Scepter Of Egypt The Part 2 The Hyksos Period And The New Kingdom

**Stephen Spurr, Nicholas
Reeves, Stephen Quirke**

Scepter Of Egypt The Part 2 The Hyksos Period And The New Kingdom:

The Royal Women of Amarna Dorothea Arnold, Metropolitan Museum of Art (New York, N.Y.), 1996 The move to a new capital Akhenaten Amarna brought essential changes in the depictions of royal women It was in their female imagery above all that the artists of Amarna departed from the traditional iconic representations to emphasize the individual the natural in a way unprecedented in Egyptian art

Scarabs, Chronology, and Interconnections Daphna Ben-Tor, 2007 Anhand der Fossilien des Pillendrehers Skarabaus erforscht Daphna Ben Tor die Beziehungen zwischen Agypten und der Levante im Zeitraum der 12 und 13 Dynastie Schon vor langerer Zeit wurde die Bedeutung von Skarabaen Fossilien zur historischen Rekonstruktion des Verhältnisses zwischen Agypten und der Levante entdeckt Doch die Kontroverse über die Typologie von Skarabaen schloss sie als verlässliche historische Quelle aus Diese Studie schlägt eine neue Typologie der Pillendreher für die erste Hälfte des zweiten Jahrtausends v Ch vor die sich an den Erkenntnissen zu ägyptischen und levantischen Keramik Sammlungen orientiert Basierend auf diesen Forschungen kann das Alter der Erdschicht bestimmt werden in welcher die Skarabaen und Abdrucke in beiden Regionen gefunden wurden und die Verbindung zwischen der zweiten mittleren Periode in Agypten und der mittleren Bronzezeit IIB in der Levante nachgewiesen werden Der prinzipielle methodologische Unterschied zwischen der heutigen und der früheren Forschung liegt im Verständnis der ägyptischen und palastinensischen Skarabaen als zweier statt vormals einer Gruppe Die neue Sicht erlaubt eine systematische Unterscheidung ägyptischer und kanaanitische Skarabaen dieser Zeit und führt zu einer separaten stilistischen und chronologischen Typologie für jede Gruppe Die Schlussfolgerungen welche in dieser Studie präsentiert werden zeigen die Signifikanz der Skarabaen als Hauptinformationsquelle für die Rekonstruktion der Geschichte der 12 und 13 Dynastie

'Scènes de Gynécées' Figured Ostraca from New Kingdom Egypt Joanne Backhouse, 2020-02-27 This work examines images of women and children drawn on ostraca from Deir el Medina referred to in previous scholarship as Scènes de Gynécées This publication represents the first systematic study of this material and it brings together ostraca from museums worldwide to form a corpus united contextually thematically and stylistically

Egyptian Art at Eton College Stephen Spurr, Nicholas Reeves, Stephen Quirke, 1999 This beautiful book presents a selection of the finest and most historically important works in the Myers Museum at Eton College which possesses one of the world's finest collections of ancient Egyptian decorative arts The core of the collection was brought together by Major W J Myers an old Etonian who was posted to Cairo in the 1880s Myers's hope was that the works would be an inspiration for future generations of Eton students with the publication of this book the objects will have an impact on a much wider audience The volume which discusses more than one hundred works of art all reproduced in full color will be not only a useful reference but a source of pleasure for students and professionals alike

The Tomb of Three Foreign Wives of Tuthmosis III Christine Lilyquist, 2003 This book results from a collaborative effort to reconstruct the 15th century BC tomb of three foreign wives of Tuthmosis III

discovered and robbed by villagers near Luxor in 1916 A general account was published by Herbert Winlock in 1948 The Treasure of Three Egyptian Princesses New York The Metropolitan Museum of Art The present volume differs substantially in the type and extent of documentation provided and in interpretation Verification is provided of tomb provenance for a number of objects for example while other objects previously thought to have come from the tomb are now considered forgeries The text explores and documents the location of the tomb in the southwest valleys at Thebes field work conducted by The Metropolitan Museum of Art at the site in 1988 art market finds alleged to have come from the tomb and the names of the foreign wives and the life they might have led

Egypt, Canaan and Israel: History, Imperialism, Ideology and Literature

S. Bar,D. Kahn,J.J. Shirley,2011-06-09 The proceedings of the conference Egypt Canaan and Israel History Imperialism Ideology and Literature include the latest discussions about the political military cultural economic ideological literary and administrative relations between Egypt Canaan and Israel during the Second and First Millennia BC

incorporating texts art and archaeology The Sarcophagus of Hunefer and other New Kingdom Private Sarcophagi

