R D Laing A Biography

Edgar Zodiag Friedenberg

R D Laing A Biography:

R.D. Laing Adrian C. Laing, 1994 Distributor taken from label on t p **A divided self** John Clay, 1996 R.D. Laing Adrian C. Laing, 2006 R D Laing author of *The Divided Self* and *Knots* was the best known and most influential psychiatrist of modern times In this remarkable biography the only one to be written by a close relative Laing s son tells the story of his father s life and examines the foundations of his pioneering and unorthodox work on madness and the family Adrian Laing is the second of R D Laing s six sons and is a lawyer and author He lives in London **Dialogue with R.D. Laing** Richard Isadore Evans, Ronald David Laing, 1981 **R.D. Laing** John Clay, 1997 R D Laing was Britain s most famous psychoanalyst and a hugely contentious figure His ambition to make madness intelligible was reached through unorthodox means and despite being a gifted professional he was sneered at by the establishment In this biography John Clay traces Laing s colourful life from his childhood in Glasgow to the heights of fame in the 1960s and assesses the influence his ideas had on the future of psychiatry History of Everyday Life in Twentieth-Century Scotland Lynn Abrams, 2010-02-28 Over the twentieth century Scots lives changed in fast dramatic and culturally significant ways By examining their bodies homes working lives rituals beliefs and consumption this volume exposes how the very substance of everyday life was composed tracing both the intimate and the mass changes that the people endured Using novel perspectives and methods chapters range across the experiences of work art and death the way Scots conceived of themselves and their homes and the way the old Scotland of oppressive community rules broke down from mid century as the country reinvented its everyday life and culture This volume brings together leading cultural historians of twentieth century Scotland to study the apparently mundane activities of people s lives traversing the key spaces where daily experience is composed to expose the controversial personal and national politics that ritual and practice can generate Key features Contains an overview of the material changes experienced by Scots in their everyday lives during the course of the century Focuses on some of the key areas of change in everyday experience from the way Scots spent their Sundays to the homes in which they lived from the work they undertook to the culture they consumed and eventually the way they died Pays particular attention to identity as well as experience R.D. Laing Bob Mullan, 1999 This biography pieces together elements of Laing s life re evaluating this remarkable man s thought In particular it addresses his ambivalence towards Freud his unreconstructed Marxism his love of Buddha but his reconstructed Buddhism his adoration of Nietzsche and Sartre the only two contemporaries he believed superior to himself and the ideas he developed through his own experience of working with himself and his patients His behaviour could range from peacefulness and enlightenment to violence But he could always be trusted to be none but himself tender compassionate cruel vindictive sober or drunk muddle headed and or profoundly perceptive and original tearful and morose joyous and contented Mad to be Normal Ronald David Laing, Bob Mullan, 1995 People believe quite different things about R D Laing and the views it is claimed he held Equally there are many opinions about his intellectual

worth What is incontestable is that in the 1960s Laing wrote a number of books including *The Divided Self* *The Politics of Experience* and *The Bird of Paradise* and *Sanity Madness and the Family* that rocked the foundations of conventional psychiatry and galvanized the imagination of millions of ordinary readers For the next twenty years his books were translated into every single major language in the world and many more His collection of short poems *Knots* enjoyed huge international success and was performed on television and the stage His existential approach to madness angered many people as much as it sensitized others to matters of individual liberty and the importance of the social context of illness Through his fame he was almost reinvented hence the burgeoning of the controversies that surround his work *Mad to be Normal* presents Laing's own words about his work and about his life It is the most complete record on Laing by Laing **Self and Others** ,1998

