Louis Dudek A Checklist:

Open Letter ,1981 Canadiana ,1987 **Canadian Books in Print** Martha Pluscauskas,1976 A Checklist of Printed Materials Relating to French-Canadian Literature, 1763-1968 University of British Columbia. Library,Gérard Tougas,1973 This second enlarged edition of G rard Tougas Checklist is essentially a primary bibliography of French Canadian literature from the nineteenth century to 1968 The Checklist containing over 2800 titles represents the holdings of the University of British Columbia Library The UBC collection comprises a substantial portion of the total body of work published in this field Included are books pamphlets and microfilms In this bibliography the term literature has been interpreted to include separately published chronicles literary criticism biographies and folklore as well as novels poetry drama and short stories The second edition has been expanded to include bibliographies and theses **Journal of Canadian Fiction** ,1979 **Keepers of the Code** Robert Lecker,2013-01-01 Robert Lecker explores the ways in which these anthologies contributed to the formation of a Canadian literary canon the extent to which this canon was tied to an ideal of English Canadian nationalism and the material conditions accounting for the anthologies production *Shy of the Squirrel's Foot* Andy Martrich,2024-11-11 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon s ethos of literary experimentation by focusing on the books the Society cataloged but never published While it s not uncommon for a small press to plan for books that don t make it to publication Martrich argues that Jargon s incessant financial difficulties coupled with Williams s impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel s Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon s complete annotated bibliography which details every book the press published compiled in one place for the first time *The Publishers' Trade List Annual* ,1985