Wolfram Grajetzki,2021-11-30 This is the publication of the sarcophagus of the mayor of Thebes Hunefer in office under Ramses II To date the granite sarcophagus in the Fitzwilliam Museum in Cambridge has received little research attention despite being a large scale monument The book provides a presentation of the sarcophagus and its place in space and time

Heaven on Earth Richard Landes,2011-08-04 A comprehensive examination of millennialism the belief that the grandest events of history and the cosmos will occur soon and suddenly whether as a religious d nouement with the coming of the Last Days or as a final social solution to resolve the human predicament forever Through analysis of diverse cases throughout history Richard Landes demonstrates that millennialism has been deliberately downplayed and even ignored by historians and shows that millenarian beliefs have played a role in many supposedly secular events movements and periods including modernity

Critical Issues in Early Israelite History Richard S. Hess,Gerald A. Klingbeil,Paul J. Ray Jr.,2008-06-30 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars Only a few decades ago biblical stories such as the Conquest were heralded as confirmed by archaeology But in the 1970s Thomas L Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives This reassessment gained momentum during the 1980s and 1990s today the mainstream opinion is that there was no Conquest and the Israelites if they can be identified as a national entity or as a people did not arrive in Canaan by means of a military conquest For three days in March 2004 a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel To do so the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence as well as the contributions of archaeology to describe as completely as possible what may be known about the early history of Israel

Critical Issues in Early Israelite History publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence *The Egyptian Origins of King David and the Temple of Solomon* Ahmed Osman, 2019-02-05 An investigation into the real historical figure of King David and the real location of the Temple of Solomon Identifies King David as Pharaoh Tuthmosis III of the 18th Dynasty and David's son Solomon as Pharaoh Amenhotep Tuthmosis's successor Shows how the Temple of Solomon described in the Bible corresponds with the Mortuary Temple of Luxor in Egypt Explains how David was not a descendant of Isaac but his father and how biblical narrators changed the original story of Abraham and Isaac to hide his Egyptian identity During the last two centuries thousands of ancient documents from different sites in the Middle East have been uncovered However no archaeological discovery speaks of King David or Solomon his son and successor directly or indirectly Was King David a real person or a legend like King Arthur Proposing that David was a genuine historical figure Ahmed Osman explores how his identity may be radically different than what is described in religious texts Drawing on recent archaeological historical and biblical evidence from Egypt Osman shows that David lived in Thebes Egypt rather than Jerusalem that he lived five centuries earlier than previously thought during the 15th rather than the 10th century B C and that David was not a descendant of Isaac but was in fact Isaac's father The author also reveals David's true Egyptian identity Pharaoh Tuthmosis III of the 18th Dynasty Confirming evidence from rabbinic literature that indicates Isaac was not Abraham's son despite the version provided in Genesis Osman demonstrates how biblical narrators replaced David with Abraham the Hebrew to hide the Egyptian identity of Isaac's father He shows how Egyptian historical and archaeological sources depict figures that match David's and Solomon's known characteristics in many ways including accounts of a great empire between the Euphrates and the Nile that corresponds with David's empire as described in the Bible Extending his research further the author shows that King Solomon King David's son corresponds in reality to Pharaoh Amenhotep successor of Tuthmosis III the pharaoh who stands out in the dynastic history of Egypt not only for his peaceful reign but also as the builder of the Temple of Luxor and the famed Mortuary Temple at Luxor which matches the biblical descriptions of Solomon's Temple Unveiling the real history behind the biblical story of King David Osman reveals that the great ancestor of the Israelites was in fact Egyptian

Helmets and Body Armour in New Kingdom Egypt Alberto Maria Pollastrini, 2024-06-13 This book examines the dynamics around the introduction and spread of helmets and body armour throughout Egypt during the 18th 19th and 20th Dynasties It argues that the word introduction is the best term to define this phenomenon because these types of military equipment were not in fact Egyptian technological innovations but initially appeared at the end of the Bronze Age following the Hurrian expansion in the Middle East before being dispersed throughout the surrounding territories The analysis focuses particularly on a survey of iconographic archaeological and lexicographic attestations from a wide range of surviving material evidence and literary sources On the basis of the collated data it provides as accurate a perspective as possible on how the helmet and

