Quisling A Study In Treachery

Martin Kristoffer Hamre

Quisling A Study In Treachery:

Quisling Hans Fredrik Dahl,1999-05-27 A 1999 biography of the notorious wartime Norwegian leader Vidkun Quisling whose name is still used as a synonym for traitor **Quisling** Dahl,2007 **Quisling** Hans Fredrik Dahl,1999

Charisma and Fascism Antonio Costa Pinto,Roger Eatwell,Stein Ugelvik Larsen,2014-02-25 Fascism remains a topic that fascinates both academic and general audiences This is the first book to look systematically at the leaders of fascism and related movements in the inter war era It shows how fascist leaders came to personify their movements and why the Führerprinzip was applied in all fascist organizations It also explains how fascist leadership was of a very particular kind It was almost unlimited in political discipline and required complete subordination The legitimacy was based on a very vague notion of the organic unity of the state and the people giving the leaders competence to rule without accountability to a party organization or state bodies Thus we can observe in all fascist parties movements a practical form of leadership where policies of split and rule were common in absence of principles of representation and opposition feedbacks The fascist Führer was the leader the party the ideology and when in power the state itself This book was previously published as a special issue of Totalitarian Movements and Political Religions **My Opposition** Friedrich Kellner,2018-01-25 This is a truly unique account of Nazi Germany at war and of one man's struggle against totalitarianism A mid level official in a provincial town Friedrich Kellner kept a secret diary from 1939 to 1945 risking his life to record Germany's path to dictatorship and genocide and to protest his countrymen's complicity in the regime's brutalities Just one month into the war he is aware that Jews are marked for extermination and later records how soldiers on leave spoke openly about the mass murder of Jews and the murder of POWs he also documents the Gestapo's merciless rule at home from euthanasia campaigns against the handicapped and mentally ill to the execution of anyone found listening to foreign broadcasts This essential testimony of everyday life under the Third Reich is accompanied by a foreword by Alan Steinweis and the remarkable story of how the diary was brought to light by Robert Scott Kellner Friedrich's grandson The Rough Guide to Norway Phil Lee,2013-12-19 The Rough Guide to Norway is the definitive guide to Scandinavia's most inspiring country You'll find insider tips on where the locals spend their time as well as advice on how to make your money go further This 6th edition features all new colour photography on every region as well as extended sections on Svalbard and Spitsbergen winter and summer adventure activities and Norwegian flora and fauna The chapter on Oslo now makes it easier than ever to visit this buzzing style conscious capital set on the doorstep of stunning alpine landscapes You'll also find plenty of advice on visits to Viking settlements great art and historical museums and the Arctic wilderness as well as expanded information on exploring the country via the Hurtigruten Coastal Steamer At every step The Rough Guide to Norway steers you to the best hotels cafés restaurants and shops across every price range giving you clear balanced reviews and honest first hand opinions from authors who know their herring from their lutefisk Originally published in print in 2012 Make the most of your time with The

Rough Guide to Norway Now available in ePub format

The Rough Guide to Norway (Travel Guide eBook) Phil

Lee, 2017-03-30 The Rough Guide to Norway is the ultimate travel guide to Scandinavia's most inspiring country. There's stunning photography to inspire you, crystal clear maps to guide you and in-depth coverage on everything from Norway's charmingly laidback cities to the mighty ice plateaus of Svalbard's arctic wilderness. The Rough Guide to Norway will ensure you make the most of your time in Norway whether you are planning a city break in style-conscious Oslo, a retreat in a stunningly sited fjordside hamlet or an adventurous trip hiking past mountain waterfalls, cross-country skiing or chasing the elusive northern lights. Insider reviews reveal the best places to eat, drink and sleep with something for every budget whether you want to stay in a remote lighthouse or fisherman's hut, enjoy Bergen's top-notch culinary scene or have a night out bar hopping in Norway's buzzing capital city. Make the most of your trip with The Rough Guide to Norway.

Afghanistan

Niamatullah Ibrahim, William Maley, 2019-11-28 This book offers an overview of the formation of the Afghan state and of the politics, economic challenges and international relations of contemporary Afghanistan. It opens with an account of some of the key features that make Afghanistan unique and proceeds to discuss how the Afghan state acquired a distinctive character as a rentier state. In addition, the authors outline a complex range of domestic and external factors that led to the breakdown of the state and how that breakdown gave rise to a set of challenges with which Afghan political and social actors have been struggling to deal since the 2001 international intervention that overthrew the anti-modernist Taliban regime. It then presents the different types of politics that Afghanistan has witnessed over the last two decades, examines some of the most important features of the Afghan economy and demonstrates how Afghanistan's geopolitical location and international relations more broadly have complicated the task of promoting stability in the post-2001 period. It concludes with some reflections on the factors that are likely to shape Afghanistan's future trajectory and notes that if there are hopes for a better future, they largely rest on the shoulders of a globalised generation of younger Afghans. This book will be of interest to students and scholars in the fields of Middle East and Central Asian studies, international relations, politics, development studies and history.

