism It is in this context that some Iberian dictatorships such as those of Primo de Rivera in Spain Salazar's New State in Portugal and the short lived Dollfuss regime in Austria are mentioned frequently Especially during the 1930s and in those parts of Europe under Axis control these models were discussed and often adopted by several dictatorships This book considers how and why these dictatorships on the periphery of Europe especially Salazar's New State in Portugal inspired some of these regimes new political institutions particularly within Europe and Latin America It pays special attention to how as they proposed and pursued these authoritarian reforms these domestic political actors also looked at these institutional models as suitable for their own countries The volume is ideal for students and scholars of comparative fascism authoritarian regimes and European and Latin American modern history and politics *A History of Western Public*

Law Bruno Aguilera-Barchet, 2014-12-31 The book outlines the historical development of Public Law and the state from ancient times to the modern day offering an account of relevant events in parallel with a general historical background establishing and explaining the relationships between political religious and economic events *Media and the Portuguese*

Empire José Luís Garcia, Chandrika Kaul, Filipa Subtil, Alexandra Santos, 2017-12-08 This volume offers a new understanding of the role of the media in the Portuguese Empire shedding light on the interactions between communications policy economics society culture and national identities Based on an interdisciplinary approach this book comprises studies in journalism communication history literature sociology and anthropology focusing on such diverse subjects as the expansion of the printing press the development of newspapers and radio state propaganda in the metropolitan Portugal and the colonies censorship and the uses of media by opposition groups It encourages an understanding of the articulations and tensions between the different groups that participated willingly or not in the establishment maintenance and overthrow of the Portuguese Empire in Angola Mozambique S o Tom e Pr ncipe Cape Verde Guinea Bissau India and East Timor

Transnational Fascism in the Twentieth Century Matteo Albanese, Pablo del Hierro, 2016-09-22 Developing a knowledge of the Spanish Italian connection between right wing extremist groups is crucial to any detailed understanding of the history of fascism Transnational Fascism in the Twentieth Century allows us to consider the global fascist network that built up over the course of the 20th century by exploring one of the significant links that existed within that network It distinguishes and analyses the relationship between the fascists of Spain and Italy at three interrelated levels that of the individual political organisations and the state whilst examining the world relations and contacts of both fascist factions from Buenos Aires to Washington and Berlin to Montevideo in what is a genuinely transnational history of the fascist movement Incorporating research carried out in archives around the world this book delivers key insights to further the historical study of right wing political violence in modern Europe

The Oxford Handbook of Portuguese Politics Jorge M. Fernandes, Pedro C. Magalhães, António Costa Pinto, 2022-09-29 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence

Salazars Dictatorship And European Fascism Problems Of Interpretation Introduction

Salazars Dictatorship And European Fascism Problems Of Interpretation Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Salazars Dictatorship And European Fascism Problems Of Interpretation Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Salazars Dictatorship And European Fascism Problems Of Interpretation : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Salazars Dictatorship And European Fascism Problems Of Interpretation : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Salazars Dictatorship And European Fascism Problems Of Interpretation Offers a diverse range of free eBooks across various genres. Salazars Dictatorship And European Fascism Problems Of Interpretation Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Salazars Dictatorship And European Fascism Problems Of Interpretation Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Salazars Dictatorship And European Fascism Problems Of Interpretation, especially related to Salazars Dictatorship And European Fascism Problems Of Interpretation, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Salazars Dictatorship And European Fascism Problems Of Interpretation, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Salazars Dictatorship And European Fascism Problems Of Interpretation books or magazines might include. Look for these in online stores or libraries. Remember that while Salazars Dictatorship And European Fascism Problems Of Interpretation, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Salazars Dictatorship And European Fascism Problems Of Interpretation eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer

promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Salazars Dictatorship And European Fascism Problems Of Interpretation full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Salazars Dictatorship And European Fascism Problems Of Interpretation eBooks, including some popular titles.

FAQs About Salazars Dictatorship And European Fascism Problems Of Interpretation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Salazars Dictatorship And European Fascism Problems Of Interpretation is one of the best book in our library for free trial. We provide copy of Salazars Dictatorship And European Fascism Problems Of Interpretation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Salazars Dictatorship And European Fascism Problems Of Interpretation. Where to download Salazars Dictatorship And European Fascism Problems Of Interpretation online for free? Are you looking for Salazars Dictatorship And European Fascism Problems Of Interpretation PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Salazars Dictatorship And European Fascism Problems Of Interpretation. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Salazars Dictatorship And European Fascism Problems Of Interpretation are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library

for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Salazars Dictatorship And European Fascism Problems Of Interpretation. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Salazars Dictatorship And European Fascism Problems Of Interpretation To get started finding Salazars Dictatorship And European Fascism Problems Of Interpretation, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Salazars Dictatorship And European Fascism Problems Of Interpretation So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Salazars Dictatorship And European Fascism Problems Of Interpretation. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Salazars Dictatorship And European Fascism Problems Of Interpretation, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Salazars Dictatorship And European Fascism Problems Of Interpretation is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Salazars Dictatorship And European Fascism Problems Of Interpretation is universally compatible with any devices to read.
