Love Of Anxiety Other Essays:

The Love of Anxiety, and Other Essays Charles Frankel, 1965 Publisher description The wide diversity of subjects treated in this book by a contemporary philosopher adds to its interest and surprise The essays range from reflections on the condition and validity of religion to a description of a barge trip on the Seine from a consideration of the institution of the family to a tale about the peculiar moral ideals of bears and beavers French existentialism the shortcomings of American popular pragmatism and the anti intellectualism of the intellectuals are among the other subjects discussed [Catalog of Copyright Entries. Ponomareff, 1998 The main thrust of this collection of essays excluding those on Russian literature is to visualize the European Holocaust from a number of different vantage points the historical and cultural the political and individual the psychological and social and the critical and literary This wider perspective especially as it relates to the range and extent of human suffering suggests that a redefinition of the twentieth century Holocaust is now timely *My Philosophy - And Other Essays on the Moral and Political Problems of Our Time* Benedetto Croce, 2011-10-12 My Philosophy is a 1949 work by Benedetto Croce containing many of his essays on philosophy together with various writings on the subjects of morality and politics Contents include Discourses on Philosophy Philosophy of Politics Problems of Ethics and Aesthetics Philosophy of History and Various Thoughts Benedetto Croce 1866-1952 was an Italian historian philosopher and politician A prolific writer he who wrote on many different subjects including history philosophy aesthetics and historiography This vintage book is highly recommended for those with an interest in philosophy and is not to be missed by fans and collectors of Croce's seminal work Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with an introduction to Croce's

philosophy by Raffaello Piccoli **Kierkegaard's Ethic of Love** C. Stephen Evans, 2004-09-09 A compelling account of Kierkegaard's ethical views seeing him against the backdrop of nineteenth century European society but showing the relevance of his thought for the twenty first century Kierkegaard's view of morality as grounded in God's command to love our neighbours as ourselves has clear advantages over contemporary secular rivals An essay of health and long life ... The fourth edition George Cheyne, 1725 **The Psychology of War and Peace** Fred van Houten, 2013-06-29 Can a Baby Be an Enemy Our world is in a deep prolonged crisis The threat of global nuclear war the chronic condition of local wars the imperilled environment and mass starvation are among the major forms this crisis takes The dangers of massive overkill overexploitation of the environment and overpopulation are well known but surprisingly little has been said about their potential interactions their bearing upon each other If there were to be a nuclear confrontation between today's superpowers it might not take place in today's world but in a far less friendly habitat such as the world may be some decades hence And it need hardly be added that the era of this particular super power configuration may be waning rapidly its place to be taken by other international arrangements not necessarily less threatening To understand and cope with our situation we need correspondingly serious reflection This volume forms a welcome part of that process Unavoidably a large part of our thinking about the issues of human survival must be oriented to physical and biological aspects of the total danger But it has not escaped the authors of this book that coupled with these aspects there are profound psychological dangers such as loss of the sense of future moral deterioration and a fatalistic decline in the will to struggle to protect our home the Earth
