Pharmacracry Thomas Szasz, 2003-09-01 The modern penchant for transforming human problems into diseases and judicial sanctions into treatments replacing the rule of law with the rule of medical discretion leads to a type of government social critic Thomas Szasz calls pharmacracry He warns that the creeping substitution of democracy for pharmacracry private personal concerns increasingly perceived as requiring a medical political response inexorably erodes personal freedom and dignity

Within My Heart Michael A. Van Horn, 2017-03-14 This book illustrates how Christianity in the modern era has been shaped in the direction of subjectivity In the Enlightenment after Locke required faith to submit to reason's judgment Kant argued that religion should remain within the bounds of reason only Schleiermacher shifted attention away from belief to devotion to Christ and a feeling of absolute dependence on God Rejecting Hegel's system Kierkegaard summoned his readers to a unique subjective approach to justification by faith Revivalist Evangelicalism has been perceived and portrayed itself as a rejection of modernism This study argues instead that the Evangelical revivalist movement is unmistakably modern in its assumptions regarding the nature of faith The Pietist impulse fueled in part by modern anthropocentrism and subjectivism in religious belief was appropriated by the Evangelical revivalists such as John Wesley George Whitefield Jonathan Edwards and later Charles Finney In short Christianity today is a religion of the heart

On the Unseriousness of Human Affairs James V. Schall, 2023-05-02 In this wise and witty book acclaimed author James Schall illuminates a fundamental truth that will shock ceaselessly busy and ambitious Americans human affairs are unserious Following Plato Schall shows why singing dancing playing contemplating and other useless human activities are not merely forms of escape but also indications of the freedom in and for which men and women were created The joy that accompanies leisure festivity and conviviality he demonstrates gives us a glimpse of the eternal On the *Unseriousness of Human Affairs* offers a vital message that is truly countercultural

Crumbs from a Bum Matthew B Wincowski, 2014-09-16 Finding a coherent set of answers to life's age old questions can be an onerous undertaking Yet the questions abound in our culture and a rational collection of answers is seemingly ungraspable Commoners have been led to believe that beliefs are irreversibly inconsequential Youngsters are boldly instructed to merely seek success Teachers unblushingly preach to students that there is no such thing as truth With uncountable opinions and beliefs put forth who ought we to trust Should we give credence to the preachy words of secularists who do not even have the backbone to adhere to a logically consistent worldview Are we to trust the pop psychologists who unmindfully and unabashedly bypass life's essential questions Would it be shrewd of us to subscribe to the pluralists who lack the decency to study incommensurable

worldviews yet absurdly accept contrasting worldviews as equally valid Whom shall we trust In a culture where common sense has commonly vanished amongst commoners we would do well to welcome common sense into our lives Thinking episodically has become the modern routine and yet such a routine suffocates us in the ruins of our own lack of thinking for thinking episodically is really no way of thinking at all Perhaps just perhaps the answers to life s most pressing questions are within our reach but first we must be willing to embrace common sense *Created for Significance* Robert B. Shaw Jr.,2013-05-30 We need answers answers that are sure and dependable answers that bring goodness and contentment Today perhaps more than ever before the human condition has been confused and in turmoil We are longing for essential aspects to fulfil our needs but often fall short of the true fulfilment We are created with core longings that were designed to be ultimately fulfilled by God However we have been hurt by bad relationships abuse and neglect unfulfilled promises and shortcomings of our own contrived pursuits As we begin the Created For series we will introduce these six core longings and begin with the focus on significance My prayer is that you will find healing for your soul and restoration for your spirit Dr Robert Shaw has spent his life in the people helping business He has a unique ability to key in on the many dynamics of the human condition and the biblical answers that can help individuals become all that God truly intends them to be In this work he introduces and expounds upon human core longings love significance security understanding purpose and belonging In a culture that has become narcissistic and driven by what s in it for me Dr Shaw reveals what it means to live a truly meaningful life based on identifying and honoring these God given core longings In your quest for the experience of the truth as revealed in Scripture and most importantly in Christ this work will provide you with a clear pathway to genuine satisfaction from the inside out in a way that brings glory to the One who created you for eternal significance Mark J Chironna MA Ph D Senior Pastor and Life Coach Church on the Living Edge Orlando Florida Dr Shaw writes with eloquent simplicity on a complex matter of God s creative design He has gathered nuggets of truth and packaged them for both scholarly and practical consumption as a source of being reminded of our God given significance As a consummate clinician and a devout minister of the gospel he possesses a rare capacity to write with a full measure of the spiritual savvy to discern and articulate timeless truths with grace and contemporary relevance Everyone will be well served to drink deeply from this well of wisdom Adrian F Starks Senior Pastor World Victory International Christian Center Greensboro North Carolina

Reframing the Soul Gregory Spencer,2018-03-13 When you frame your life what s in the picture We don t just remember the past We remember it as we have framed it Jesus calls us to reframe life grace instead of law love instead of retaliation demonstrating that our faith work is framework In this book readers will be awakened to the power of the words they choose As we begin to change our word choices we become empowered to reframe our story according to the truth of our lives and the wisdom of the gospel New circumstances a divorce a new job an illness or a revelation about the past often drive us to reframe In these times of crisis or change we realize that the words and labels we have previously accepted are unsatisfying

Reframing the Soul guides readers through remembering the past with gratitude anticipating the future with hope dwelling within themselves with peace and relating to others in love **Father Hunger** Douglas Wilson, 2012-04-30 Fatherlessness is a rot that is eating away at the modern soul writes Douglas Wilson and the problem goes far beyond physical absence Most of our families are starving for fathers even if Dad is around and there s a huge cost to our children and our society because of it Father Hunger takes a thoughtful timely richly engaging excursion into our cultural chasm of absentee fatherhood Blending leading edge research with incisive analysis and real life examples Wilson Traces a range of societal ills from poverty and crime to joyless feminism and paternalistic government expansion to a vacuum of mature masculinity Explains the key differences between asserting paternal authority and reestablishing true spiritual fathering Uncovers the corporate fulfillment fallacy and other mistaken assumptions that undermine fatherhood Extols the benefits of restoring fruitful fathering from stronger marriages to greater economic liberty Filled with practical ideas and self evaluation tools Father Hunger both encourages and challenges men to embrace the high calling of fatherhood becoming the dads that their families and our culture so desperately need them to be Wilson sounds a clarion call among Christian men that is pointedly biblical urgently relevant humorously accessible and practically wise Richard D Phillips author of The Masculine Mandate God s Calling to Men Father Hunger illustrates one of the greatest influences or lack thereof on the identity of a man a father Read a book that will strike an invisible chord in the lives of men both lost and found Dr Eric Mason pastor of Epiphany Fellowship Philadelphia **Know Why You Believe** Paul E. Little, 2009-08-20 Do science and Scripture conflict Are miracles possible Is Christian experience real Why does God allow suffering and evil In this classic answerbook on Christian faith Paul E Little responds to the twelve most common intellectual challenges posed to Christians Evidence for Faith John Warwick Montgomery, 2018-01-27 Twenty essays that argue for the truth of what C S Lewis called mere Christianity The contributors all distinguished scholars present their evidence from a variety of disciplines including philosophy archaeology biology history law and cosmology Step by step the writers construct a convincing argument for the accuracy of the Bible and the credibility of the Christian faith Benevolent Living Richard Hazelett, Dean Turner, 1990
