Love Live And Share:

Ruhaniyat Swati Masurkar, 2018-02-20 *Ruhaniyat* Swati's debut collection of poems is an attempt to reach out to readers across the world. This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead. It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges. It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey. **Sharing** Michael Braham Gerstein, 2019-07-29 This volume is a

broad mixture of subjects in lyrical, thoughtful and humorous moods. From a feeling not from the news like a surf wave powerful or gentle, I flow through the work. If it's a strong feeling, writing is fast. Most times it's slow, laborious editing. I sometimes make notes I don't appreciate modern poetry. This is my own work. I copy no one. I love writing. Several poems are short stories. They contain a variety of windows into the imagination and fantasy. The thoughtful ones may arouse talking points. **Pash** Tejwanta Singha Gilla, 1999 On the life and works of Pash 1950-1988 Punjabi poet **The Lure of**

Greatness Anthony Barnett, 2017-08-24 In 2016 two surprising explosions of popular contempt for the existing order drove Britain into Brexit and paved the way for Trump's presidency of the United States. On both sides of the Atlantic proud regimes with global pretensions were levelled by justifiable revolts. But in the name of self-government Brexit and Trump will intensify the authoritarian traditions of their outdated political systems. *The Lure of Greatness* is a blistering account of how and why this happened. The shadow of Iraq, the great financial crash, campaigns of poison and intrigue, the filleting of David Cameron with the cold fury of a Remain voter, these are just the start. At the book's heart is the story of the institutional and constitutional implosion of the United Kingdom, the farce of the sovereignty of parliament, a passionate account of English nationalism and the absurdity of the ever-increasing and insidious influence of the Daily Mail. What emerges is a compelling summary of an EU in crisis, the fateful absence of a viable left alternative, the normality of immigration, all of which frame the reasons for the triumph of Leave. Anthony Barnett, co-founder of openDemocracy, applies a lifetime of observing, reporting and sedition in this searing analysis of the two great democratic disasters of our time. **Sharing Economy and the Impact of**

Collaborative Consumption de Luna, Iviane Ramos, Fitó-Bertran, Àngels, Lladós-Masllorens, Josep, Liébana-Cabanillas, Francisco, 2019-09-20 The introduction of new technology and technological services worldwide has ushered in a new wave of peer-to-peer and access-driven companies that are disrupting the most established business categories. tourism sector and consumer behavior in relation to these services Multidisciplinary in nature this publication establishes links between economics finance marketing consumer behavior and IT and covers topics that include e commerce consumer behavior and peer economy It is ideally designed for researchers students business professionals and entrepreneurs seeking current research on the impact that this industry has on various economic marketing and societal aspects of different countries
