Love Hope And Tragedy A Brooklyn Memoir:

Love, Hope and Tragedy Joan Calciano,1998-05 **Subject Guide to Books in Print** ,1991 In the Shadow of the Bridge: A Memoir Joseph Caldwell,2019-11-12 The bohemian free spirited existence that blessed many of Manhattan s gifted artists and writers in the nineteen fifties and sixties has with current skyrocketing rents and the high income requirements of basic living been nearly extinguished And only for the likes of an astute observer such as Joseph Caldwell perhaps be almost forgotten In his charming brutally candid memoir the author describes his tenure working at WQXR the venerated classical music station marching in civil protests and being arrested his accomplished acquaintances all of it part of the libertine life of a young gay man who becomes a noted playwright and novelist and Rome Prize winner But then the mantle of the AIDS epidemic falls heavily on the city and exultation in free love and sex is replaced by unrelenting fear In a twist of fate a quixotic love that plagues Caldwell his entire life gives him one last chance at a relationship but in a completely unexpected and tragic ways This memoir is an important chronicle of the changing tide of artistic and gay life in New York City in the shadow of the plague years The Anatomy of Genres John Truby,2022-11-29 A guide to understanding the major genres of the story world by the legendary writing teacher and author of *The Anatomy of Story* John Truby Most people think genres are simply categories on Netflix or Amazon that provide a helpful guide to making entertainment choices Most people are wrong Genre stories aren t just a small subset of the films video games TV shows and books that people consume They are the all stars of the entertainment world comprising the vast majority of popular stories worldwide That s why businesses movie studios production companies video game studios and publishing houses buy and sell them Writers who want to succeed professionally must write the stories these businesses want to buy Simply put the storytelling game is won by mastering the structure of genres *The Anatomy of Genres* How Story Forms Explain the Way the World Works is the legendary writing teacher John Truby s step by step guide to understanding and using the basic building blocks of the story world He details the three ironclad rules of successful genre writing and analyzes more than a dozen major genres and the essential plot events or beats that define each of them As he shows the ability to combine these beats in the right way is what separates stories that sell from those that don t Truby also reveals how a single story can combine elements of different genres and how the best writers use this technique to craft unforgettable stories that stand out from the crowd Just as Truby s first book *The Anatomy of Story* changed the way writers develop stories *The Anatomy of Genres* will enhance their quality and expand the impact they have on the world **Praying for Gil Hodges** Thomas Oliphant,2024-05-01 Thomas Oliphant s *Praying for Gil Hodges* is a brilliant work capturing the majesty of baseball the issue of race in America and the love that one young boy his parents and the borough of Brooklyn had for their team On a steamy hot Sunday the Reverend Herbert Redmond was celebrating Mass at a church in Brooklyn when he startled his congregation thus It s far too hot for a sermon Keep the Commandments and say a prayer for Gil Hodges *Praying for Gil Hodges* is built around a detailed reconstruction of

the seventh game of the 1955 World Series which has always been on the short list of great moments in baseball history On a sunny breezy October afternoon something happened in New York City that had never happened before and never would again the Brooklyn Dodgers won the world championship of baseball For one hour and forty four minutes behind a gutsy twenty three year old kid left hander from the iron mining region of upstate New York named Johnny Podres everything that had gone wrong before went gloriously right for a change Until that afternoon leaving out the war years the Dodgers and their legions of fans had endured ten seasons during which they lost the World Series to the New York Yankees five times and lost the National League pennant on the final day of the season three times facts of history that give the famous cry of Wait Till Next Year its defiant meaning Pitch by pitch and inning by inning Thomas Oliphant re creates a relentless melodrama that shows this final game in its true glory As we move through the game he builds a remarkable history of the hapless Bums exploring the Dodgers status as a national team based on their fabled history of near triumphs and disasters that made them classic underdogs He weaves into this brilliant recounting a winning memoir of his own family s story and their time together on that fateful day that the final game was played This victory thrilled the national African American community still mired in the evils of segregation who had erupted in joy at the arrival of Jackie Robinson eight years earlier and rooted unabashedly for this integrated team at a time when the country was thoroughly segregated And it also thrilled a nine year old boy on the East Side of Manhattan in a loving struggling family for whom the Dodgers were a rare source of the joys and symbols that bring families together through tough times

