MacKinney,Charles Francis Hoban,1899 **Concrete** ,1928 **Intimate Friends** Karen Marie,2017-03-24 Haley Martin has suffered a huge personal loss with the death of her father and the surprise information he gave her She does not cope with it all very well and develops a strained relationship with her mother She lives in LA and manages to fail her first job as a police officer due to her alcoholism which served as a coping mechanism To clear her head Haley decides to take a vacation

and travels to Louisiana While visiting Louisianas sites she meets the love of her life Theodore Stockley She begins to remember how good it felt to laugh and starts to enjoy life again Theo is a mysterious but wealthy and influential man in Louisiana Louisiana and Theo seemed to be what she needs to jumpstart her life back into gear Having found what she thought was true love Haley feels inspired and opens up a detective agency only to find out that Theo is unable to commit to one woman After experiencing the frustration and disappointment of her relationship Haley returns to LA and dives into a trail of lovers while trying to keep her business afloat Her detective agency opens up a new and different episode of her life and leads her to meet some unsavory characters with a new case that she acquires The leads of the case are exciting but this causes her to travel down some roads that she is not quite sure she should have followed **Plentiful Country** Tyler

Anbinder,2024-03-12 From the award winning author of Five Points and City of Dreams a superb revisionist history of the Irish immigrants who arrived in the United States during the Great Potato Famine using their riveting and deeply personal stories in and beyond New York exemplify the astonishing tenacity and improbable triumph of Irish America Wall Street Journal In 1845 a fungus began to destroy Ireland s potato crop triggering a famine that would kill one million Irish men women and children and drive over one million more to flee for America Ten years later the United States had been transformed by this stupendous migration nowhere more than New York by 1855 roughly a third of all adults living in Manhattan were immigrants who had escaped the hunger in Ireland These so called Famine Irish were the forebears of four U S presidents including Joe Biden yet when they arrived in America they were consigned to the lowest paying jobs and subjected to discrimination and ridicule by their new countrymen Even today the popular perception of these immigrants is one of destitution and despair But when we let the Famine Irish narrate their own stories they paint a far different picture In this magisterial work of storytelling and scholarship acclaimed historian Tyler Anbinder presents for the first time the Famine generation s individual and collective tales of struggle perseverance and triumph Drawing on newly available records and a ten year research initiative Anbinder reclaims the narratives of the refugees who settled in New York City and helped reshape the entire nation Plentiful Country is a tour de force a book that rescues the Famine immigrants from the margins of history and restores them to their rightful place at the center of the American story **The Penny Parker Megapack**