The Legacy of R. D. Laing M. Guy Thompson,2015-05-22 The name R D Laing continues to be widely recognized by those in the psychotherapy community in the United States and Europe Laing's books are a testament to his breadth of interests including the understanding of madness alternatives to conventional psychiatric treatment existential philosophy and therapy family systems cybernetics mysticism and poetry He is most remembered for his devastating critique of psychiatric practices his controversial rejection of the concept of mental illness and his groundbreaking center for people in acute mental distress at Kingsley Hall London Most of the books that have been published about Laing have been written by people who did not know him personally and were unfamiliar with Laing the man and teacher *The Legacy of R D Laing* An appraisal of his contemporary relevance is composed by thinkers and practitioners who knew Laing intimately some of whom worked with Laing This collection of papers brings a perspective and balance to Laing's controversial ideas some of which were never addressed in his books There has never been a collection of papers that address so thoroughly the question of who Laing was and why he became the most famous psychiatrist in the world As M Guy Thompson's collection illustrates there are now a number of alternatives to psychiatry throughout the world and much of this can be credited to Laing's influence *The Legacy of R D Laing* will ensure the reader has a keen grasp of who Laing was what it was like to be his patient or his friend and why his thinking was far ahead of its time even in the radical era of the 1970s It is timely to appraise the nature of his contribution and bring Laing back into contemporary conversations about the nature of sanity and madness and more humane approaches to helping those in profound mental distress This book offers an in depth insight into the work of R D Laing It will be a must read for psychoanalysts psychotherapists family therapists psychiatrists and academics alike M Guy Thompson PhD is a Personal and Supervising Analyst at the Psychoanalytic Institute of Northern California and Chairman of Free Association Inc a non profit organization devoted to the dissemination of Laing's ideas in San Francisco Dr Thompson received his psychoanalytic training from R D Laing and associates at the Philadelphia Association and is the author of numerous books and journal articles on psychoanalysis phenomenology and schizophrenia He currently lives in San Rafael California **R. D. Laing** Edgar Zodiag Friedenberg,1974 **Basaglia's International Legacy: From Asylum to**

Community Tom Burns, John Foot, 2020-05-28 Franco Basaglia 1924 1980 was an Italian psychiatrist and activist who proposed the dismantling of psychiatric hospitals and pioneered new ideas about mental health and its treatment Basaglia was also one of the principal proponents of Italy's Law 180 which effectively closed down large mental hospitals in Italy His ideas and his disciples have had a decisive influence in the move away from institutional care in many parts of the world particularly in continental Europe and South America However Basaglia is strikingly absent from the literature in Germanic and Anglophone psychiatry Most of the literature about Basaglia in the last 40 years has been published by his followers and supporters and has often been largely positive with little exploration of differing responses or possible limitations of his model Basaglia's International Legacy From Asylum to Community provides an overview of current thinking and the international influence of Franco Basaglia This resource draws on the combined knowledge of clinicians policy makers historians and social scientists including a handful of Basaglia's collaborators It provides an in depth understanding and critical analysis of the various applications of his thinking worldwide Organised into three broad sections chapters examine Basaglia's work and influence in Italy in the Basaglian countries of Europe and South America and in those countries where his influence has either been rejected or significantly modified The Editors bring together the contributions and draw out the important messages both positive and negative for current clinical practice and development within international mental health services

R. D. Laing Richard Isadore Evans, Ronald David Laing, 1976 Emma pretends that she and her dolls spend a day at school **The British Anti-Psychiatrists** Oisín Wall, 2017-09-13 The British anti psychiatric group which formed around R D Laing David Cooper and Aaron Esterson in the 1960s burned bright but briefly and has left a long legacy This book follows their practical social and theoretical trajectory away from the structured world of institutional psychiatry and into the social chaos of the counter culture It explores the rapidly changing landscape of British psychiatry in the mid Twentieth Century and the apparently structureless organisation of the part of the counter culture that clustered around the anti psychiatrists including the informal power structures that it produced The book also problematizes this trajectory examining how the anti psychiatrists distanced themselves from institutional psychiatry while building links with some of the most important people in post war psychiatry and psychoanalysis The anti psychiatrists bridged the gap between psychiatry and the counter culture and briefly became legitimate voices in both Wall argues that their synthesis of disparate discourses was one of their strengths but also contributed to the group's collapse The British Anti Psychiatrists offers original historical expositions of the Villa 21 experiment and the Anti University Finally it proposes a new reading of anti psychiatric theory displacing Laing from his central position and looking at their work as an unfolding conversation within a social network

R D Laing Bob Mullan, 1997 I really liked this book a lot It is so bitty so easy to dip into I found so many quotes I loved and found useful and wanted to remember Self and Society This book is a valuable resource for future scholars and aspiring biographers and well worth the effort of anyone really interested in the life and thought of this brilliant and tormented man

Journal of the Behavioural Science This volume collects together accounts both professional and personal of R D Laing by those who knew him Some view Laing as important as Jung or Freud a revolutionary of his time His psychiatry work in the 1960s and 1970s was unconventional even radical and Laing the man evoked a strong response from those who came into contact with him The book features conversations letters photographs and poetry and contributors include Allen Ginsberg Anthony Clare Ralph Metzner and Van Morrison

