Now Discover Your Strengths:

Now, Discover Your Strengths Marcus Buckingham, Donald O. Clifton, 2001-01-29 Unfortunately most of us have little sense of our talents and strengths much less the ability to build our lives around them Instead guided by our parents by our teachers by our managers and by psychology's fascination with pathology we become experts in our weaknesses and spend our lives trying to repair these flaws while our strengths lie dormant and neglected Marcus Buckingham coauthor of the national bestseller *First Break All the Rules* and Donald O Clifton Chair of the Gallup International Research Education Center have created a revolutionary program to help readers identify their talents build them into strengths and enjoy consistent near perfect performance At the heart of the book is the Internet based StrengthsFinder Profile the product of a 25 year multimillion dollar effort to identify the most prevalent human strengths The program introduces 34 dominant themes with thousands of possible combinations and reveals how they can best be translated into personal and career success In developing this program Gallup has conducted psychological profiles with more than two million individuals to help readers learn how to focus and perfect these themes So how does it work This book contains a unique identification number that allows you access to the StrengthsFinder Profile on the Internet This Web based interview analyzes your instinctive reactions and immediately presents you with your five most powerful signature themes Once you know which of the 34 themes such as Achiever Activator Empathy Futuristic or Strategic you lead with the book will show you how to leverage them for powerful results at three levels for your own development for your success as a manager and for the success of your organization With accessible and profound insights on how to turn talents into strengths and with the immediate on line feedback of StrengthsFinder at its core **Now Discover Your Strengths** is one of the most groundbreaking and useful business books ever written Please note that the code for the Online Strengths Finder Test is found on the inside of the dust jacket or in the sealed sleeve bound into the book just before the end paper **StrengthsFinder 2.0** Tom

Rath, 2007-02 A new upgraded edition of the online test from Gallup's *Now discover your strengths* Jacket **Now, Discover Your Strengths** Marcus Buckingham, 2020 The 20th anniversary edition of *Now Discover Your Strengths* comes with an access code to the Clifton StrengthsFinder 2.0 assessment This updated assessment includes reports and resources that go far beyond the standardized reports of the older assessment by providing you with personalized insight statements unique to your specific combination of strengths Many of us have little sense of our talents and strengths much less the ability to build our lives around them Instead we're raised and taught to become experts in our weaknesses and spend our lives trying to fix them while our strengths lie dormant **Summary of Now, Discover Your Strengths by Marcus**

Buckingham and Donald O. Clifton QuickRead, Lea Schullery, Learn how to Develop Your Talents and Those of the People You Manage As you've navigated through life you've probably identified your weaknesses You know all about your flaws shortcomings and what areas you need to improve upon Perhaps you know that math is not your strong suit or that any sport

involving a ball is simply not where you thrive Companies and organizations even make sure that we know all about our weaknesses They send employees to various trainings so they can develop the necessary skills to do their job better But what if we've been doing it all wrong According to Marcus Buckingham we have We shouldn't be focusing on our weaknesses it's our strengths that we should be growing and developing In *Now Discover Your Strengths* you'll learn how to identify your strengths and use them to launch you further in life and your career As you read you'll learn how your brain plays a role in developing your innate talents why playing up your strengths is far more powerful than fixing your weaknesses and whether you're an Achiever Arranger or Input type Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello.quickread.com *SUMMARY - Now, Discover Your Strengths By Marcus ; Donald O. Clifton Buckingham* Shortcut Edition, 2021-06-18 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will discover how your strengths and those of your employees will revolutionize your business You will also discover that your strengths come from your talent that your weaknesses don't matter as long as you manage to contain them how to adjust your managerial techniques to each of your employees to be more efficient that someone who uses their talents is more effective than someone who relies on learning how to rethink your company to make talent its driving force Many companies spend fortunes on training to compensate for their employees weaknesses But they are turning the problem upside down by simply trying to limit the damage Instead you need to recognize the unique and enduring talents that make up your team and realize that an individual can only grow personally and professionally by focusing on his or her strengths By integrating these two principles you take the decision to create a more stable more enjoyable and more successful business model But of course all of this requires you to review your methods Are you ready to revolutionize your company's managerial techniques to increase your performance Buy now the summary of this book for the modest price of a cup of coffee [Summary of Now, Discover Your Strengths by Marcus Buckingham, Donald O. "Creating Your Leadership Discipline" Joe Cleggett, 2016-02-12 ABOUT THE BOOK As the world changes and the US becomes more competitively challenged by other economies it is easy to see that those who want to fill leadership positions will have to become more skilled and versatile The US is no longer the automatic leader in many instances and as some would say the rising of the rest provides opportunities and challenges for many different from those of our traditional leaders Creating Your Leadership Discipline shows how the

advantages of those educated in a free society with a higher education system that has a talent meritocracy rather than an exam meritocracy still have an advantage in becoming the leaders the world needs today The book provides an overview of how the world has changed economically politically culturally and technically It examines a lot of what has been written on developing leadership qualities and provides an overview of many books pointing out pertinent aspects required for good leadership It makes the case that learning and understanding ones talents and then developing a discipline to promote and improve those talents will help to create a better leader The Authors writing style includes enjoyable short stories to help the reader learn about their talents and develop their disciplines The book also drives home the point that being brought up in a free society really is an advantage in leading others with interpersonal skills and emotional intelligence qualities necessary for todays leader Now, Discover Your Strengths ,2001 Living Your Strengths Don Clifton,Albert L. The Other 90% Robert K. Cooper, 2010-02-10 For centuries it has been assumed that there are vast limits to human capacity Now although a host of scientific discoveries prove this wrong a mindset of limits persists blocking us from our greatest possibilities and leaving us feeling bombarded by stress change and uncertainty No matter how hard we work no matter how much we give we re still not getting what we hoped for There is another way Dr Robert Cooper a neuroscience pioneer and leadership advisor urges us to take a radically different view of human capacity We are mostly unused potential he says employing less than 10 percent of our brilliance or hidden talents In easy to follow steps he explains how to develop and apply the art and science of your hidden capacity The art is the motivation and inspiration coming from the wonderful stories that are the heart of The Other 90% Dr Cooper draws on his wide ranging insights and experiences to show how it s possible to make a difference in yourself and others However inspiration without a way to turn vision into reality is an empty vessel Combining art with science Dr Cooper provides extraordinary help in the form of specific little known practical ways to use the latest research in neuroscience performance psychology and work physiology for excelling in a pressure filled world He shows you how to Increase energy at work and have more energy for personal and family life Activate the brain s alertness switches to defeat pressure and stress Use not only the brain in your head but the ones in your heart and gut Motivate exceptional ingenuity and performance in yourself and others The most exciting breakthroughs will not come from advances in technology but from a deeper realization of what it means to be most human and alive Many of the choices that can dramatically change our lives are simple and practical yet few people know what these choices are or how to apply them in work and life The Other 90% is your guide to new territory and new challenges **Find Your Purpose** Kevan
