Words by TIM CLARK
and PAT MURPHY, A. S. C. A. P.

Music by TIM CLARK, PAT MURPHY, A.S.C.A.P.
and GREGORY WACHTER, S.U.I.A.
Arr. by M. Cartledge

♩ = 104

The musical score is arranged in three systems, each with a vocal line and a piano accompaniment. The piano part consists of a grand staff (treble and bass clef). The vocal line is in a single treble clef. The key signature has one flat (B-flat), and the time signature is 3/4. The tempo is marked as 104 beats per minute. The score includes guitar chords indicated by letters above the staff: C/G, G, F, A/maj7, Fm/Bb, C, C/G, F/G, A/maj7, Fm/Bb, and C. The lyrics are: "Free at last; we should be free at last, Not pris-oners of the past, Di-vid-ed by ra-c-es. Kind of strange:"

Free at last; we should be free at last,

Not pris-oners of the past, Di-vid-ed by ra-c-es. Kind of strange:

Music Does It Really Matter:

What Really Matters Eugenia Price, 2021-08-17 Eugenia Price has written a very personal accessible book about what for her is the central tenet of contemporary Christian life It is a book for all Christian readers one of her finest inspirations Is it faith she asks Is it prayer Is it spiritual growth Is it praise Is it service and giving Is it our commitment to God Himself Yes these are all basics for a fruitful life as a Christian But underlying and enhancing these virtues is God's everlasting love for us Once we are sure in this knowledge that God will never forsake us everything else will fall into place Faith and prayer and praise and giving and service and commitment to God and our fellow men will begin to happen as a result of our paying attention to the all important fact of His unswerving commitment to us *Do Organizational Stress Really Matters in Career Satisfaction?* Vriti Vasudevan, 2015 Organizational Role Stress is connected with a multitude of negative effects where stress and coping with stress are phenomena closely tangled with human life such that the effects of stress are directly related to coping This book seeks to explore whether there is any relation between Organizational Role Stress and Career Satisfaction on IT professionals and to assess the levels among two variables which can be used to design some interventional strategies in the field of career counselling Concepts of Music and Copyright Andreas Rahmatian, 2015-10-30 Copyright specialists have often focused on the exploitation of copyright of music and on infringement but not on the question of how copyright conceptualises music This highly topical volume brings together specialists in music musicology and copyright law providing a genuinely interdisciplinary research approach It compares and contrasts the concepts of copyright law with those of music and musical performance Several tensions emerge between the ideas of music as a living art and of the musical work as a basis for copyright protection The expert contributors discuss the notions of the musical work performance originality authorship in music and in copyright and co ownership from the disciplinary perspectives of music musicology and copyright law The book also examines the role of the Musicians Union in the evolution of performers rights in UK copyright law and in an empirical study the transaction costs theory for notice and takedown regimes in relation to songs uploaded on YouTube This unique study offers an interdisciplinary perspective for academics policymakers and legal practitioners seeking a state of the art understanding of music and copyright law **Making Music That Matters** Melissa Forbes, 2025-10-22 This book presents a transformative vision for musicians seeking meaningful careers while revitalising community wellbeing In an era of unprecedented social disconnection this groundbreaking book weaves together positive and social psychology leadership studies and interpersonal neurobiology to illuminate powerful pathways for musicians to engage in rewarding work with profound social impact Through evidence based frameworks and compelling case studies this book provides practical strategies for musicians to harness their strengths foster belonging within diverse groups and articulate their work's value as a public health resource Organised in three parts focused on leading leading self leading others and understanding context the chapters include frameworks for identifying strengths creating energising relationships building group identities and

developing systems thinking alongside reflective exercises and real world applications Readers will discover how to create transformative musical experiences that build personal fulfilment and strengthen community connections This accessible book speaks to musicians seeking to diversify their career portfolios educators developing future music leaders and health professionals interested in harnessing music's connective power through innovative social programs It reveals how approaching musicianship as positive leadership creates dual impact enriching both musicians careers and the social health of the communities they serve

Being True to Works of Music Julian Dodd, 2020-07-15 Being True to Works of Music explores the varieties of authenticity involved in our practice of performing works of Western classical music Its key argument is that the familiar authenticity debate about the performance of such works has tended to focus on a side issue While much has been written about the desirability or otherwise of historical authenticity roughly performing works as they would have been performed under ideal conditions in the era in which they were composed the most fundamental norm governing our practice of work performance is in fact another kind of truthfulness to the work altogether This is interpretive authenticity being faithful to the performed work by virtue of evincing a profound far reaching or sophisticated understanding of it As such performers are justified on occasion in sacrificing some score compliance for the sake of making their performance more interpretively authentic Written in a clear engaging style with discussion of musical examples throughout this book will be of great interest to both philosophers of music and musicologists

A Valency Dictionary of English Thomas Herbst, David Heath, Ian F. Roe, Dieter Götz, 2013-02-06 This dictionary provides a valency description of English verbs nouns and adjectives Each entry contains a comprehensive list of the complementation patterns identified on the basis of the largest corpus of English available at the present time All examples are taken directly from the COBUILD Birmingham corpus The valency description comprises statements about the quantitative valency of the lexical units established an inventory of their obligatory contextually optional and purely optional complements as well as systematic information on the semantic and collocational properties of the complements An outline of the model of valency theory used in this dictionary is provided in the introduction