To Serve the Enemy

Shane Darcy, 2019 Despite the harsh treatment that can befall collaborators in armed conflict and despite collaboration often not being voluntary, international law leaves unanswered the ethical questions posed by those who join with the enemy. Shane Darcy explores the issue, calling for a much-needed assessment of the protections granted to collaborators in war.

The Rough Guide to Barcelona

Jules Brown, 2004 The Rough Guide to Barcelona offers the traveller a first-class insight into this colourful and exciting city. This fifth edition has been thoroughly updated and revised and includes up-to-the-minute reviews of the city's best restaurants, bars and clubs. There are in-depth accounts of all the sights, from the tree-lined Ramblas to the weird and wonderful modernist architecture all over the city. The detailed contexts chapter includes a section on Catalan cookery with recipes.

Fascism and Ideology Salvatore

Garau, 2015-03-24 This book develops a number of new conceptual tools to tackle some of the most hotly debated issues

concerning the nature of fascism using three profoundly different national contexts in the inter war years as case studies Italy Britain and Norway It explores how fascist ideology was the result of a sustained struggle between competing internal factions which created a precarious but also highly dynamic balance between revolutionary totalitarian and conservative authoritarian tendencies Such a balance meant that these movements were hybrids with a surprising degree of internal diversity which cannot be explained away as simple opportunism or lack of ideological substance The book s focus on fascist ideology s internal variety and aggregative potential leads it to argue that when fascism succeeded this was less an effect of its revolutionary ideas than of the opposite namely its power to integrate elements from other pre existing ideologies Given the prevailing opinion that fascism is revolutionary by definition the book ultimately poses a challenge to the dominant view in the field of fascist studies

[The Rough Guide to Norway \(Travel Guide eBook\)](#) Rough Guides,2017-03-30 The Rough Guide to Norway is the ultimate travel guide to Scandinavia s most inspiring country There s stunning photography to inspire you crystal clear maps to guide you and in depth coverage on everything from Norway s charmingly laidback cities to the mighty ice plateaus of Svalbard s artic wilderness The Rough Guide to Norway will ensure you make the most of your time in Norway whether you are planning a city break in style conscious Oslo a retreat in a stunningly sited fjordside hamlet or an adventurous trip hiking past mountain waterfalls cross country skiing or chasing the elusive northern lights Insider reviews reveal the best places to eat drink and sleep with something for every budget whether you want to stay in a remote lighthouse or fisherman s hut enjoy Bergen s top notch culinary scene or have a night out bar hopping in Norway s buzzing capital city Make the most of your trip with The Rough Guide to Norway

Fascists of the World, Unite? Martin Kristoffer Hamre,2025-08-04 This book analyzes the ideas and forms of international cooperation between Fascist Italy Nazi Germany and fascist movements from Denmark Norway Sweden Switzerland Ireland and Britain The study examines how fascists attempted to unite across borders by forming international organizations and networks hosting conferences and exhibitions disseminating multilingual publications and exchanging propaganda Their transnational cooperation was fuelled by shared ideas of ultranationalism anti liberalism anti communism antisemitism racism white supremacism and Europeanism The book argues that fascist internationalism marked by contradictions limitations and an Italo German rivalry emerged in the 1930s as a counter reaction to liberal and communist internationalism The epilogue discusses reverberations in the Second World War and the postwar period and outlines the relevance of this history for understanding contemporary forms of far right internationalism

The Legacy of Nuremberg David A. Blumenthal,Timothy L. H. McCormack,2008 In this new collection of essays the editors assess the legacy of the Nuremberg Trial asking whether the Trial really did have a civilising influence or if it constituted little more than institutionalised vengeance Three essays focus particularly on the historical context and involve rich analysis of for example the atmospherics of the Trial itself and the attitudes of German society at the time to the conduct of the Trial The majority of the essays deal with the contemporary legacies of the

Nuremberg Trial and attempt to assess the ongoing relevance of the Judgment itself and of the principles encapsulated in it. Some essays consider the importance of the principle of individual criminal responsibility under international law and argue that the international community has to some extent failed to fulfil the promise of Nuremberg in the decades since the Trial. Other essays focus on contemporary application of aspects of the substantive law of Nuremberg particularly the international crime of aggression the law of military occupation and the use of the crime of conspiracy as an alternative basis of criminal responsibility. The collection also includes essays analysing the nature and operation of a number of international criminal tribunals since Nuremberg including the permanent International Criminal Court. The final grouping of essays focus on the impact of the Nuremberg Trial on Australia examining in particular Australia's post World War Two war crimes trials of Japanese defendants Australia's extensive national case law on Article 1 F of the Refugee Convention and Australia's national implementing legislation for the Rome Statute.

