*Under the cedars and the stars* Patrick Augustine Sheehan, 1910 ***Dancers Amongst The Stars*** Janny Juddly The Therapist n my Pocket, 2015-01-09 This is a very particular kind of self help book It is a book of remembering Our journey is a spiritual one even if we do not always realise it We humans spend a lot of time trying to work out who we are looking for meaning searching for the big picture Through a series of beautifully evocative and moving stories uplifting poems and insightful observational pieces you are invited to rediscover the truth of who you really are As a lecturer in Dynamic Therapy the author's particular area of research and expertise has been the mind body soul connection as underpinned by the latest research in neuroscience and quantum physics As a therapist mindfulness coach and energy worker in private practice her work has involved integrating this knowledge with leading edge thinking on spirituality the workings of the human psyche the impact of our developmental history and the power of intention and the unconscious mind upon our experienced reality

Her goal is to incorporate this into her own understanding of the spiritual journey as an awakening woman The stories poems and real life vignettes in this book are an invitation to you as a fellow traveler and spiritual seeker to see through compassionate eyes where you have come from the amazing path you are embarked upon and to view your experience of living this life which is unique to you alone from the perspective of who you really are a magnificent spiritual being of light and love and power living a purposeful human experience

**Stars** Durime P. Zherka,2015-03-20 We admire the beautiful bright stars in the dark night up in the sky while we are doing so many wishes also we are putting so many connections of our activities with stars and moon so to write about stars is interesting With so many interesting information by Astrology awakened my curiosity I decided to write this fiction book in honor of the beautiful and different big groups of stars that are in the constellation Stars are shining by thermonuclear fusion of hydrogen into helium This fusion in its core is releasing energy that traverses in interior of the star and that radiates into outer space This lay of hydrogen into helium gives some stars different beautiful colors like red nebula blue stars or purple stars too Their shining is bright Because the stars have so much mysteries and different stories connected with religious and galactic navigation since in older time and people all around the planet connect the stars and the moon to so many activities and their wishes too it inspired me to write about stars

*Leaping to the Stars* David Gerrold,2019-07-16 No longer able to return to his home on Earth Charles Dingillian and his two brothers must choose a new planet to call home But which one Charles has come into possession of a prototype HARLIE unit so revolutionary and state of the art that corporations will stop at nothing including murder to control it Earth is in a state of social and economic meltdown The battle for domination between rival corporations has gone interplanetary Charles has been at war before only that was a personal civil war waged between him and his parents In an effort to end the strife once and for all thirteen year old Charles took the drastic step of divorcing his parents He and his brothers are now free to do what they choose Freedom for Charles and his brothers means passage on a starship to a colony Outbeyond There they will use HARLIE to help build a better world But freedom also means exile From his home From his friends From everything he has ever known And even his chance for a new life on a remote planet is put in jeopardy when a critical malfunction with the HARLIE unit seemingly threatens the integrity of the voyage However a faction of passengers on board the Brightliner Cascade may pose an even greater risk A risk not even an intelligence as powerful as a HARLIE unit can avert