Saturday Night Widows Becky

Aikman,2013-01-22 Six marriages six heartbreaks one shared beginning In her forties a widow too young too modern to accept the role Becky Aikman struggled to make sense of her place in an altered world In this transcendent and infectiously wise memoir she explores surprising new discoveries about how people experience grief and transcend loss and following her own remarriage forms a group with five other young widows to test these unconventional ideas Together these friends summon the humor resilience and striving spirit essential for anyone overcoming adversity Meet the Saturday Night Widows ringleader Becky an unsentimental journalist who lost her husband to cancer Tara a polished mother of two whose husband died in the throes of alcoholism after she filed for divorce Denise a widow of just five months now struggling to get by Marcia

a hard driving corporate lawyer Dawn an alluring self made entrepreneur whose husband was killed in a sporting accident leaving two small children behind and Lesley a housewife who returned home one day to find that her husband had committed suicide The women meet once a month and over the course of a year they strike out on ever more far flung adventures learning to live past the worst thing they thought could happen They share emotional peaks and valleys dating parenting moving finding meaningful work and reinventing themselves while turning traditional thinking about loss and recovery upside down Through it all runs the story of Aikman s own journey through grief and her love affair with a man who tempts her to marry again In a transporting story of what friends can achieve when they hold each other up *Saturday Night Widows* is a rare book that will make you laugh think and remind yourself that despite the utter unpredictability and occasional tragedy of life it is also precious fragile and often more joyous than we recognize Look for Becky s new book *Off The Cliff How the Making of Thelma Louise Drove Hollywood to the Edge* *An Audacious Myth* William R. Sutton,2023-11-20

An Audacious Myth The Personal Memoirs of Major General Daniel Edgar Sickles is a fictional first person account of the real life Civil War Union General Dan Sickles and his controversial actions at the Battle of Gettysburg *An Audacious Myth* chronicles Sickles s rise from a self centered operative of New York s infamous Tammany Hall to the rank of Major General His scandal ridden life included owning a brothel with his lover Fanny White marrying the teen daughter of his best friends and gunning down his wife s lover in front of the White House He was the first American to be found not guilty by reason of temporary insanity Sickles s time after the war was devoted to creating a narrative that put him at the center of heroics at Gettysburg His efforts won him the Medal of Honor thirty five years after the battle Did he save the Union and deserve the medal Was there a twisted divine intervention that guided him at Gettysburg We view the man through his own eyes and decide for ourselves

Story Katie Egan Cunningham,2015 Stories surround us support us and sustain us We see and hear them when walking down the street on our digital newsfeeds in our interactions with one another in the ways our students play and in literature poetry music images multimedia and dramatic works While acknowledging the importance of teaching students strategies to read different kinds of text to write across genres and to speak and listen with purpose Katie Egan Cunningham reminds us that when we bridge strategy with the power of story we deepen literacy learning and foster authentic engagement *Story Still the Heart of Literacy Learning* compels us to ask crucial questions Why do stories matter Whose stories count Where do stories live How do stories come alive How do we build stories How do we talk about stories And why does this work take courage Katie shares her story as a classroom teacher literacy specialist staff developer and professor She shows teachers how to create classrooms of caring and inquisitive readers writers and storytellers Katie explains specific ways to build a classroom library that reflects our diverse society through rich purposeful and varied texts She also provides numerous examples of multigenre and multimodal stories from children s and young adult literature poetry songs and multimedia The practical toolkit at the end of each chapter demonstrates how to make stories
