Manello,2021-04-08 According to the Standish Group a third of conceptualized projects are cancelled before they start and more than 50 percent of projects will exceed their budgets by more than 100 percent Hordes of statistics and reams of data are available that reflect the poor performance of organizations in meeting the goals of their initiatives There are better ways to deliver Carl M Manello a veteran business executive and consultant provides a blueprint to bolster project management in this book Learn how to keep projects on track from start to finish make an impactful difference with minor changes in thinking focus like a laser on what is needed most deliver more value from projects Many organizations rely on armies of certified project managers who can quote textbooks but they fail to put their knowledge into action That's why this book is so important as it presents an opportunity to use well known but not well used principles practices and methods to manage projects To get better results than the project management profession has been able to produce since the middle of the last century we must try something different *Delivery Effectiveness* provides a simple approach to get better results *Branch*

Rickey Lee Lowenfish,2022-08-15 He was not much of a player and not much more of a manager but by the time Branch Rickey 1881 1965 finished with baseball he had revolutionized the sport not just once but three times In this definitive biography of Rickey the man sportswriters dubbed The Brain The Mahatma and on occasion El Cheapo Lee Lowenfish tells the full and colorful story of a life that forever changed the face of America's game As the mastermind behind the Saint Louis Cardinals from 1917 to 1942 Rickey created the farm system which allowed small market clubs to compete with the rich and powerful Under his direction in the 1940s the Brooklyn Dodgers became truly the first America's team By signing Jackie Robinson and other black players he single handedly thrust baseball into the forefront of the civil rights movement Lowenfish evokes the peculiarly American complex of God family and baseball that informed Rickey's actions and his accomplishments His book offers an intriguing richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business sport and society *Executives Lifetime Library of Model Speeches for Every Situation* Roger Shelby,2024-11-01

This resource provides over 200 ready to use model speeches covering many different business purposes and situations The library should be broad enough to be used by executives in all types of industry and all size firms **How to Write & Give a Speech** Joan Detz,2014-03-04 A practical text for helping anyone develop the ability to speak and become more effective Terrence J McCann Toastmasters International A how to classic The Washington Post With more than 65 000 copies sold in two editions and recommended by Forbes and U S News World Report this newly updated and expanded guide offers sound advice on every aspect of researching writing and delivering an effective speech Filled with meaningful anecdotes compelling

examples and practical advice this accessible guide will help you speak with confidence and authority Speechwriter and coach Joan Detz covers everything from the basics to the finer points of speaking with passion persuasion and style Topics include Assessing your audience Researching your subject and deciding what to leave out Keeping it simple Using imagery quotations repetition and humor Special occasion speeches Speaking to international audiences Using Power Point and other visual aids And many more Updated to include new examples and the latest technology as well as a section on social media this is a time saving success boosting must have for anyone who writes and delivers speeches whether they are novices or experienced veterans at the podium

Entrepreneurial Opportunity Greg Clydesdale, 2009-09-10 Successfully starting a new business venture depends upon more than having a brilliant idea getting funding and getting the product or service to market Entrepreneurs must also learn to read the market and understand the environments in which they must operate Entrepreneurial Opportunity places the emphasis on reading and making the most of things that may be beyond the entrepreneur's control from defaulting contractors to the opening and closing of business niches It also considers previously under considered options such as the political entrepreneur This long over due text provides a far more realistic view of entrepreneurial opportunity and the importance of the business environment Yet despite its realist stance the book is decidedly optimistic showing readers how markets evolve over time and present opportunities through that evolution As Clydesdale states it's not always fair out there but this book captures the excitement of the market and its role in delivering opportunities Drawing on a broad range of academic research Entrepreneurial Opportunity is written in a manner that is accessible for students and practitioners with examples and mini cases from a variety of industries including high technology hospitality and motion pictures

Consultant - Market Yourself Robert Gentle, 2002 Maintaining that most consultants waste their energy chasing new business instead of building a market profile which would encourage new business to come to them the author of Consultant Market Yourself offers expert advice on how to bring in new business through sound marketing and PR strategies

Electric October Kevin Cook, 2017-08-15 An entertaining well researched account of the first World Series to be televised and the forgotten stories of six Yankees and Dodgers Publishers Weekly starred review The 1947 World Series was the most exciting ever in the words of Joe DiMaggio with a decade's worth of drama packed into seven games between the mighty New York Yankees and underdog Brooklyn Dodgers It was Jackie Robinson's first Series a postwar spectacle featuring Frank Sinatra Ernest Hemingway and President Harry Truman in supporting roles It was also the first televised World Series sportswriters called it Electric October But for all the star power on display the outcome hinged on role players Bill Bevens a journeyman who knocked on the door of pitching immortality Al Gionfriddo and Cookie Lavagetto bench players at the center of the Series iconic moments Snuffy Stirnweiss a wartime batting champion who never got any respect and managers Bucky Harris and Burt Shotton each an unlikely choice to run his team Six men found themselves plucked from obscurity to shine on the sport's greatest stage But their fame was fleeting three would never play

another big league game and all six would be forgotten Kevin Cook brings the 47 Series back to life introducing us to men whose past offered no hint they were destined for extraordinary things For some the Series was a memory to hold on to For others it would haunt them to the end of their days And for us Cook offers new insights some heartbreaking some uplifting into what fame and glory truly mean A wonderful book Ken Burns Impressively reported smoothly written Kirkus Reviews Mr Cook evokes earlier books by Roger Kahn Peter Golenbock and David Halberstam in a poignant study that goes beyond baseball and its immortals like Jackie Robinson and Joe DiMaggio His thoroughly researched narrative probes their personalities and relives the gladiatorial 1947 rivalry between the two hometown teams game by game The New York Times Includes photographs