the cuirass were introduced and propagated their impact on warfare and their possible role in ideology across the chronological span of the New Kingdom Pollastrini also draws productive comparisons between the Egyptian data and contemporary attestations from the Middle East and the Aegean region in order to underpin the international dynamics at play In doing so it both encourages a broader ancient historical perspective that sets New Kingdom Egypt within its contemporary context and sheds new light on developments in the military history and warfare of the period The Routledge Companion to Women and Monarchy in the Ancient Mediterranean World Elizabeth D. Carney, Sabine Müller, 2020-11-09 This volume offers the first comprehensive look at the role of women in the monarchies of the ancient Mediterranean It consistently addresses certain issues across all dynasties title role in succession the situation of mothers wives and daughters of kings regnant and co regnant women role in cult and in dynastic image and examines a sampling of the careers of individual women while placing them within broader contexts Written by an international group of experts this collection is based on the assumption that women played a fundamental role in ancient monarchy that they were part of not apart from it and that it is necessary to understand their role to understand ancient monarchies This is a crucial resource for anyone interested in the role of women in antiquity **Mortals, Deities and Divine Symbols: Rethinking Ancient Images from the Levant to Mesopotamia** Benjamin Sass, Laura Battini, 2025-05-29 Dedicated to Tallay Ornan a scholar distinguished in ancient Western Asian iconographic studies It is divided into her major themes New Discoveries and Approaches The Human World The Divine World This discusses iconological and textual problems in a chronological span from the third to first millennia BCE **Was Achilles a Jew?** Larry S. Milner, 2008-01-14 Significant interest has always existed about the origin of Classic Greek culture but despite the long standing attention scholars continue to disagree on where this amazing civilization got its start The Mycenaeans were the earliest Greek speaking people on the mainland but the country entered a Dark Age following the end of the Trojan War and in the Archaic Age which followed the fundamentals of Greek political and literary thought suddenly emerged without a clear source of derivation Historians have sometimes given credit to the Egyptians Phoenicians or other Eastern civilizations for this evolution but no serious consideration has been given to the ancient Hebrews despite the fact that the Exodus from Egypt took place during the Late Bronze Age when Mycenae was at its peak of influence in the Mediterranean Basin In Was Achilles a Jew Hebraic Origins to Greek Civilization Dr Larry Milner argues that a group of Hebrews devoted to the traditions of the patriarchs left the Exodus following the parricidal reprisals instituted by Moses during the modification of Judaism into a monotheistic faith and migrated to Mycenae where they became immersed into Mycenaean culture taking part in the Trojan War His analysis provides the most persuasive argument to date about where the Eastern influence in Greece was generated **Thutmose III and Hatshepsut, Pharaohs of Egypt** Aidan Dodson, 2025-02-18 An innovative account of the lives and times of the warrior king Thutmose III and the female pharaoh Hatshepsut by renowned Egyptologist Aidan Dodson Thutmose III and Hatshepsut are

among the best known figures in Egyptian history Thutmose has been called the Napoleon of ancient Egypt during whose reign Egypt's armies penetrated deep into northern Syria and consolidated Egyptian dominion over much of Sudan Hatshepsut one of the handful of female pharaohs also took to the battlefield but is best known today for a great trading expedition down the Red Sea coast to the mysterious land of Punt At first Hatshepsut served simply as regent for her young nephew stepson Thutmose but subsequently the two shared the throne of Egypt as co pharaohs for over a decade Later as sole king Thutmose devoted much of the rest of his life to military matters and large scale building works continuing the work of Hatshepsut that created much of the core of the great temple of Karnak During the very last years of his life Thutmose launched an attack on the memory of Hatshepsut with most of her images destroyed Yet some four centuries later Thutmose III and Hatshepsut were still remembered together as great figures of the past whose conception of pharaonic kingship served as the model for later rulers into the eighth century BC This book illustrated in full color traces what we know about the lives and times of Thutmose and Hatshepsut and the monuments they built to guarantee their afterlives It then explores their posthumous reputations in ancient times and ends with the story of how the two pharaohs emerged from the mists of time during the nineteenth century AD to resume their places in history

