## Love Hearts My File:

The V-Files Nelson Onit Vazquez, 2002-05-21 In becoming a poet I've noticed that I now pay strict attention to every detail around me I used to take my surroundings for granted and I didn't always pay close attention to everything there was to notice Welcome Welcome once again to another book of poetry and to my wild creative and imaginative mind In this second poetry book I hope you find the stories much more interesting the comedy much more refreshing and that the romance takes you to a few nostalgic moments of your own You may notice that this second collection of my work is a little different to my first TRUTH COMEDY POETRY for ALL in that there are not as many love poems This time around I wanted to express a little more of my other sides instead of just the romance So I decided sure there is still going to be plenty of heart felt tales in here but there will be more emphasis on the serious and comic aspects this time around I also made most of the poems much much shorter I wanted to make sure there wouldn't be constant thoughts of Gee this poem is a little too long and therefore I am uncontrollably daydreaming due to the length of this study hall of a poem Then again according to my test group it seems that the long stories here are pretty good But you can be the judge of that The reason I wrote my first book was to get others into reading poetry and writing some of their own However the reason I wanted to write this second book was because I wanted to know that if I were to die tomorrow I would leave something behind that could still make people smile or think I wanted to create something that would last and be appreciated for generations to come I wanted to leave behind a mark of my existence And so here is my book If you haven't read my first book well I want to start over with a Hello I am a fairly new poet and writer who will either make you think laugh or say My God this romantic material is going to come in handy for the next time I meet someone I like Whatever the scenario I just want to remind everyone that we all have three sides to us We may not show all of them every day but within all of us exists a serious side a humorous side and a romantic side In both of my poetry books I show my different characters and then some Especially in THE V FILES Case Files of an Angel Dennis Garvin, 2013-07-12 Here is a book that was neither written by a human nor dictated by the Holy Spirit to a human It is the perspective of an angel a disinterested third party who is neither human nor divine Augie is a working angel who like most angels troubleshoots and serves God as a messenger guardian avenger chaperone you name it Augie has done it For reasons unknown Augie's superiors select him to write a book giving him no reason and no guidelines Augie figures it must be to help humans understand the spirit world a little better It was strange that Augie was selected because he takes a rather dim view of the human species He feels that the sacrifice of Jesus to purchase mankind was like a human who spent a fortune to buy the Brooklyn Bridge Being a good angel however he takes to his task willingly and digs into his case files reports that all angels must submit following encounters with humans He includes an after action summary as a sort of debrief in which he records the important details that he feels humans are too ignorant to see on their own The result is this book Since heaven submitted it for publication I guess they think Augie did an okay job *Kingdom Hearts Character Files*