R. D. Laing & Anti-psychiatry Robert Boyers,1971

The Facts of Life Ronald David Laing,1976

Portrait of the Psychiatrist as a Young Man Allan Beveridge,2011-08-25

RD Laing remains one of the most famous psychiatrists of the last 50 years In the 1960s he enjoyed enormous popularity and received much publicity for his controversial views challenging the psychiatric orthodoxy He championed the rights of the patient and challenged the often inhumane methods of treating the mentally ill Based on a wealth of previously unexamined archives relating to his private papers and clinical notes *Portrait of the Psychiatrist as a Young Man* sheds new light on RD Laing and in particular his early formative years a crucial but largely overlooked period in his life The first half of the book considers Laing s intellectual journey through the world of ideas and his development as a psychiatric theorist An analysis of his notebooks and personal library reveals Laing s engagement not only with psychiatric theory but also with a wide range of other disciplines such as philosophy literature and religion This part of the book considers how this shaped Laing s writing about madness and his evolution as a clinician The second half draws on a rich and completely unexplored collection of Laing s clinical notes which detail his encounters with patients in his early years as a psychiatrist firstly in the British Army subsequently in the psychiatric hospitals of Glasgow and finally in the Tavistock Clinic in London These notes reveal what Laing was actually doing in clinical practice and how theory interacted with therapy The majority of patients who were to appear in Laing s first two books *The Divided Self* and *The Self and Others* have been identified from these records and this volume provides a fascinating account of how the published case histories compare to the original notes There is a considerable mythology surrounding Laing partly created by himself and partly by subsequent commentators By a careful examination of primary sources Allan Beveridge both a psychiatrist and an historian examines the many mythological narratives about Laing and provide a critical but not unsympathetic account of this colourful and contradictory thinker who addressed questions about the nature of madness which are still being asked today This book will be of interest to mental health workers and social historians alike as well as anybody interested in the philosophy of psychiatry

The Philosopher's Autobiography Shlomit C. Schuster,2003-01-30

Throughout the ages philosophers have examined their own lives in an attempt both to find some meaning and to explain the roots of their philosophical perspectives This volume is an introduction to philosophical autobiography a rich but hitherto ignored literary genre that questions the self its social context and existence in general The author analyzes representative narratives from antiquity to postmodernity focusing in particular on three case studies the autobiographies of St Augustine Rousseau and Sartre Through the study of these exemplary texts

philosophical reflection on the self emerges as a valid alternative to Freudian psychoanalysis and as a way of promoting self renewal and change *Family Secrets* Deborah Cohen, 2013-01-09 A Sunday Telegraph and Times Higher Education Book of the Week Deborah Cohen's *Family Secrets* is a gripping book about what families Victorian and modern try to hide and why In an Edinburgh town house a genteel maiden lady frets with her brother over their niece's downy upper lip Would the darkening shadow betray the girl's Eurasian heritage On a Liverpool railway platform a heartbroken mother hands over her eight year old illegitimate son for adoption She had dressed him carefully that morning in a sailor suit and cap In a town in the Cotswolds a vicar brings to his bank vault a diary sewed up in calico wrapped in parchment that chronicles his sexual longings for other men Drawing upon years of research in previously sealed records the prize winning historian Deborah Cohen offers a sweeping and often surprising account of how shame has changed over the last two centuries Both a story of family secrets and of how they were revealed this book journeys from the frontier of empire where British adventurers made secrets that haunted their descendants for generations to the confessional vanguard of modern day genealogy two centuries later It explores personal apparently idiosyncratic decisions hiding an adopted daughter's origins taking a disabled son to a garden party talking ceaselessly or not at all about a homosexual uncle In delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day Written with compassion and keen insight this is a bold new argument about the sea changes that took place behind closed doors Born into a family with its own fair share of secrets Deborah Cohen was raised in Kentucky and educated at Harvard and Berkeley She teaches at Northwestern University where she holds the Peter B Ritzma Professorship of the Humanities Her last book was the award winning *Household Gods* a history of the British love affair with the home

Reviewing **R D Laing A Biography**: Unlocking the Spellbinding Force of Linguistics

R D Laing A Biography Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free R D Laing A Biography PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free R D Laing A Biography PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of R D Laing A Biography free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About R D Laing A Biography Books

1. Where can I buy R D Laing A Biography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
