Love Letters for All Occasions Gary Hoskins,2005-11 As the pages of the book of my life moves toward completion I have recorded and learned much about the process called living I have experienced the uncontrollable emotions of youth and its idealistic beliefs I have absorbed refined improved my knowledge of myself to the point that I know what I need what I am what I must become then there is you I am so comfortable in your presence because of the understanding that exists between us this powerful bond can not be broken This unison is not a chain but rather a bond of trust faith and commitment that is not stagnant It is a living and growing entity Whereas others are victims of what they feel I comprehend what I perceive and measure my response By repeating this process it has become who I am I understand you I respect you I care for you I think of you you are a part of me
