Guides people working in jobs they hate on how to make successful career decisions by creating a compass from their natural skills and abilities, personality traits, values, dreams, and passions, directing them to a more fulfilling vocation. *The journey of love in couples* Jessica Riberi, Inge Ludvigsen, 2021-01-20. A couple's relationship is not just about two people. Numerous unconscious psychological scripts from the collective sphere and mandates inherited from family history affect our way of living love, one of the most significant human experiences. The psychotherapists and Master Trainer in NLP, Jessica Riberi and Inge Ludvigsen, combine their professional and teaching experience in Chile and Denmark and propose a system to align six energy fields that promote and strengthen the love bond. Jessica Riberi and Inge Ludvigsen have written a delightful and very helpful guide to how archetypal forms, that is, the patterns of the universal energies of human being, can support and transform intimate relationships. They are especially good in describing how to develop more mature and generative levels of each universal energy. I highly recommend it to both people helpers as well as those seeking deeper intimacy connections. Stephen Gilligan, psychologist, author of *The Courage to Love* and *The Hero's Journey* with Robert Dilts. What could be more important and timely than having pathways to bring more quality into our relationships? We are relational beings seeking the connections for outcomes of life: partners, families, work spaces, and

communities Connection is there but managing these connections is quite a different order This is where archetypes guide us by reflecting back an ideal Not that we ever really get to the ideal but they remind us to bring awareness to the learning and the nurturing of the relationships that bring the joy to our lives Thank you so much for this book The Journey of love in couples as it also can bring us some hope for our inner and outer peace Judith DeLozier anthropologist coauthor of Turtle all the way down with John Grinder and Encyclopedia of Systemic NLP with Robert Dilts **Party Ideas : Give Someone...**

**THE BEST DAY ...of Their Life : Reward Yourself By Rewarding Others** Trina McDougall,2012-09-01 Includes 20 theme days of how to make an amazing day for someone special with easy step by step instructions of pure fun on a shoe string budget that can last all day long An ideas extravaganza feast With individual tastes catered for and some real life examples that have been tried and tested The heart of this book unfolds the reward that comes when one takes action to bless others What a THRILL When a dear one has said Trina you gave me THE BEST DAY of my life This thrill in not only sharing that experience with them but in creating such a day is absolutely incredible This thrill is too precious to not encourage others to do the same and provide principles avenues tools and practical help The ideas can be adapted to suit unique situations and promote the experience of rewards that come when reaching out and do something for someone else Encouraging fulfilment to the precious thing that we call LIFE *True Latter-Day Saints' Herald* ,1928 The family magazine of the Reorganized

Church of Jesus Christ of Latter Day Saints **The Multi-age Learning Community in Action** Barbara Cozza,2017-09-18 As schools struggle to teach all students the multi age teaching and learning framework has emerged as one of today s most effective ways to structure schools Multi age Learning Community MAC Program is a professional development program in action It presents a framework that can transform schools from a graded system to a multi age learning environment This multi age school targets students individual and personal needs and allows students to excel and succeed The school reform climate today focuses on schools of choice and building effective school environments This multi age program creates a unique school niche that is marketable to families Parents have the option of sending their children to schools that concentrate on achievement that best meets the needs of the learner without disrupting the mandates of the curricula This book is intended to assist educators at all levels of all school organizations as well as give policymakers educators and parents the information on an effective school program This book gives information on how to transform schools into multi age classrooms This book is divided into four parts that explain both the theory and the practice of effective strategies for the multi age school program Organizational Practice Building Culture Learning Processes and Assessment and Systemic Improvement There are specific basic principles and practices that are integrated into a quality and effective framework discussed in the chapters of this book Each chapter begins with a vignette based on my experiences in multiage schools and concludes with an educator s reflection to recap the concepts in the chapter Each chapter also integrates snapshots that are short real to life passages that bring to life concepts discussed in the chapter Although this book discusses multi age

schools these ideas may be applied to all school environments To accommodate all school programs at the end of each chapter a section titled Application for All Schools is a framework that discusses just how to apply chapter concepts in any school or classroom program It is recommended that the reader review the book one time in sequence and then reread each chapter as needed to give meaning to the reader s purpose Love Your Body...