Anti-fascism in the Nordic Countries Kasper Braskén, Nigel Copsey, Johan A. Lundin, 2019-01-10. Although the Nordic countries have a reputation for tolerance and social democracy they were not immune to fascism which spread across Europe in the 1920s and 1930s. This book offers the first comprehensive history of anti fascism in the Nordic Countries. Through a number of case studies on anti fascism in Sweden Finland Norway Denmark and Iceland the book makes a significant contribution to the history of contentious politics in the Nordic Countries and to our broader knowledge of European fascism and anti fascism. The case studies concentrate on the different manifestations of resistance to fascism and Nazism in the interwar era as well as some of the postwar variants. The book will be of considerable interest to scholars of anti fascism as well as researchers of Nordic and Scandinavian history and politics.

European Resistance in the Second World War Philip Cooke, Ben H. Shepherd, 2013-11-13. Resistance to German led Axis occupation occurred all the way across the European continent during the Second World War. It took a wide range of forms: non cooperation and disinformation sabotage espionage armed opposition and full scale partisan warfare. It is an important element in the experience and the national memory of the peoples who found themselves under Axis government and control. For over thirty years there has been no systematic attempt to give readers a panoramic yet detailed view of the make up actions and impact of resistance movements from Scandinavia down to Greece and from France through to Russia. This authoritative and accessible survey written by a group of the leading experts in the field provides a reliable in depth up to date account of the resistance in each region and country along with an assessment of its effectiveness and of the Axis reaction to it. An extensive introduction by the editors Philip Cooke and Ben H Shepherd draws the threads of the varied movements and groups together highlighting the many differences and similarities between them. The book will be a significant contribution to the frequently heated debates about the importance of individual resistance movements. It will be thought provoking reading for everyone who is interested in or studying occupied Europe during the Second World War.

Hitler's Northern Utopia Despina Stratigakos, 2022-03-22. How Nazi architects and planners envisioned and began to

build a model Aryan society in Norway during World War II The European Antarctic P. Roberts, 2011-12-19 This is the first transnational study of British Norwegian and Swedish engagement with the Antarctic Rather than charting how Europeans unveiled the Antarctic it uses the history of Antarctic activity as a window into the political and cultural worlds of twentieth century Britain and Scandinavia **Dangerous Liaisons** Peter Davies, 2014-09-25 The Nazi regime in Germany was terrible enough without even accounting for the policy of collaboration So what extra does collaboration say about Hitler and his plans for Europe Peter Davies explores the mindset and political attitudes of Hitler and also many other controversial pro Nazi leaders in Western Europe Scandinavia Central and Eastern Europe and also beyond Delving into four different types of collaboration political financial the Holocaust and collaboration at a social level he asks some difficult questions The story of collaboration is brought up to date assessing both the legacy and its contemporary parallels H.G. Wells and All Things Russian Galya Diment, 2019-07-26 H G Wells and All Things Russian is a fertile terrain for research and this volume will be the first to devote itself entirely to the theme Wells was an astute student of Russian literature culture and history and the Russians in turn became eager students of Wells's views and works During the Soviet years in fact no significant foreign author was safer for Soviet critics to praise than H G Wells The reason was obvious He had met and largely approved of Lenin was a close friend of the Soviet literary giant Maxim Gorky and in general expressed much respect for Russia's evolving Communist experiment even after it fell into Stalin's hands While Wells's attitude towards the Soviet Union was nevertheless often ambivalent there is definitely nothing ambiguous about the tremendous influence his works had on Russian literary and cultural life

Yeah, reviewing a book **Quisling A Study In Treachery** could amass your close contacts listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have astonishing points.

Quisling A Study In Treachery Introduction

In today's digital age, the availability of Quisling A Study In Treachery books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Quisling A Study In Treachery books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Quisling A Study In Treachery books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Quisling A Study In Treachery versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Quisling A Study In Treachery books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Quisling A Study In Treachery books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Quisling A Study In Treachery books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Quisling A Study In Treachery books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Quisling A Study In Treachery books and manuals for download and embark on your journey of knowledge?

FAQs About Quisling A Study In Treachery Books

1. Where can I buy Quisling A Study In Treachery books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
