

The book cover features a complex, multi-layered illustration. At the top, a large, stylized figure of a person with outstretched arms is set against a dark blue background. To the right, a large, gnarled tree with dense, golden-brown foliage stands prominently. In the center, a dark rectangular box contains the title in white serif font. Below the box, a woman with dark hair, wearing a white hooded garment, is depicted in a reclining position. To her left, a small, orange, spotted creature with a long neck and a small horn-like protrusion is visible. The background is filled with intricate, swirling patterns and a dark, starry sky. The overall style is a blend of modern and classical art.

Love Impatient Love Unkind Meditations On Human And Divine Eros:

Love Impatient, Love Unkind Mark Patrick Hederman, 2004 This book is an unexpected combination of cultural criticism and meditation **The Catholic Library World**, 2004 The Power of Divine Eros A. H. Almaas, Karen

Johnson, 2013-09-17 Two innovative spiritual teachers show how to use desire and passion eros as a gateway to realizing our fullest potential What do desire and passion have to do with our spiritual journey According to A H Almaas and Karen Johnson they are an essential part of it Conventional wisdom cautions that desire and passion are opposed to the spiritual path that engaging in desire will take you more into the world into egoic life And for most people that is exactly what happens We naturally tend to experience wanting in a self centered way The Power of Divine Eros challenges the view that the divine and the erotic are separate When we open to the energy aliveness spontaneity and zest of erotic love we will find it inseparable from the realm of the holy and sacred When this is understood desire and passion become a gateway to wholeness and to realizing our full potential Through guided exercises the authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically to relate with openness and to discover dynamic inner realms with another person Through embodying the energy of eros each of us can learn to be fully real and alive in all of our interactions

Divine Madness John R. Haule, 2010-03 Divine Madness Archetypes of Romantic Love examines the transforming experience of romantic love in literature myth religion and everyday life A series of psychological meditations on the nature of romantic love and human relationship Divine Madness takes the perspective that human love is a species of divine love and that our experience of romantic love both conceals and reveals the ultimate Lover and Beloved John Haule draws on depth psychology the mystical traditions of the world and literature from Virgil to Milan Kundera to lead the reader inside the mind and heart of the lover Each chapter explores a characteristic aspect of relationship such as seduction and love play the rapture of union the agony of separation madness woundedness and transcendence Focusing on the soulful and spiritual meaning of these experiences Divine Madness sheds light on our elations obsessions and broken hearts but it also reconnects us with the wisdom of time immemorial As a practicing Jungian analyst and former professor of religious studies John Haule masterfully guides his readers through the labyrinth of everyday experience and the often hidden layers of archetypal realities sketching a philosophy of romantic love through the stories of the world's literature and mythology

Meditations on Divine Love Vincent Huby, 1856 *Meditations on divine love* Willard McCarty, 1970 **Human Love as a Mirror of Divine Love** Mary Teresa Salafia, 1976 The Way to Love Anthony De Mello, 2012-06-12 The Way to Love contains some of the most beloved stories from Anthony de Mello Here more than ever before in his bestselling writing he grapples with the ultimate question of love In thirty one meditations he implores his readers with his usual pithiness to break through illusion the great obstacle to love Love springs from awareness de Mello insists saying that it is only when we see the other as he or she really is that we begin to love The second act of love he says is seeing ourselves without illusion

without the coercive nature of our needs desires memories prejudices and projections If these steps are taken then love will steal upon a person or into a relationship But the task is not easy The most painful act the human can perform de Mello says is the act of seeing It is in that act of seeing that love is born **Love and Hate** Osho,2012-01-31 Question You say that love and hate are one but I see more hate in the world than love At the same time you say that enlightenment is neither love nor hate Are you speaking of two different qualities of love How does this fit with your message of love Love and hate are just two sides of the same coin But with love something very drastic has happened It is unimaginable how this drastic step was taken by people who had all the good intentions in the world You may never have even suspected what has destroyed love It is the continuous teaching of love that has destroyed it Hate is still pure love is not *The Divine Couple* Jakob Böhme,2001
