Rangarajan, 2004-09 **Being Alive and Having to Die** Dan Cryer, 2025-10-16 One of the year's Top Ten Books on Religion and Spirituality Booklist Being Alive and Having to Die is the story of the remarkable public and private journey of Reverend Forrest Church the scholar activist and preacher whose death became a way to celebrate life Through his pulpit at the prestigious Unitarian Church of All Souls in New York Reverend Forrest Church became a champion of liberal religion and a leading opponent of the religious right An inspired preacher a thoughtful theologian and an eloquent public intellectual Church built a congregation committed to social service for people in need while writing twenty five books hosting a cable television program and being featured in People Esquire New York Magazine and on numerous national television and radio appearances Being Alive and Having to Die works on two levels as an examination of liberal religion during the past 30 years of conservative ascendancy and as a fascinating personal story Church grew up the son of Senator Frank Church of Idaho famous for combating the Vietnam War in the 1960s and the CIA in the 1970s Like many sons of powerful fathers he rebelled and took a different path in life which led him to his own prominence Then in 1991 at the height of his fame he fell in love with a married parishioner and nearly lost his pulpit Eventually he regained his stature overcame a long secret alcoholism wrote his best books and found himself diagnosed with terminal cancer His three year public journey toward death brought into focus the preciousness of life not only for himself but for his ministry Based on extraordinary access to Church and over 200 interviews with family friends and colleagues Dan Cryer bears witness to a full fascinating at times controversial life Being Alive and Having to Die is an honest look at an imperfect man and his lasting influence on modern faith **Liberal Progressivism** Gordon Hak, 2021-04-14 In Liberal Progressivism Gordon Hak makes the case for the value of theory and philosophy in understanding the day to day political realm of elections politicians scandals fund raising and law making Running through the book is the big question of how

political attitudes and actions are philosophically grounded why do people believe what they do Framed as a debate between liberal progressivism and the Marxist informed left and between liberal progressives and the non university educated working class an informant named Gord is introduced Drawing on his life experience he acts as a guide into the worlds of liberal progressivism the non university educated working class and the Marxist informed intellectual left modes of existence that he has personally experienced In 11 chapters the book presents an appreciation of nonbinary relationships open ended dialectics complex systems and equilibrium theory and the importance of emotions in political life Through a transdisciplinary approach the book delves into the interconnecting the worlds of politics philosophy anthropology sociology history and epistemology to produce a celebration of political theory which deserves to be widely read by students scholars and activists

The Quotable Rogue Thomas Nelson, 2011-06-27 When Sarah Palin says it all of America hears it In the few years since Americans met Sarah Palin her every word has been chronicled analyzed celebrated and yes infamously disparaged Regardless of your party affiliation it s impossible to deny her influence on American politics and the dialogue her ideas have generated Author Matt Lewis has gathered some of Palin s most memorable remarks reminding us that whether you consider her a rogue or a patriot her words reveal a genuine love for America Endorsements If you learned everything you knew about American politics from Matt Lewis you d be in pretty good shape I should know since I practically do Tucker Carlson Co Founder and Editor in Chief of The Daily Caller Matt Lewis is a conservative provocateur and has an easy way of making complicated issues understandable and leaving the DC jargon off the table Matt s projects always make you think reflect and act Governor Rick Perry 47th Governor of Texas Sarah Palin is one of the most important conservative leaders in America and Matt Lewis is one of my favorite writers Every conservative ought to have a copy of the Quotable Rogue in their personal library if for no other reason than to refute the distortions and lies constantly hurled at Palin by her detractors Ken Blackwell former Ohio Secretary of State senior fellow at the Family Research Council For all the accolades heaped on Mr Obama for his soaring rhetoric and brilliant professorial oratory it s hard to deny that Sarah Palin is one of the most quotable leaders of the 21st century The Quotable Rogue brings that into stunning clarity And it s not because she s controversial it s because she s usually just right S E Cupp political columnist and culture critic author of Losing Our Religion The Liberal Media s Attack on Christianity As you ll see in Matt s book the reason for Sarah Palin s popularity is that she speaks in a blunt fashion and exposes truths that the politically correct job protecting elites are fearful of She is a far wiser woman than Katie Couric Andrew Breitbart Breitbart com author of Righteous Indignation Sarah Palin drives the left crazy and makes many of the Republicans who collaborated with Democrats to destroy our fiscal wellbeing duck and cover Matt Lewis captures through Sarah Palin s own words her wit wisdom and basic sense that America remains the last best hope for mankind Erick Erickson Editor in Chief of RedState com Steadfast in her beliefs and fearless in her demeanor Sarah Palin has become a leading voice in today s conservative movement and has inspired a new generation of activists This book of
