White, 2019-07-17 It was only a few years ago when God shed his light on me and anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me The grace of God bestowed on me the special gift that was given It burns in my soul and lets the words flow on the paper it was written May I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me to see the mighty hand of God the creator of all things who used a humble servant and made her a child of the king Lead On James Lawrence, 2017-08-18 Leaders know how easy it is in the midst of opportunities demands and expectations to focus on the activity of leadership and not to spend much time on reflecting on who we are what we are doing and how to grow as a leader Taking stock is a crucial step in establishing where we are and what we need to give our attention so that we are not simply swayed by the clamouring demands around us As we take stock our leadership is strengthened helping us to be effective and to be revitalized whatever our leadership context In Lead On James Lawrence takes leaders on a journey of reflection taking stock of their leadership and seeking ways to move forward and grow Through thirty reflections grouped by themes and accompanied by short articles leaders are given a structured process to work through considering both the inner and outer life Each reflection is accompanied by questions to explore and suggested resources to follow up with a process of prayer and review at the end of each section Drawing on a wealth of experience and resources from CPAS this is an approachable yet comprehensive resource for Christian leaders in any sphere The Treasures of the Sun God Arun Gupta, 2012-10-30 Arnab Roy is a brilliant web designer who has been invited to develop the tourism campaign for Odisha India To get a feel of the place Arnab and his wife Anu visit Konark a quiet beach town in Odisha known for being home to an ancient piece of architecture called the Temple of the Sun God Arnab and Anu are enchanted by the grandeur of the sacred place In the Sun Temple Arnab has found his star attraction the worlds gateway to Odisha He sets to work straight away but soon encounters a mystery discovering strange rocks and ancient coins on a pristine beach near Konark What follows is a series of bizarre events the death of a professional diver the appearance of mysterious footage of underwater caverns and a gruesome attack on a ministry car Are these events coincidences or signs of a conspiracy The Temple of the Sun God holds many secrets and some of those may lie at the bottom of the sea *Enfolded in Christ* John-Francis Friendship, 2018-05-30 **Conversations with God** Rodney Charles Tuomi, 2022-10-24 This book is the third book that I have written The first two were books of poetry but this one is a sampling of articles that I have written for newspapers or magazines from the spring of 2010 when I started to electronically save and collect them until the summer of 2021 The book *Conversations with God* is a compilation of years of life It reflects many thoughts about God about nature

and about the wisdom I have gained in so many years of studying ministering and loving people I enjoy using humor though sometimes it may be a little subtle The topics are many and often One article is vastly different from the previous one or the following one I do usually stick to one theme in each individual article Each article is meant to picture an almighty loving God in the light of nature and life experiences My first book of poetry Reflections was a short simple book and my second book of poetry Beside the Still Waters was a longer more detailed collection of poems and scriptures This book is a little longer and more complex My prayer and hope for you is that you enjoy my writing and let it minister to you and speak deeply into your life
