Christians tap into God's resources on a daily basis so that even in the midst of busyness they can walk with him in intimacy and abundance. This book will teach you how to spend quality time with God each day refreshing your soul and preparing you for the day ahead. Each chapter will provide practical suggestions on how to experience God more fully in your quiet time. The goal is to help you understand the whys and hows of spending time with God. My Father's Final Word? Johan Fourie, 2007-04. My Father's Final Word is jam packed with guidelines and practical solutions that can lead readers into an exciting explosive and living relationship with the indwelling Christ. Home Cell Group Explosion Joel Comiskey, 2023-03-08. Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism. Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost. He found the answers and freely shares them within this volume. If you are a pastor or small group leader, you should devour this book. It will encourage you and give you simple practical steps for dynamic small group life and growth. My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar. Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings. I love this book because it focuses on the multiplication of cells for the greatest evangelistic results. C. Peter Wagner, Author, Scholar, and Church Growth Expert. Comiskey does not just describe what is happening in cell churches. He takes the next step and identifies in a step-by-step fashion how we can apply these principles in our churches. It is all here: everything we need to know to start and grow a cell group ministry. I am grateful to Dr. Comiskey for the time, effort, and research that has gone into producing this long-needed book. Richard Peace, Ph.D., Professor of Evangelism and Spiritual Formation, Fuller Theological Seminary. Joel and I shared many days in Bogota as this book was written. His grasp of cell church models is superior to any other person I have worked with. This book is a treasure of information for church planters and pastors wishing to transition to the cell model. Ralph W. Neighbour Jr., Author and Pioneer Church Planter. Be the Message Kerry Shook, Chris Shook, 2014-09-09. Maybe you're troubled by the disconnect between the words you speak and the life you live. Maybe you'd like to see your faith become more active and life-changing in the world around you. Pastor Kerry and Chris Shook felt that way. Even though their calling involved preaching and teaching, they became weary of sermons and words. They felt a gap between what they were saying and the needs of people around them. They decided to do something about it. Be the Message is their story of waking up to the gospel, not just a gospel of words and sermons, but the gospel of intention and action and people. They discovered a profound secret: You Are the Gospel. As they explored the deeper truths of scripture, the verse the word of God lives in you came alive. Digging deeper, they discovered that the gospel message is really about life: message your life lived out. God's call to you is simple: Be the Message. Be the Message opens up a new world of understanding about what God calls you to. As the Shooks learned, the gospel is not about what you say. It's about who you are and what you do and how you can be God's hands and feet in the world. What would happen if we talked about

God less and walked with God more Be the Message reminds us that Christianity was meant to be a faith of action not a faith of words Yet often we sacrifice doing something for the sake of talking about it When we actually act out on our faith we find our faith grows even more You can do more than nothing People s lives are changed when you allow your life to be the gospel to the world Living out the gospel in the world today is both simple and costly The Shooks explore that paradox through biblical stories and their own experience of making a decision to live out the gospel in practical ways Choosing to be the gospel changed their family church and personal relationships with God How can it change your life Almost Every Answer for Practically Any Teacher Bruce Wilkinson,2010-01-27 Questions Answers Teachers face the threat of burnout the challenge of discipline and the complexity of different learning styles Here s your chance to get a firm grasp on every issue from A to Z This book contains 100 articles that provide insight inspiration and instruction for those who communicate God s truth at school home church or in the workplace Edited by bestselling author Bruce Wilkinson this is your resource for making a life changing impact on your students Includes articles by a variety of Christian leaders from Charles Swindoll to Joni Eareckson Tada and A W Tozer An Indispensable Tool for Every Teacher Everyone who communicates God s truth whether at school church the home or the workplace can use a little guidance from the experts Now this companion resource to The 7 Laws of the Learner presents the answers for the most common problems you will encounter when teaching for life change Handpicked by bestselling author Bruce Wilkinson these one hundred articles by some of the most revered Christian leaders will provide insight inspiration and instruction for the educational task at hand Overcome burnout before it overcomes you Know the dos and don ts of discipline Learn how incidental praise brings out the best in students Accomplish life change by telling stories as you teach Learn to use illustrations and applications so they work Understand the purpose of the Holy Spirit in your teaching Discover why students fail tests Learn how to listen with genuine interest to your students Become a teacher who disciples and mentors students Story Behind the Book Bruce Wilkinson had received thousands of requests for a book about how people learn Having taught teachers all over the world he developed the Seven Laws as the basis of his teaching workshops In 1991 he sat down to put this content into book form Published originally as a partnership between Multnomah Publishers and Walk Thru the Bible Ministries this companion workbook to The 7 Laws of the Learner was written in an effort to improve how teachers teach and how learners learn *Why Prayer Makes Sense* Ed Strauss,2014-02-01 Does prayer really matter Absolutely and this book will show you why praying makes sense in the Bible in history and in your life today Here are dozens of easy to read entries on what prayer is what it can accomplish and why you should pray More than just getting things from God prayer is inseparably intertwined with many issues vital to the Christian life faith love trust and obedience among them Learn how prayer can truly be a two way communication with the heavenly Father from the lives of great Bible characters the lives of devoted Christians through history and in your life right now