Women in Ancient Egypt Mariam F. Ayad, 2022-11-15 Cutting edge research by twenty four international scholars on female power agency health and literacy in ancient Egypt There has been considerable scholarship in the last fifty years on the role of ancient Egyptian women in society With their ability to work outside the home inherit and dispense of property initiate divorce testify in court and serve in local government Egyptian women exercised more legal rights and economic independence than their counterparts throughout antiquity Yet their agency and autonomy are often downplayed undermined or outright ignored In Women in Ancient Egypt twenty four international scholars offer a corrective to this view by presenting the latest cutting edge research on women and gender in ancient Egypt Covering the entirety of Egyptian history from earliest times to Late Antiquity this volume commences with a thorough study of the earliest written evidence of Egyptian women both royal and non royal before moving on to chapters that deal with various aspects of Egyptian queens followed by studies on the legal status and economic roles of non royal women and finally on women's health and body adornment Within this sweeping chronological range each study is intensely focused on the evidence recovered from a particular site or a specific time period Rather than following a strictly chronological arrangement the thematic organization of chapters enables readers to discern diachronic patterns of continuity and change within each group of women

Ramses II Beatriz Santillan, Susanna Thomas, 2017-07-15 The name Ramses II evokes the epitome of ancient Egypt But why was he the final ruler of the New Kingdom And what was it that made him pursue peace when such treaties didn't exist The life of Ramses II offers some particularly unique intrigues that appear in his many campaigns throughout the ancient world Santillan and van Basten offer an expansive account of the many contributions Ramses II offered in his unusually long and active life including leaving a legacy of being ancient Egypt's most prolific builder of monuments and temples as he outlived most of his would-be heirs

A Prosopographic Study of the New Kingdom Tomb Owners of Dra Abu el-Naga Ángeles Jiménez-Higueras, 2022-07-14 Containing the dating kinship data and titles for each tomb owner of 54 tombs located in the southern area of the Theban cemetery of Dra Abu el Naga during the New Kingdom this book will prove of great assistance as a handbook or catalogue for research on New Kingdom Dra Abu el Naga or the study of prosopography and kinship relationships

The Egyptian Collection at Norwich Castle Museum Faye Kalloniatis, 2019-08-30 The Egyptian Collection at Norwich Castle Museum represents the first full publication of this important collection which contains several outstanding objects Part 1 begins with an outline of the acquisition history of the Egyptian collection and its display within Norwich Castle in 1894 when it was converted from a prison to a museum The collection was largely acquired between the nineteenth and first part of the twentieth centuries Its most prominent donor was Flaxman Spurrell whose varied collection of flints faience beads and necklaces as well as Late Antique cloths was obtained from Sir Flinders Petrie Also prominent was the Norwich-based Colman family most notable for its manufacture of mustard whose collection was purchased in Egypt during the late C19 Also included in this part are essays on several of the museum's outstanding items Ipu's shroud a rare early 18th Dynasty example with fragments also held in Cairo the 22nd Dynasty finely decorated and well-preserved cartonnage and wooden lid of the priest Ankh-hor and the exceptional model

granary of Nile clay painted with lively scenes one showing the owner Intef playing senet Part 2 is a detailed catalogue of the complete collection It is organised into sections with objects grouped together mainly according to type stelae shabtis scarabs jewellery amulets vessels flints lamps inscribed Book of the Dead fragments metal figurines and Late Antique cloths and also according to function such as cosmetics grooming and architectural furniture elements The inscribed materials have all been translated and individual entries give examples or parallels Seventy colour plates illustrate each object Sesostris - Scheschonq - Sesonchosis, 2024-07-29 Why Sesostris Why does the classical antiquity tell stories about this Egyptian hero king of the second millennium BC On which basis The contributions of this conference volume try to systematically answer the question how these narratives come into being and grow It is not a single historical king Sesostris Rather the literary tradition of two millennia augments the story with the later Sheshonq kings makes Sesostris the international hero of demotic narratives and finally leads to the Greek Sesonchosis Romance which itself is widely received All this takes place in an international cultural context Warum gerade Sesostris Warum werden ausgerechnet bei diesen ägyptischen Königen des frühen zweiten Jahrtausends v Chr in der klassischen Antike Heldengeschichten erzählt Auf welcher Grundlage Die Beiträge dieses Tagungsbandes gehen systematisch der Frage nach wie diese Erzählungen entstehen und wachsen Es ist nicht ein einziger literarischer König Sesostris Vielmehr reichert die literarische Tradition bei zwei Jahrtausende den Stoff um die späteren Scheschonq Könige an macht Sesostris zu einem internationalen Helden demotischer Erzählungen und führt zum griechischen Sesonchosis Roman All dies geschieht in einem internationalen kulturellen Rahmen

Reviewing **Scepter Of Egypt The Part 2 The Hyksos Period And The New Kingdom**: Unlocking the Spellbinding Force of Linguistics
